BRANT MASONIC DISTRICT

With such an honourable group of people being brought together into one District—The Brant Masonic District of the Grand Lodge of Canada in the Province of Ontario—it is only natural that we should look into the background of this District, and record some of its more noteworthy happenings, and give recognition to the brethren who have given leadership to the Craft in our District, and in our Grand Lodge.

IN THE BEGINNING Chief Joseph Brant, or Thayendanegea, was one of the first recorded Masons in this area. He was born on the banks of the Ohio River in 1742, and died in Burlington Ontario in 1807. Chief Brant was admitted to the third degree of Masonry in Falcon Lodge, a Lodge of the Moderns, on Princes Street, Leicester Fields, London, England, on April 26, 1776.

The Grand Lodge records of 1798 show that Joseph Brant was the Worshipful Master of the newly constituted Grand River Lodge No. 11 E.G., at Mohawk Castle.* (This was a village situated where the present Mohawk Church is now located).

So influential was this Indian Chief that the City of Brantford, the County of Brant, and the Township of Brantford were named in his honour, as well as Brant Masonic District, and Brant Lodge No. 45, Brantford.

With this as basic background we will look forward in time, to that period where the lodges in this area started to become permanently located, and received their Charters at those locations.

At the time of the formation of the Grand Lodge of Canada (1855), only three of the Lodges presently in Brant Masonic District were in existence:

1. St. John's Lodge No. 35, Cayuga, Ontario, which was instituted on May 15, 1845 as No. 12 P.R. (under the jurisdiction of the Third Provincial Grand Lodge), and No. 779 E.R. (under the jurisdiction of the Grand Lodge of England), and which, in 1851, changed its

allegiance to the jurisdiction of the Grand Lodge of Ireland, where it was No. 286 I.R.

*Lodges under the First Provincial Grand Lodge (with Most Worshipful Brother William Jarvis as its Provincial Grand Master, who was appointed to that high office on March 7, 1792) included: No. 11, Mohawk Castle, Township of Brantford, County of Wentworth, which was first noted in returns of 1779, and was warranted on February 12, 1798, and was extinct before 1822).

2. Brant Lodge No. 45, Brantford, Ontario, which was instituted on June 6, 1853, as No. 323 I.R. (under the jurisdiction of the Grand Lodge of Ireland).
3. St. John's Lodge No. 82, Paris, Ontario, which was instituted on August 18, 1853, as Unity Lodge No. 40 P.R. (under the jurisdiction of the Third Provincial Grand Lodge).

These lodges have a wonderful history behind them. They have been instrumental in the formation of other lodges. In fact, Brant Lodge No. 45 became a mother lodge when it provided members who formed Doric Lodge No. 121, Brantford; then Brant Lodge became a grandmother lodge, when Doric Lodge No. 121 provided the nucleus of the members for the formation of Reba Lodge No. 515, Brantford. Again, when Brant Lodge provided the nucleus for the formation of Burford Lodge No. 106, Burford, Ontario, Burford Lodge, in turn, provided the nucleus of members for the formation of Scotland Lodge No. 193, Scotland, Ontario.

Also at the time that Grand Lodge of Canada was officially formed in 1855, its jurisdiction was divided into three Districts: (1) Western (that portion of Upper Canada lying west of Toronto); (2) Central (the remaining portion of Upper Canada); and (3) Eastern (the lodges in Lower Canada).

In 1855, St. John's Lodge No. 18, Cayuga, and Brant Lodge No. 22, Brantford, joined with the newly formed Grand Lodge of Canada.

On May 22, 1857, Unity Lodge No. 40, Paris, Ontario, relinquished its Charter which it had from the Provincial Grand Lodge.

On June 2, 1857, dispensation was received from the Grand Lodge of Canada for the formation of St. John's Lodge No. 44, G.R.C., Paris, having the same officers as when it was operating as Unity Lodge No. 40.

About this time, new lodges were being instituted with Canadian Charters, not because certain brethren were thirsting for office, but because there was a desire to spread the good work, for if there was anything good in

Craft Masonry, the more lodges that were educating their members in deeds of charity, benevolence and good will, the better. There was also a strong desire among Canadian masons, whose Charters came from the Motherland, to give up those Charters, and all work under a Canadian Grand Lodge. It was most inconvenient to hold allegiance to a Grand Lodge that was 3,000 miles away, and some of the older English and Irish lodges in this country hung on to their Charters only as a matter of sentiment; but in time, practically all lodges operated with their own Canadian Charter.

. In 1858, after practically all of the lodges had been brought under the one central Grand Lodge of Canada, the lodges were renumbered giving consideration to the dates of their formation or their seniority, and it resulted in the three lodges which were in the Grand Lodge from this District, having their numbers changed, as noted:

No. 18, St. John's Lodge, Cayuga, Ontario, became No. 35
No. 22, Brant Lodge, Brantford, Ontario, became No. 45

Shortly after this, a new division within Grand Lodge provided for seven districts: four in Upper Canada, and three in Lower Canada. This was a great difference from the present division of the Grand Lodge of Canada in the Province of Ontario, which now shows a great increase numerically, to the point where in 1980 there were 43 Masonic Districts under its jurisdiction.

In most cases, lodges appear to have had difficulties in their first years after institution in obtaining officers. This can be noted by the number of Masters who remained in the Master's Chair for a number of years before some other brother was apparently trained sufficiently, or was willing to accept the responsibility of the office of Master of his lodge. With officers not advancing, and in a number of cases few initiations, it was difficult for the Masters to have and to hold their members actively. Once the lodges got through the first "growing" years, it was only an occasional time that a Worshipful Master stayed in the Master's Chair for a second term, and this occurred usually because of some unforeseen event that caused the promotion of brethren upward through the "Chairs" to be impossible.

Then, of course, we have had some of those Worshipful Masters who have been very conscientious towards the Craft, and have been advanced to become District Deputy Grand Masters, or District Secretaries, or have been appointed to an office in Grand Lodge, in recognition of their diligence and sacrifices in the promotion of Masonry. These brethren have been the ones who have guided our paths in the satisfactory progress of our Grand Lodge activities.

In 1867, after Confederation, in order for the Grand Lodge to distinguish its territorial boundaries, it added "in the Province of Ontario" to its name, and in this way it let all know the extent of its jurisdiction.

After Brant Masonic District No. 23 was formed in 1916, the fraternity grew quite rapidly for a number of years, but then the membership became reasonably static. There have been no additional lodges instituted in this Brant Masonic District since the District was originated and of late, the lodge memberships have remained approximately the same. It was at the Grand Lodge of 1923 that the districts were redistributed. Brant District No. 23 had no changes in the number of lodges under its jurisdiction. But the numbers were dropped from the district names, and from that time on, the districts have been listed in alphabetical order.

In most cases, lodges have had their own individual trying times over the years, but the difficult periods that appear most common to all of the lodges, are the depression years of 1893 to 1899, and 1930 to 1939. At these times, there were very few, if any, new candidates, and the members were finding it very difficult to obtain sufficient money to even pay their dues, and many were therefore taking demits, or were even being suspended for non-payment of dues. It must have been hard for the remaining members to see brethren being dropped from the fraternity and not being in a position to help them out, as they themselves were also very short of finances. Another difficulty was from fires, which consumed Brant Lodge No. 45 in 1869, St. George Lodge No. 243 in 1886, Wilson Lodge in 1890, Onondaga Lodge No. 519 in 1919, and Hiram Lodge No. 319 in 1925.

It is very fortunate that most of the records of these lodges were saved from these fires, and are still able to be deciphered and their contents noted.

An item of note happened near the end of the year 1914. The District Deputy Grand Master for Brant Masonic District, Right Worshipful Brother Sutherland was called to the Front in Europe with the First Canadian contingent; this was in the middle of his term of office. Right Worshipful Brother McQueen was then appointed by the Grand Master to be his representative for the remainder of that term.

"As a Mason, I would first recommend to your most serious contemplation, the Volume of the Sacred Law, charging you to consider it the unerring standard of truth and justice, and to regulate your actions by the divine precepts which it contains."

- and "By the doctrines contained in the Holy Book, we are taught to believe in the wise dispensation of Divine Providence, which belief strengthens our faith."

These are references to the Volume of the Sacred Law which rests open upon the Altar during all of the meetings of our Lodges. These Bibles are always in evidence, and for the most part, they have been presented to the lodge by members, or they have been donated to the lodge in memory of some former member.

