Dear Judge Thompson:

Thank you so much for your efforts regarding the Silver Star Medal award ceremony for Oscar Barker Jr.. Your assistance in locating Specialist Barker next of kin, Emma Ross, was invaluable. Your energy and leadership organizing the award ceremony is indeed, admirable. I am extremely grateful.

I regret that I cannot personally thank everyone who contributed to this wonderful event. The work of the Metter V.F.W. was exemplary and sincerely appreciated. And Colonel Cauley deserves a special thanks for his warmth as well as his contribution. Judge, I trust you will convey my heartfelt thanks to every individual who helped create a wonderful afternoon in a wonderful town. Their efforts speak eloquently of America's heart and character.

Sincerely yours,

John Eade