Religion outside of the lodge room has played a significant part in the lives of most of the members. There has been a District Divine Service held almost every year, and it usually takes place in the church where the current District Deputy Grand Master attends regularly. These have been well attended by the members of the Craft from the various lodges in the district.

Also, a number of individual lodges have held their own annual church services.

Memorial services at cemeteries, on Decoration Days, are usually held in June each year in the respective areas.

Other memorial services of the past which are of particular note are: In 1940, an invitation was sent through the D.D.G.M.s to all Masons, to be present at the Special Communication of Grand Lodge, to be held at Woodhouse, south of Simcoe, on the twenty-third of June for the purpose of celebrating the One Hundredth Anniversary of the Initiation into Freemasonry of our first Grand Master, Most Worshipful Brother William Mercer Wilson. (Most Worshipful Brother Wilson died on January 16, 1875 and was buried in the Woodhouse Cemetery).

Then on Sunday, June 18, 1967, during Canada's Centennial Year, the Grand Master, Most Worshipful Brother James N. Allan formed a Grand Lodge Pilgrimage to the grave of our first Grand Master, Most Worshipful Brother William Mercer Wilson, at St. John's Anglican Church Cemetery, Woodhouse

There has been an annual pilgrimage to this same grave conducted by the members of Norfolk Lodge No. 10, Simcoe, Ontario, since 1922, on the last Sunday in June. At the pilgrimage of 1973, Right Worshipful Brother Allan E. Broadley (P.D.D.G.M. of Brant Masonic District), gave the tribute at the graveside on behalf of Grand Lodge, and in 1980, Right Worshipful Brother Alan N. Newell (Grand Senior Warden) gave the same tribute on behalf of Grand Lodge.

I would suggest to all members of the Craft that they attend the Divine Services and pilgrimages, and in this manner demonstrate to all concerned, that Masonry does support the church.

“Should you at any future period meet a Brother in circumstances of distress, who claims your assistance, you may recollect the peculiar moment in which you were received into Masonry.”

Over the years, Grand Lodge has instigated drives to raise money for particularly worthy causes, and the brethren in Brant Masonic District have given freely in support of these. Four of the more noteworthy of these were:

1. In 1915-1917, Grand Lodge put forth a drive to assist in the Belgian Relief, which raised \$46,000 for this cause.
2. The British War Relief Fund was another cause that Grand Lodge subscribed to during 1942-1946, and this drive ended in the collection of \$193,000.
3. In October 1946, Grand Lodge put forth another drive for financial aid to support the “Food Parcels for Britain” program. The objective was \$55,000 and what was actually forwarded into this fund was over \$250,000; and there were being forwarded each month, some twelve hundred parcels, or twelve tons of food to this cause.
4. In 1978, Grand Lodge began a drive known as HELP (Hearing for Every Living Person). The objective in this instance was \$350,000 to be used to cover a pledge for \$30,000 per year starting in 1980 to deafness research. The total amount raised was over \$600,000.

A special and unique activity which Grand Lodge supported was in 1940, when it attempted to get homes in Canada for children who were to be evacuated from England and Scotland because of their nearness to the active hostilities during World War II.

Several members of the lodges in Brant Masonic District indicated that they were prepared to receive these children into their homes. However, only one hundred and twenty of these children were brought out and placed in the homes of relatives or family friends, and about five hundred more were taken care of otherwise. Hence, although over two thousand Masonic homes were ready to receive and care for the children who might have to be evacuated, very few of the Masonic families of our Grand Lodge

received any of the overseas children, as the British Government had decided not to put their complete anticipated plan into effect.

The “spirit of benevolence” has, from the above, shown itself to be very strong within our district, and it is hoped that this will carry on in the future in a very positive Masonic manner.

“You are to encourage industry and reward merit, supply the wants and relieve the necessities of brethren and fellows to the utmost of your power and ability.”

A sizeable number of blood donors have been reported in Brant Masonic District, and it is encouraging to see this, as the demand for life-giving blood is ever increasing, and the gratitude of those receiving and benefiting from this service is beyond interpretation.

Masonic education, although not advanced to a great degree in a number of our lodges, has made progress in the district, and many brethren are becoming educated in the ways of masonry through workshops, Lodges of Instruction, Degrees being put on by senior officers in the lodges, and in the district, and by the visitations of the District Deputy Grand Masters.

There have been regional masonic workshops held by our district, or have been held in conjunction with bordering districts, such as:

On April 20 and May 4, 1973, a workshop called “Making Masonry Masonic”

was held at the University of Guelph, Guelph, Ontario in conjunction with the Districts of Bruce, Grey, North Huron, South Huron, Waterloo, Wellington and Wilson.

In 1974, Brant and Wilson Districts combined to sponsor a workshop called “Participate in Making Masonry Interesting”, which was held first on November 23, in the Masonic Temple, Woodstock, Ontario and then again on November 30, in the Masonic Temple, Brantford, Ontario.

In 1976, Brant Masonic District held another workshop in conjunction with Bruce, Grey, North Huron, South Huron, Waterloo, Wellington and Wilson Districts. The first session was held on March 27 at the Pauline Johnson Collegiate, in Brantford, and the second session was held on April 3, at the John Diefenbaker Secondary School, Hanover, with the following topics being discussed:

“Our Masonic Heritage, The Evolution of Our Ritual Masonry in the Community, Principles in Leadership, Maintaining Masonic Interest and Some Basic Questions in Masonry “

The same districts that co-operated in 1973 and 1976 held another workshop at Guelph University, Guelph, Ontario, using as its theme "Beyond the Apron". This was held on Friday and Saturday, May 11 and 12, 1979.

All of these workshops were attended by an enthusiastic group of masons, and a great deal of information and knowledge was taken back to the respective lodges.

"And to so High an eminence has its credits been advanced, that in every age monarchs themselves have been promoters of the Art; have not thought it derogatory from their dignity to exchange the scepter for the gavel, have patronized our mysteries and have joined our assemblies."

We have recognized ruling monarchs, and have noted them particularly to the brethren at their passing to the Grand Lodge Above.

Our Grand Lodge, under the Most Worshipful the Grand Master, Most Worshipful Brother D. F. Macwatt, directed all lodges to observe a period of mourning after the death of Most Worshipful Brother, His Majesty the King, King Edward VII, in 1910, who was a Past Grand Master of the Grand Lodge of England.

After the death of Most Worshipful Brother, His Majesty the King, King George VI, a Past Grand Master of the Grand Lodge of England, who passed to the Grand Lodge Above on February 6, 1952, our Grand Lodge, under the Most Worshipful the Grand Master, Most Worshipful Brother Nelson C. Hart, directed all lodges to observe a period of mourning in his memory.

Other times that Grand Lodge has requested observance of mourning were:

In honour of our first Grand Master, Most Worshipful Brother William Mercer Wilson, following his passing to the Grand Lodge Above on Jan. 16, 1875;

And again, in memory of a great man and a worthy mason, Brother Franklin Delano Roosevelt, the late President of the United States, after he had passed to the Grand Lodge Above on April 12, 1945;

V-E Day, May 8, 1945, was the day on which the allied powers made a declaration of victory over the Germans in Europe. The Grand Master, Most Worshipful Brother Wardley, directed all lodges to hold a "Service of

Thanksgiving” within two weeks of the declaration in regard to the victory achieved in the war in Europe.

“As a citizen of the world, I enjoin you to be exemplary in the discharge of your civil duties.”

- and -

“By paying due obedience to the laws of the country, fulfill the duties of a good citizen.”

A number of our district brethren (too numerous to note all of their names here) have taken office and have given time and expense to the operation of their municipal, provincial and federal governments, and in this way have carried out the teachings noted above.

It must not be assumed that lodges ignored the social side of life. There have been Ladies' Nights, At Homes, golf tournaments, picnics, and some of these have become annual events in the life of the individual lodges.

The nights for the holding of the regular meetings of the lodges were noted first on the Charter or Warrant of Constitution of each lodge. In most cases, these nights were selected so that the full moon would be utilized by the members in getting to and returning home from lodge over very poor road conditions. These nights have, in more recent times, been changed in order to be more acceptable and accommodating the members who now live under vastly different living conditions.

Initiation fees and yearly dues, which are necessary for the support of the operation of the lodges, have been continually rising as the inflation of our country has risen, and it would appear that this condition will continue for some time into the future. It is the duty of every member to keep his dues paid, so that his lodge can operate efficiently.

Fraternal visits have been numerous between lodges within the district and between lodges of our district and lodges of other districts. Right Worshipful Brother Oliver Sayer, during his year as District Deputy Grand Master of Brant Masonic District, set out a chart whereby every lodge should make at least one visit to another designated lodge, as well as other visits whenever possible.

In Brant Masonic District, a Travelling Gavel was originated when Worshipful Brother Arthur Stewart made a gavel (handle approximately 30” long, and the head of the gavel approximately 6” in diameter), and Worshipful Brother Clyde Bowman encouraged its introduction into use at Scotland Lodge No. 193. From there it has travelled to almost every lodge

in the district, and in this manner has been a means of assisting inter-visitations between lodges. Since its inception, the number of times that it has changed locations is proof enough that it has been the instigator of a great number of fraternal visitations and friendships.

A number of representatives from the various lodges in this district were in attendance at the Centennial Celebration of the Grand Lodge of Canada in the Province of Ontario, at Toronto, in July 1955.

The Divine Service on Sunday, July 17, at the Grandstand of the Canadian National Exhibition attracted over thirty thousand masons with members of their families.

At the Official Opening of Grand Lodge on Monday, July 18, fifty- two delegations representative of Grand Lodges in Canada, U.S.A., Great Britain and Australia were introduced.

At the Grand Master's banquet more than three thousand masons were present.

All who were present at any or all of these sessions of Grand Lodge will long continue to benefit from the inspiration derived at that time.

It is anticipated and hoped that all sessions of every Grand Lodge will be of inspiration to the brethren who attend.

But in this One Hundred and Twenty-fifth Anniversary year, it is of foremost importance that as many as possible will attend the various sessions of our Grand Lodge. In this manner we can spread the benefits from the inspirations that may be derived from these communications just as well as, if not better than they were at the One Hundredth Anniversary.

There have been a few outstanding records set in Brant Masonic District that are too noteworthy to be overlooked. They are:

1. In Brant Lodge, No. 45, Brantford, on May 21, 1924, eight Humble Brothers were initiated into Brant Lodge by special dispensation of Grand Lodge, and in the presence of the Grand Master, Most Worshipful Brother W. J. Drope. On June 23 of that year, these brethren were passed to the Second Degree and on July 22, all eight were raised as Master Masons.

2. Very Worshipful Brother Orvil Carlton Dell, of Hiram Lodge No. 319, Hagersville, and King Solomon Lodge No. 329, Jarvis, Ontario, set a record that will be difficult to surpass. He attended by 1976, 37 consecutive sessions of Grand Lodge.

3. Right Worshipful Brother Mudge, in 1867 was Worshipful Master of Scotland Lodge No. 193, Scotland, Ontario. In 1868 he was the Worshipful Master of Scotland Lodge No. 193, Scotland; Brant Lodge No. 45, Brantford and Burford Lodge No. 106, Burford. In 1869 he was the Worshipful Master of the same three lodges—for two consecutive years he was the Worshipful Master of three lodges.

4. Right Worshipful Brother Robert W. E. McFadden, Brant Lodge No. 45, Brantford; D.D.G.M. of Brant Masonic District in 1946-1947, in 1970 belonged to over thirty masonic organizations.

5. In 1975, Worshipful Brother Arne J. Zabel was:

- (a) Worshipful Master of Doric Lodge No. 121, Brantford;
- (b) First Principal Mount Horeb Chapter No. 20, Royal Arch;
- (c) Presiding Preceptory of Odo de St. Amand Preceptory, No. 17.

“As a last general recommendation, let me exhort you to dedicate yourself to such pursuits as may enable you to become at once respectable in your rank of life, useful to mankind, and an ornament to the society of which you have admitted a member.”

- and -

“You are to preserve our ancient usages and customs sacred and inviolable, and induce others by your example to hold them in due veneration.”

- and -

“It is thus, my Brother, that we are bound together in one indivisible chain of sincere affection, lawful support, relief, fidelity and truth.”

—So Mote It Be.

**DISTRICTS OF GRAND LODGE OF CANADA IN THE PROVINCE OF
ONTARIO - 1876/77/78**

From Grand Lodge Proceedings for 1876, Page 161: Redistribution of Districts:

It was moved by Right Worshipful Brother J. B. Trayes, seconded by Right Worshipful Brother Daniel Spry; and

RESOLVED that in consequence of complaints made, that the districts as at present constituted, are too cumbersome to admit an efficient working by the District Deputy Grand Masters, the Most Worshipful, the Grand Master be requested to appoint a committee to consider the propriety of reconstructing the several districts, and, if possible, recommend some scheme for their redistribution for the consideration and adoption by the

next meeting of Grand Lodge. Also that the present arrangement by counties be abandoned and the railway facilities for reaching lodges taken into consideration instead.

WHEREUPON the Most Worshipful, the Grand Master was pleased to appoint the following committee; namely, Right Worshipful Brothers J. B. Trayes, Daniel Spry, J. E. Harding, J. A. Henderson and J. J. Mason.

From Grand Lodge Proceedings for 1877, Page 134:

Right Worshipful Brother J. B. Trayes, on behalf of the committee appointed at the last Annual Communication, submitted the following:

The committee respectfully asks to be reappointed, and believe they will be able, by the next meeting, to mature such a plan for the redistribution of the districts as will meet with the approval of Grand Lodge.

From Grand Lodge Proceedings for 1878, Page 127:

From replies to a questionnaire sent out to the various lodges, the committee learns that very few of the districts desire any change.

DISTRICTS OF GRAND LODGE OF CANADA IN THE PROVINCE OF ONTARIO - 1879/85/86

From Grand Lodge Proceedings for 1879, Pages 102 and 103:

Opinion votes proved:

No. of Lodges - 267; Replies - 130; For Change - 49; For No Change - 81

Your committee, taking the above as an indication of the general feeling of the lodges upon this question, deems it inexpedient to recommend the formation of new districts at the present time.

From Grand Lodge Proceedings for 1885, Page 160:

In accordance with the suggestion in the report of the Board on the Condition of Masonry, the Most Worshipful, the Grand Master was pleased to appoint the following committee to consider the question of the redistribution of districts, and to report at the next Annual Communication of Grand Lodge; namely, Right Worshipful Bros. J. Ross Robertson (Chairman), J. S. Dewar, R. L. Patterson, William Forbes, Robert Ramsay, and R. Longraore.

From Grand Lodge Proceedings for 1886, Page 208:

Wilson District has been reduced in size from 27 to 23 lodges, by giving Thamesford to the London District, and Brantford (2), and St. George to the Hamilton District.

Hamilton District has been increased by the addition of the lodges at Brantford (2), and St. George.

Niagara District remains as before.

From Grand Lodge Proceedings of 1886, Pages 212 to 224: Designation of Districts:

Your committee, notwithstanding that they have in the foregoing, designated the districts by territorial titles, are of the opinion and would recommend that the various districts be distinguished by numbers instead of names, as follows:

Wilson- the Sixth Masonic District
Hamilton- the Eighth Masonic District
Niagara- the Tenth Masonic District

The committee have had a map prepared which shows the redistribution as proposed, with the lines of railways, etc.—all of which is fraternally submitted.

J. Ross Robertson, Chairman John S. Dewar Robert L. Patterson William Forbes Edwin Plant Robert Longmore

It was moved by Right Worshipful Brother J. Ross Robertson, seconded by Right Worshipful Brother J. S. Dewar; and

RESOLVED that the Report of the Committee on the Redistribution of Districts be received and (subsequently) adopted.

WILSON MASONIC DISTRICT NO. 6

From 1886 to 1915, Wilson Masonic District No. 6 contained the following lodges. [This was a reduction from the previous arrangement as the district was reduced in the number of lodges from 27 to 23, by giving Thamesford to the London District, and Brantford (2), and St. George to the Hamilton District].

BRANT MASONIC DISTRICT

Choosing District Deputy Grand Masters

The subject of the "Gentleman's Agreement" in regards to the choosing of the D.D.G.M. for Brant Masonic District was brought up for discussion on June 18, 1945, by Brother Wesley Clark, Senior Warden of Scotland Lodge No. 193, Scotland, Ontario, at the Annual Meeting of the Masters', Past Masters' and Wardens' Association of Brant Masonic District. He considered that the office of D.D.G.M. went to the Brantford lodges too frequently, compared to the lodges outside of the City of Brantford. The "Gentleman's Agreement" in question was that the D.D.G.M. be appointed from one of the Brantford City lodges every other year, and this agreement had not been contested for over 34 years prior to this time.

It was moved that a committee of two from each lodge in the district be appointed to meet to discuss this "Gentleman's Agreement".

W. Bro. Wesley Clark invited this committee to meet at the Scotland Lodge No. 193, Scotland, to discuss this situation, and to report back at the next Annual Meeting of the Masters', Past Masters', and Wardens' Association.

On June 4, 1947, at the Annual Meeting of the Masters', Past Masters', and Wardens' Association, W. Bro. Douglas G. Munteer, of Hiram Lodge No. 319, Hagersville, made the following motion for the choosing of the D.D.G.M. for Brant Masonic District:

THAT IT BE AGREED among the fourteen lodges of Brant Masonic District that, beginning in 1947, the candidates for the officer of District Deputy Grand Master of Brant Masonic District, shall be chosen from the lodges in the following sequence:

1st	No. 505	Lynden Lodge,	Lynden, Ontario
2nd	No. 121	Doric Lodge,	Brantford, Ontario
3rd	No. 319	Hiram Lodge,	Hagersville, Ontario
4th	No. 106	Burford Lodge,	Burford, Ontario
5th	No. 508	Ozias Lodge,	Brantford, Ontario
6th	No. 113	Wilson Lodge,	Waterford, Ontario
7th	No. 519	Onondaga Lodge,	Onondaga, Ontario
8th	No. 515	Reba Lodge,	Brantford, Ontario
9th	No. 193	Scotland Lodge,	Scotland, Ontario
10th	No. 82	St. John's Lodge,	Paris, Ontario
11th	No. 45	Brant Lodge,	Brantford, Ontario
12th	No. 243	St. George Lodge,	St. George, Ontario
13th	No. 329	King Solomon Lodge	Jarvis, Ontario
14th	No. 121	Doric Lodge,	Brantford, Ontario

This arrangement was to be repeated, except on the next time around the Brantford City lodges would step up into the place of the previous Brantford City lodge.

This new "Gentleman's Agreement" meant that a Brantford lodge would have a District Deputy Grand Master every third year, rather than the previous arrangement where a Brantford Lodge had the District Deputy Grand Master every alternate year.

The motion was passed with no opposing votes, but the Brantford City lodge representatives refrained from voting.

DDGM ROTATION Revised 1993

At the December 1993 general meeting of the Masters', Past Masters', and Wardens' Association held at the Brant Masonic Temple the selection of the District Deputy Grand Master rotation was revised so that each Lodge would have a DDGM once every fourteen (14) years. The motion passed. In 1999 when Doric Lodge No. 121 surrendered her charter the rotation became 13 lodges as follows:

DDGM ROTATION Revised in 2010

Election of the District Deputy Grand Master for Brant District

At the General Meeting of the Association in December 2009, it was passed that as some Lodges do not have members aspiring to becoming DDGMs that every 4 years will be an open year for the election of DDGM from the entire district. Guidelines for this procedure follows:

1. The rotation system that is presently being used shall be forthwith revoked.
2. The rotation system shall be revised by the M PM W Assoc. so that every 4th year will constitute an open election for the DDGM of Brant District. The effective date of the amended process will begin with the 2010 District meeting of the Grand Lodge Communication.
3. The rotation will be revised to accommodate number two of this document and if the Lodge in the rotation cannot put forth a suitable candidate for the position of DDGM, said Lodge will forfeit their turn in the rotation.
4. If a Lodge in the District has to forfeit their turn in the rotation but can supply a suitable candidate for the position of DDGM before their next turn in the rotation, that name may be considered on the year of the open election provided the candidate has met the other criteria required for the position.
5. Candidate's names for the position of DDGM for the year of the open election may be submitted five (5) years ahead of the election year for which they aspire to nominations.
6. Any candidate for the position of DDGM must have been a Past Master of a Lodge for a minimum of five years unless it is deemed by the Examining Board that the candidate is suitable for the position.
7. The candidate must have served at least one year as the chairman of two different committees of the M PM W Assoc. and have taken an active role in promoting those committees within the District.
8. The candidate must also have served on at least two previous DDGM teams in the past ten years in the capacity of chairman of the District committee or as an advisor to the DDGM, have completed the Grand Lodge correspondence course for DDGMs. and attended a pre-DDGM Orientation seminar held by Grand Lodge.

9. An Examining Board composed of five (5) PDDGM's shall be elected at the Annual Meeting of the Association. It is up to the discretion of the Examining Board to determine if the proposed candidate(s) are qualified to fulfill the duties of the position of DDGM. The Board shall report its decisions to the membership without explanations. No nomination shall occur at the District meeting at Grand Lodge without the prior approval of the Examining Board. Any candidate proposed who is found unqualified may be advanced in succeeding years as a candidate.

10. The Examining Board has the power to over rule the requirements stated in this document if they deem that a candidate may or, may not, fulfill the duties of the DDGM for the District.

MASTERS, PAST MASTERS' AND WARDENS' ASSOCIATION OF BRANT MASONIC DISTRICT

The Masters', Past Masters' and Wardens' Association was formed to give guidance and assistance whenever necessary to lodges, and provide a means of getting closer co-operation and better relationships between the present and past ruling members of all of the lodges in the area. It brought together the Wardens of the lodges, so that when they became Masters of their respective lodges, they would be fraternally acquainted with the Masters, Past Masters and Wardens of the other lodges in the Brant District.

It has been an association which could correct misunderstandings that could and did come forth from time to time.

As an association which formed the linkage between the individual lodges and Grand Lodge, it has been instrumental in conveying the requirements of Grand Lodge to the individual lodges, and has also been instrumental in making recommendations from the individual lodges to Grand Lodge, when such was thought to be advantageous.

From the records presently available it appears that the Masters', Past Masters' and Wardens' Association was formed in 1914, with R. W. Bro. Milton Wilbee as the President. No records are available between 1914 and 1922, so it may be that the Association was dormant in those years. However, the records of the annual meetings held, indicate that a meeting might have been held in each of those intervening years, because the annual meeting to be held in 1980 is recorded as "the 65th Annual Meeting".

Over the past years this Association has been instrumental in:

1. Making sure that there are candidates for the election to the office of District Deputy Grand Master of Brant Masonic District, at Grand Lodge year ; were were discused
2. Supporting nominations for other offices in Grand Lodge;
3. Assisting in the arrangements for receptions of the Grand Master, or other members of Grand Lodge when they are visiting Brant Masonic District;
4. Obtaining Grand Lodge officers to conduct Lodges of Instruction in Brant Masonic District;
5. Seeing that the proper regalia is available for the District Deputy Grand Master, and other officers from this district, at Grand Lodge;
6. Assisting the District Deputy Grand Masters with the Annual District Divine Services; and
7. Assisting whenever possible with the anniversaries, or other important functions of the various lodges in this district.

From the Grand Lodge Proceedings of 1945:

Masters', Past Masters' and Wardens' Associations are now, in this jurisdiction, recognized as part of the Craft, so that it is permissible to refer to them in the lodge notices.

R. W. Bro. Robert W. E. McFadden served as the Secretary-Treasurer of this Association for 41 consecutive years (1930 - 1971), and proved to be possibly the 'backbone' of this organization during those years. It is noted from the Minute Book that a number of the executive meetings of the Association were held in the home of the Secretary-Treasurer at 4 Hart Street, Brantford.

The Executive of the Masters', Past Masters' and Wardens' Association of Brant Masonic District, until 1980 was always elected at the annual meeting that was held in May or June. In 1979, it was passed that the executive elected at that year's annual meeting would hold their offices until the end of December 1980, and that the executives from then on would be elected for each calendar year.

The Masters', Past Masters' and Wardens' Association was active for nearly 110 years but during the COVID pandemic of 2020-2022 the lodge contributions on which it relied dried up. In an effort to get the association properly funded the 2023 executive revised the by-laws changing the annual lodge assessment into an amount based on each lodge's membership. This change drew the attention of Grand Master, M. W. Bro. Thomas Hogeboom who called an emergency audience of Brant District's Worshipful Masters at his office in Hamilton on February 3, 2024. At this meeting the Grand Master declared the Association's bylaws to be in conflict with the Constitution of Grand Lodge. In a letter dated February, 2024, he instructed the district that: The Association "...shall be formally dissolved OR it's constitution and bylaws ...be forthwith amended to be a social club which fully complies with the Constitution..."

On March 21, 2024, the Association met at the Onondaga Masonic Temple and the Association was formally dissolved and the Treasurer was instructed to equally divide the remaining financial assets amongst the 12 lodges of the district.

The Grand Master also appointed R.W.Bro. Michael Martin to meet with representatives of all lodges of Brant District to create a set of guidelines for a new "District Association". This group meet in April of 2024 and produced a document that was presented to the district lodges for approval, later that spring.

BLOOD DONOR CLINICS

The Association has also worked with the Red Cross by sponsoring the Brant County Blood Donors Clinic each February since 1982. Our members help with setup, take down, registration and reception. The clinic costs are also paid by us.

The Masonic Foundation of Ontario has had two major projects and we participated in them. The first was Project Help (Hearing for Every Living Person). This million dollar fund raiser produced more than its objective. The interest from the fund was to be used to develop better hearing apparatus for deaf people. The second project 1989 was "Nip Drugs in the Bud" which was the Masonic Foundation's 25th Anniversary Project. The project was to assist the Students of Ontario in Drug use prevention and Chemical dependency. As in all projects Brant District did its part to make the projects a success.

Locally our Association has raised money to put an Organ in Mohawk Chapel. Recently in 1996 the Association supported a Brantford Library project to purchase special equipment for the Blind. This equipment is able to scan books and electronically read them out loud to the user, a big plus for blind users. All Lodges participated in this worthwhile project lead by W. Bro. Brent Boyce.

Our Association also promotes the Masters' Night in the Fall and the Wardens' Night in the Spring. These Nights rotate around the District on a rota basis. The Past District Deputies of each Lodge are requested to assist the Master of their Lodge with the organization of the Work Rota. It also runs a District hospitality suite at Grand Lodge for all local brethren and visiting brethren to meet.

WILLIAM MERCER WILSON MEDAL

At the Annual Communication of the Grand Lodge of Canada in the Province of Ontario, in 1944, in his address to Grand Lodge, the Grand Master brought forward the suggestion of a special medal for distinguished masonic service. The Committee appointed to consider this recommendation consisted of Most Worshipful Brothers R. B. Dargavel, F. A. Copus, T. C. Wardley; Right Worshipful Brothers C. S. Hamilton, E. G. Dixon, J. A. Hearn, C. M. Pitts, with Most Worshipful Brother W. J. Dunlop as Chairman.

The Committee brought in its report at the Annual Communication of the Grand Lodge of Canada in the Province of Ontario, in 1945. Of its recommendations we may note these features: "that this Medal is to be regarded by the Masons of this Grand Jurisdiction as is the Victoria Cross by members of the Armed Forces of the British Commonwealth of Nations; that the Mason to whom this Medal is awarded will be known as one whom his brethren have been delighted to honour; and that the wearer of this Medal will be one who has fully earned the esteem and the respect of his brethren for good work well done.

“The Medal is to be known as the 'William Mercer Wilson Medal* and must be awarded only to one who has no 'possible chance of becoming a Worshipful Master or Past Master', but who nonetheless renders service far beyond the call of duty. The Award Committee would consist of three Past Grand Masters appointed by the Board of General Purposes and their decision in every case would be final.”

Brant Masonic District, the William Mercer Wilson Medal has been awarded to four brethren:

1. Brother Andrew J. Borgar, of Reba Lodge No. 515 Brantford, Ontario initiated March 3, 1921; Passed April 4, 1921; Raised May 21, 1921 Was Tyler of Reba Lodge from 1957 to 1971 Bro. Borgar was presented with the William Mercer Wilson Medal on January 13, 1969 “For giving of his time, especially to visitations to brethren in hospital and in their homes. Two days in every week were given by Bro. Borgar to these visitations.”
2. Brother Robert Templeman, of Doric Lodge No. 121 Brantford, Ontario Initiated Nov. 8, 1955; Passed Feb. 24, 1956; Raised March 23, 1956 Affiliated, and granted Honorary Membership in Reba Lodge No. 515 Brantford, Ontario on March 14, 1969 Affiliated, and granted Honorary Membership in Ozias Lodge No. 508 Brantford, Ontario on September 16, 1975 Affiliated, and granted Honorary Membership in Brant Lodge No. 45 Brantford, Ontario. Bro. Templeman was presented with the William Mercer Wilson Medal on October 2, 1975, in Doric Lodge No. 121, with all Brantford lodges participating. “He has given meritorious service in Masonry, as Organist for the four Brantford Masonic Lodges (Brant No. 45, Doric No. 121, Ozias No. 508, and Reba No. 515).”
3. At Grand Lodge on July 16, 2003 the Grand Master M. W. Bro. Terence Shand announced that Bro. Albert Taylor of Wilson Lodge No. 113 in Waterford had been awarded the William Mercer Wilson Medal. On Wednesday November 12, 2003 Bro. Albert Taylor at the regular meeting of Wilson Lodge No. 113 in Waterford was presented with the William Mercer Wilson Medal by M. W. Bro. Donald Mumby, Grand Master of the Grand Lodge of Canada in the Province of Ontario. This award is presented to a Mason for dedication to Lodge, Church and Community and a man who will never be a Worshipful Master. There were only four presented this year. According to the Grand Master each applicant must have been honoured by their

Lodge and an application must be sent to the committee consisting of three Past Grand Masters. Each decides independently whether the Medal will be granted and it must be unanimous.

4. Bro. Alexander Cook was presented with his William Mercer Wilson Medal by M. W. Bro. D. Garry Dowling, Grand Master of the Grand Lodge of Canada in the Province of Ontario, on Saturday Nov. 17/12 at Ozias Lodge in Burford. A large number of District masons and Grand Lodge Officers attended this special presentation.

BRANTFORD MASONIC TEMPLE (1955-2005)

The masonic bodies of the City of Brantford, who previous to 1955 had met in rented and in various locations, finally moved into their new home at 192 Greenwich Street.

The pooling of finances and expertise of the four lodges (Brant, Doric, Ozias and Reba), Mount Horeb Chapter, Royal Arch Masons, and Odo de St. Amand Preceptory, Knights Templar, made it possible to build this Brantford Masonic Temple that is located at 192 Greenwich Street, Brantford.

In August 1954, an incorporated company was formed, known as the Brantford Masonic Company Ltd., with a Board of Directors which was representative of all the Masonic bodies involved in this project of a new Masonic home in Brantford. Members of the Board were: A. H. Boddy, President; William R. Billo, Vice-President; John Lewis, Secretary; Carson Sachs, Treasurer; and Directors: E. W. Lavery, Bruce P. Macaulay, William T. Bremner, George H. Kerr, Alex McAllan, and Walter S. Durand.

The new Temple was designed by and constructed under the supervision of H. Leslie Kemp, a well-known architect and a Past Master of the Order.

The inspiration underlying the architect's design for the new Masonic Temple was to provide an edifice of dignity and beauty with such amenities as befitted the headquarters of Freemasonry in the community.

The accommodations provides a main entrance lobby, cloak room, club room, spacious kitchen and staff room on the main floor. On the second floor is the lodge room itself, with anteroom, spacious lounge and board room.

The architect obtained a result of dignity in its appearance which supports the idea of mysticism, which underlies Masonic ritual. It suggests that the

institution is an ancient one and not subject to the vagaries of passing fashion. Up-to-date construction methods were adopted to give air-conditioning, good acoustics and the elimination of sound transmission throughout the building.

The Temple, when completed with furnishings, cost approximately \$150,000.

The Worshipful Masters at the time of the opening of the Temple were:
Brant Lodge—W. Bro. Harry H. Clark;
Doric Lodge—W. Bro. J. W. Ashton;
Ozias Lodge—W. Bro. Reginald Edgar Cell;
Reba Lodge—W. Bro. Andrew R. Macdonald;
Mount Horeb Chapter, Royal Arch Masons—Ex. Comp. James Haynes, First Principal;
Odo de St. Amand Preceptory—Amt.Kt. A.T.H. Baker;
District Deputy Grand Master was R. W. Bro. Thomas E. Greenaway.
The contractor was Penny Construction Co. Ltd.

On Tuesday, January 18, 1955, the first meeting was held in these new quarters. It was Ozias Lodge No. 508 which had the honour of being the first to hold a regular meeting in the new facilities.

The Most Worshipful the Grand Master, Most Worshipful Brother J. A. Hearn officiated at the Official Opening and Dedication of the New Temple.

Brant Masonic Centre (2010-

After the sale of the Brantford Masonic Temple at 192 Greenwich Street in Brantford. Brant Lodge in July 2010 purchased a building at 117 Charing Cross (corner of Charing Cross & Grand St.) in Brantford which was the Mandarin Duck. Here Brant Lodge renovated part of the building as a Masonic Lodge and part of the building for a commercial business. The building was named the Brant Masonic Centre. On October 29, 2011 M. W. Bro. D. Garry Dowling, Grand Master of the Grand Lodge of Canada A.F. & A.M. in the Province of Ontario along with R. W. Bro. Donald A. Campbell, Deputy Grand Master dedicated the new Lodge Room for Brant Lodge No. 45. The first Worshipful Master in the new Building was W. Brro. Brian Clark Pickering.

After the commercial renovation was completed our first tenant The Pure Water Company took occupancy on Jan. 16/12 and we have had other leasers since.

THE WILSON MONUMENT Annual Masonic Pilgrimage

The last resting place of the first Grand Master of the Grand Lodge of Canada, Most Worshipful Brother William Mercer Wilson, who passed to the Grand Lodge Above on January 16, 1875, is in St. John's Anglican Church Cemetery, Woodhouse (a few miles south of Simcoe, Ontario).

On June 16, 1922, a memorable tribute was paid to the memory of Most Worshipful Brother William M. Wilson, when more than one thousand masons, headed by Grand Lodge Officers, assembled at St. John's Cemetery, for the unveiling of a monument above the grave of the first Grand Master.

On that occasion, Grand Lodge was opened in Norfolk Lodge No. 10, Simcoe, by the Most Worshipful the Grand Master, Most Worshipful Brother W. N. Ponton. A procession (more than a mile in length) then formed outside the Lodge Hall and paraded to St. John's Cemetery.

Right Worshipful Brother John S. Martin of Erie Lodge No. 149, Port Dover, who was D.D.G.M. of Wilson District (and later became Grand Master in 1929-1930), and had initiated the movement to have the First Grand Master recognized in this manner, spoke of the appreciation of masons of this area for the action of Grand Lodge in erecting this monument in honour of one whom we all revere.

The planting of a maple tree in commemoration of the occasion was most appropriate, with R. W. Bro. W. M. Logan, Grand Secretary, performing this duty.

The monument which has become a Masonic shrine, is of grey granite, and stands five feet, nine inches high, weighing about five tons. It is inscribed with the following words:

“In grateful and loving memory of Most Worshipful Brother William Mercer Wilson, LL.D., the First Grand Master of the Grand Lodge of A.F. & A.M. of Canada, during his 10th year as Grand Master, died 16th January, A.D. 1875, aged 62 years, a just and upright man.”

“This stone was erected by the Grand Lodge, 1922”.

Since 1922, each year on the last Sunday in June, a pilgrimage to this historic spot is held under the auspices of Norfolk Lodge No. 10 Simcoe.

This Masonic pilgrimage has the endorsement of the Grand Lodge of Canada in the Province of Ontario, and it invariably attracts a large gathering of masons from many parts of the province whom are anxious to pay tribute to a great Masonic leader. A sermon at St. John's Anglican Church by an outstanding Masonic preacher, followed by tributes at the graveside by Grand Lodge Officers (Right Worshipful Brother A. E. Broadley, Past D.D.G.M. of Brant Masonic District, a member of the Board of General Purposes of Grand Lodge, and a member of Wilson Lodge No. 113 Waterford, was given this honour in 1973; and in 1980 Right Worshipful Brother Alan N. Newell, Grand Senior Warden, and a member of Ozias Lodge No. 508, and of Reba Lodge No. 515, Brantford, was given a similar honour), makes this service unique in Freemasonry, and a fitting eulogy to the man who served an unprecedented ten years as Grand Master of this Grand Lodge.

On Sunday, August 18, 2013 at the St. Johns Cemetery, Simcoe Ontario, a Historical Plaque was placed at the gravesite of our first Grand Master. Dignitaries from the Ontario Government, city and local officials along with community leaders attended as well as many Masons from around the Province.

This yearly pilgrimage, although held in a neighbouring Masonic district, has been attended by a large number from Brant Masonic District. It continually serves to emphasize the deep impression left upon the fraternity by our late Grand Master, Most Worshipful Brother William Mercer Wilson.

ST. JOHN'S LODGE, A.F. & A.M., NO. 35 G.R.C., CAYUGA, ONTARIO

Historical

The formation of St. John's Lodge was conceived in the minds of nine men during the fall of 1844. A number of meetings were held at the home of Brother Hiram Humphrey, by these brethren, with the idea of forming a new Masonic lodge. After due deliberations, they applied for a Charter to the Third Provincial Grand Lodge.

On May 15, 1845, this Charter was granted, and St. John's Lodge No. 12 P.R. (under the jurisdiction of the Third Provincial Grand Lodge) and No. 779 E.R. (under the jurisdiction of the Grand Lodge of England) were born.

On May 29, 1845 the D.D.G.M., Right Worshipful Brother E. C. Richardson officiated at the installation of the first officers.

St. John's was instituted at York, on the Grand River between Caledonia and Cayuga, where it remained for four years, or until 1849.

In July 1849, in the hope of increasing its membership, St. John's Lodge was removed to Caledonia.

One year later the lodge returned to its original location in York.

In 1851, several lodges, including St. John's, relinquished their Charters, and made application for Charters under the Grand Lodge of Ireland. Upon this being granted, and the Charter received, St. John's became No. 286 I.R. with its first meeting under this jurisdiction being held on May 7, 1851.

On November 24, 1853, St. John's Lodge No. 286 was represented at a meeting held in Hamilton, Ontario, to decide to petition the Grand Lodge of Ireland, giving notice of its intention to become independent and requesting

recognition from then as “The Grand Lodge of Canada West”. This proved to be the beginning of the separation of lodges from the Grand Lodges of England, Ireland and Scotland.

In 1854 St. John's removed to Cayuga, where its meetings were held in the Old Campbell House (a house on Talbot Street W., Cayuga).

After the successful formation of the Grand Lodge of Canada, under the Most Worshipful Brother William Mercer Wilson in 1855, St. John's relinquished its Irish Charter and came under the new jurisdiction. St. John's was one of the first, thirty-three lodges receiving Charters from the new Grand Lodge. Originally it was given No. 18, but when all affiliated lodges were included in the new Grand Lodge in 1858, it was renumbered No. 35, which number it still retains. St. John's No. 35 was one of the two lodges out of all who are presently in Brant Masonic District who joined and assisted in the formation of the Grand Lodge of Canada in 1855.

Its next home was the Cameron's Hall (on the north-east corner of Talbot and Ottawa Streets, Cayuga), which it moved into in 1878 and where it remained for seventeen years.

The Masonic Block was built in 1895 by a number of the members of the lodge, and from that year until the end of 1942, the lodge met in a room that was set apart in this block for its exclusive use.

In 1943 St. John's acquired the former Methodist Church, which was renovated for lodge activities, and where its meetings have been held until the present time. This Temple was dedicated by the Most Worshipful Brother T. C. Wardley.

Over the years, St. John's Lodge has been honoured by having one of its members elected as Grand Master of the Grand Lodge of Canada in the Province of Ontario:

1969-1971 - Most Worshipful Brother Bruce B. Foster and seven of its members appointed as District Deputies of the Most Worshipful the Grand Master:

1866-1867 - R. W.	Bro. John A. Hoshal
1927-1928 - R. W.	Bro. James L. Mitchener
1944-1945 - R. W.	Bro. Maurice R. Billings, D.D.
1960-1961 - R. W.	Bro. A. Gordon Skinner
1976-1977 - R. W.	Bro. Morley Coverdale

2005-2006 - R. W.	Bro. William E. Topp
2010-2011 - R. W.	Bro. William J. Harris

On May 11, 1871 a meeting of the Grand Lodge was held in Cayuga, when Right Worshipful Brother James Seymour, as Deputy Grand Master, laid the cornerstone for what is now the CNR Bridge across the Grand River. St. John's Lodge and several neighbouring lodges assisted in this interesting ceremony.

From its humble beginning of nine masons, St. John's has had a gradual growth to its present membership. St. John's past is rich in historical lore. It has maintained its place as a force for good in the community, and has promoted loyalty and good fellowship among its members.

Amity Lodge No. 32 has continued their fraternal visits to St. John's Lodge and in the year 2001 they have visited for 160 years starting back in 1853. Most Worshipful Brother C. Edwin Drew, Grand Master of the Grand Lodge of Canada in the Province of Ontario made an Official Visit to Brant Masonic District on May 26, 1995 on the occasion of the 150th Anniversary of St. John's Lodge, No. 35, Cayuga. The reception and banquet were held in the Cayuga Kinsmen Community Centre. Many Grand Lodge officers and district masons along with their wives helped celebrate this event.

W. Bro. Alan Smith was Worshipful Master in 1978 when Douglas Hannah was initiated, R. W. Bro. Douglas Hannah was Worshipful Master in 1985 when V. W. Bro. Alan Smith's son, Bryan Smith was initiated and W. Bro. Bryan Smith was Worshipful Master in 1995 when R. W. Bro. Douglas Hannah's son, Reid Hannah was initiated.

In July 2003 a celebration of 150 years of fraternal visitation between St. John's Lodge No. 35 and Amity Lodge No. 32 was held at the Cayuga Kinsman Hall with M. W. Bro. Terence Shand, Grand Master in attendance. R. W. Bro. William Topp reunited a number of PDDGM's from 2006-07 (his year) and raised Bro. Jason Havill to the Master Mason degree on May 1, 2008.

BRANT LODGE A.F. & A.M., NO. 45, G.R.C., BRANTFORD, ONTARIO

Historical

Prior to the formation of the Grand Lodge of Canada in 1855, Brant Lodge operated as No. 323, under the jurisdiction of the Grand Lodge of Ireland.

The Charter granted by the Grand Lodge of Ireland was dated June 6, 1853, and was signed by Augustus Frederick, Duke of Leinster, Grand Master; George Hoyte, D.G.M.; Richard, Earl of Donoughmore, G.S.W.; Sir John McNeil, G.J.W. of the Grand Lodge of Ireland. It was granted to Arunah Huntington as Worshipful Master; Charles H. Waterous as Senior Warden and Charles R. Wilkes as Junior Warden.

The Charter Members were:

David Curtis	John Foley
Reginald Kenwood, M.D.	John Lennox Hodge
Arunah Huntington	Luther C. Norton
Robert Scott	John Skinner, M.D.
William Walker	Charles H. Waterous
Charles R. Wilkes	George S. Wilkes
John Ashton Wilkes	Henry Yardington
James Yardington	Romeyn Mulligan

On July 19, 1855, at the meeting of the Provincial Grand Lodge in Niagara Falls, that Brant Lodge was well represented. It was this meeting where the delegates from all of the Masonic lodges in the province considered the propriety of establishing a Canadian Grand Lodge.

Brant Lodge was again well represented at a meeting in the Masonic Hall, Hamilton, on October 10, 1855, where it was resolved "that the Grand Lodge of A.F. & A.M. of Canada be and is hereby formed upon the ancient

charges and constitution of masonry.” Col. William Mercer Wilson was then elected as the first Grand Master.

Brant Lodge, upon being instituted under this new Grand Lodge, was assigned the number “22”, and received its new Charter dated November 24, 1855. The signature on the Charter was that of the Grand Master, Most Worshipful Brother William Mercer Wilson.

The Charter Members at this time were noted to be:

Worshipful Master	David Curtis
Senior Warden	Dr. John Skinner
Junior Warden	George W. Malloch

On July 14, 1858, when the two Grand Lodges were finally united, with 129 lodges now under the one jurisdiction, the lodges were renumbered giving recognition to seniority. Brant Lodge was then assigned the new number “45”.

Brant Lodge No. 45, Brantford, has supplied the nucleus for the formation of other lodges in this district, including Doric Lodge No. 121, Ozias Lodge No. 508, Burford Lodge No. 106 and St. George Lodge No. 243.

Brant Lodge became a grandmother lodge, when Doric Lodge No. 121 supplied the nucleus of members for the formation of Reba Lodge No. 515, and when Burford Lodge No. 106 supplied members for the formation of Scotland Lodge No. 193.

On January 18, 1909, the lodge rooms that were to be occupied cooperatively by Brant Lodge No. 45 and Doric Lodge No. 121 were dedicated.

In the early 1950’s W. Bro. Lloyd Lawrence, Worshipful Master of Brant No. 45 and W. Bro. Petrie the Worshipful Master of Brant Lodge No. 663 in Burlington commenced a biannual fraternal visitation between our two Lodges named after Joseph Brant.

On June 13, 1953, the 100th Anniversary of Brant Lodge was celebrated with a reception for the Most Worshipful, the Grand Master Most Worshipful Brother Nelson Collins Hart. (237 signed the Tyler's Register on this occasion).

Brant Lodge No. 45 was one of the four Brantford City lodges who worked co-operatively for the construction and equipping of the new Brantford

Masonic Temple, at 192 Greenwich Street, which became its home in 1955.

During our 125th year Brant Lodge No. 45 made her 28th bi-annual visit to Brant Lodge No. 663, Burlington, Ontario; to remind us of our Irish heritage the Officers and members of St. John's Lodge 209A, London, Ontario came and exemplified the third degree in the Irish ritual; and a degree team from Alpha Lodge No. 384, Toronto, Ontario came and passed one of our brothers to the fellowcraft degree. The official visit of R. W. Bro. Robert Edwin Davies, Grand Master of the Grand Lodge of Canada in the Province of Ontario, rounded out the celebrations of this 125th anniversary year with a reception at Rossini Lodge 140 Grey Street in Brantford.

R. W. Bro. J. Carl Creamer (1961) and R. W. Bro. R. William L. Clarke (1980) were District Deputy Grand Masters of the Grand Lodge of Canada in the Province of Ontario for M. W. Bro. C. Edwin Drew, Grand Master in 1993-94, Bro. Creamer for Wilson North District and Bro. Clarke for Brant District. Bro. Creamer took his demit when he moved to Woodstock but he still proudly wears his Past Master's jewel from Brant Lodge. In 1999 he was restored to membership again in Brant Lodge and made an honorary life member of Brant Lodge in 2013. V. W. Bro. William Foster was R. W. Bro. Creamer's secretary and was made a Grand Steward in 1994.

On Dec. 21, 1998, Bro. Frank William Palmer who is now living on Manitoulin Island was presented with his 70 year pin. This was presented for us by W. Bro. Allan Tustian, old friends, at Manitoulin Lodge in Gore Bay. Many members of Gore Bay Lodge No. 472 and Doric Lodge No. 455 shared in the celebration after the brief presentation.

On Aug. 7, 1999 an Open House was held to celebrate the 90th birthday of W. Bro. Wilford Knoepfli. He was born on July 22, 1909, initiated into masonry on Oct. 13, 1936, passed on Nov. 24, 1936 and raised on Jan. 26, 1937. Bro. Knoepfli was Worshipful Master of Brant Lodge in 1945. He received his 50 year pin in 1986, his 50 year Past Master pin in 1995 and his 60 year pin in 1996. He has been a every active member of the Lodge for over 60 years. At the reception W. Bro. Jack Herron commented that nearly every Brant Lodge member present was probably raised by Bro. Knoepfli. Other members who spoke were W. Bro. Harry McClellan who commented on the true ritualist that Wilf is and Worshipful Master Dennis Fulkerson congratulated Wilf on his 90th birthday. After the Knoepfli family had a tour of the Lodge room, an anniversary cake was cut and Bro. Knoepfli gave his heartfelt thanks to the Lodge from himself, his wife Olga and his family for honouring him in this way.

April 24, 2001 M. W. Bro. Norman E Byrne, Past Grand Master of the Grand Lodge of Canada in the Province of Ontario was present to witness

His son, Stephen spoke for the family and Gerry's wife, Eileen was presented with a bouquet of flowers. He was presented with a certificate and a pair of glasses engraved with the 150th Logo and under the logo was inscribed W. Bro. Gerald Money, February 11, 2003.

In May, W. Bro. Duane Bobyk, W. M. of Brant Lodge No. 663 Burlington made their biannual visit to Brant Lodge to pass Bro. Wayne Wolski to the fellowcraft degree. This is the 53rd visit between our Lodges since the visitations started in 1951. The work was well done as always. Following the degree work W. Bro. Duane Bobyk presented a plaque to our Lodge honouring our inter district visits and Brant Lodge No. 45's sesquicentennial birthday.

On May 24 M. W. Bro. Terence Shand, Grand Master of the Grand Lodge of Canada in the Province of Ontario visited our District and helped us celebrate 150 years of Masonry in Brantford with a reception at the Brantford Golf & Country Club 60 Ava Road. This event was attended by more than 200 masons their wives and friends.

As our birthday was really June 6th we had a weekend of celebrations. On Friday June 6 M. W. Bro. C Edwin Drew, Past Grand Master of the Grand Lodge of Canada in the Province of Ontario was present along with many Grand Lodge officers and R. W. Bro. Albert Arthur Barker Past Grand Senior Warden was made an honorary member of Brant Lodge. When he signed the bylaws he became the 1853rd member of Brant Lodge. Quite a coincidence since Brant Lodge was constituted on June 6, 1853 that Bro. Barker became the 1853 member on June 6, 2003. Letters of congratulations were received from M. W. Bro. Terence Shand, Grand Master, R. W. Bro. Donald Mumby, Deputy Grand Master, R. W. Bro. David Bell, Grand Registrar and R. W. Bro. Gary Atkinson, Member of the Board of General Purposes. Albert Barker and the response by R. W. Bro. Barker as he compared his Masonic career to that of a Baseball team's organization. Following the meeting a banquet was held in the lower air conditioned hall.

Saturday June 7, 2003 was the arrival of the members from St. John's Lodge 209a, London who came and exemplified the 3rd degree in the Irish Ritual. W. Bro. Dennis Jackson volunteered to be the representative candidate. A social hour and buffet followed the ceremony and a good time was had by all. R. W. Bro. Ralph Baldwin is also a member of St. John's

Lodge and it was wonderful to have his Lodge come to his district to exemplify the 3rd degree and also help us celebrate our 150th Anniversary as we were also a constituted Irish Lodge.

Sunday saw us up bright and early and we held a Widow's Tea at the Lodge and presented the Widow's who could come with Widow pins. This was followed by an Open House in the lodge Room. Later we held an Olde Fashion Picnic in Mohawk Park where members brought salads and desserts. The Lodge supplied hotdogs and hamburgs. As we were barbecuing a torrential storm arrived an even though we were in the shelter the cooks were standing in two inches of water. A great time was had by all who attended. This certainly was a memorable weekend for all who attended.

A special night was held on December 9, 2003 to honour W. Bro. David L. Ritchie an active Past Master of our Lodge who was WM in 1966 and he tells me that when Brant Lodge had to bring in another Lodge brother to deliver the final charge he decided that he would learn it and he has delivered it at installation ever since. At W. Bro. Stephen W. Clarke's Installation on June 10, 2008, W. Bro. David L. Ritchie delivered the Final Charge for the last time and W. Bro. On September 13, 2011 the Worshipful Master Brian Pickering held the first meeting in our new Lodge Room under dispensation of the Grand Master M. W. Bro. D. Garry Dowling. History of Members

Bro. Ralph Shellington was awarded the Distinguished Flying Metal on September 1, 1943 and the Distinguished Flying Cross on November 4, 1944. The following are excerpts that appeared in the London Gazette after his presentations. >Sergeant Shellington has taken part in many operational sorties against some of the enemy's major and most heavily defended targets. At all times he has shown outstanding ability as a wireless operator and a strong sense of duty. His cheerful confidence has contributed largely to the high standard and morale obtained by his crew. Flying Officer Shellington has completed his second tour of operations. Throughout his tours he has proved himself a valuable member of his crew and has attained a high degree of efficiency. He has successfully effected repairs in the air on several occasions. At other times his vigilance has played a large part in evading attacks by enemy night fighters. His skill and cheerfulness combined with a fine fighting spirit have been most praiseworthy.'

Presentation of 70 Year Long Service Award

Tuesday Nov 13, 2018: Presentation of 70 Year Long Service Award to Bro. John (Jack) Freeborn

This presentation will be made as soon as possible after Lodge is opened to allow Bro. Freeborn to leave early.

Bro. Freeborn is accompanied by V.W. Bro. David Ritchie.

The W. M. (W. Bro. Jeff Farncombe) will now call on M.W. Bro. Dowling to conduct this presentation ceremony.

Brethren, it is our privilege tonight to pay a tribute of respect and esteem to an honoured member of this lodge, (Brant Lodge No. 45).

Freemasonry has always taught proper reverence and veneration for those whose years have brought them to places of eminence in the Craft. Happy indeed is the occasion when years of age stand united with years of service and when honour may be conferred upon a Brother who is both worthy and esteemed,

Masons have learned that we progress through life in three principal states: Youth, Manhood and Age (or Maturity)

On the occasion of a Brother achieving 50 years, a half century, of service to the craft, we hold a short but impressive ceremony in which we talk of those three states of life and the Masonic experiences you gained as we pass through each of them.

Ten years later, upon receiving the 60 year log service award, we hold another short ceremony to commemorate that Masonic milestone and to reflect on many Masonic memories and continuing contributions to the craft. Today we are

gathered to recognize another tremendous achievement in a lifetime of Freemasonry, **70** years a Mason.

On this happy and important occasion, as we meet to honour 70 years, three score plus ten, of devotion to the Masonic Fraternity, we reflect once more upon many years of adherence to our Masonic principles and above all, we congratulate you on 70 years of uprightness and fidelity to the ideals of our ancient and honourable Fraternity.

With great pride and pleasure, we welcome our honoured Brethren back on what we trust will be another momentous occasion in his Masonic Life.

Bro. Secretary, will you please read the Masonic record of ___ Brother John (Jack) Freeborn

Brother Director of Ceremonies, please conduct Bro. Freeborn to the Altar.

My Brother, with pleasure we behold you before the Altar of Freemasonry – that Altar which you were asked to approach **70** years ago. There you assumed obligations designed to make a lasting impression on your mind and to serve as an uplifting and ennobling influence upon your life and character. Again you have approached the Altar of Freemasonry, this time to receive a recognition that comes only to those fortunate Brethren who have laboured in the Temple faithfully for three score plus ten years.

Early in your Masonic career you were taught never to enter upon any great or important undertaking without first invoking the blessing of the Deity. It, therefore, behoves us with the utmost reverence and humility to offer our supplications to the God and Father of us all. That our labours may in all things meet with his approval.

*W. M. will you call up the Brethren for a moment of prayer.
(W.M. gives three knocks (. . .) to raise the brethren before the prayer.)*

Bro. Chaplain, you will lead us in prayer.

ST. JOHN'S LODGE, A.F. & A.M., NO. 82 G.R.C., PARIS, ONTARIO

Historical

Masonry in Paris began with Unity Lodge No. 40, under the Third Provincial Grand Lodge, and under the jurisdiction of the Grand Lodge of England. It was consecrated on August 18, 1853, at which time the following officers were installed:

Worshipful Master	W. Bro. Hiram Capron
Senior Warden	Bro. Henry Monck Mason
Junior Warden	Bro. John Blackburn
Treasurer	Bro. Horace Capron
Secretary	Bro. Samuel P. Adams
Senior Deacon	Bro. Robert Nisbet
Tyler	Bro. Lyman Gleason

Henry Swan Westlake was the first candidate accepted for Initiation in Unity Lodge No. 40.

Brother W. Lapenotiere, from Woodstock, was the first applicant for membership by affiliation.

From 1853 until 1857, the attendance at regular meetings was usually only seven or eight masons, including visitors. However, in 1857, there were 15 initiations and 40 degrees conferred.

In 1855, the formation of a new Grand Lodge became a reality with 41 constituent member lodges all the way from Montreal to Windsor, who were formerly under the dispensation from the Grand Lodge of England, Ireland or Scotland.

Unity Lodge No. 40, Paris, did not join with the Grand Lodge of Canada at this time, but continued to be loyal to the Third Provincial Grand Lodge of Canada. On May 22, 1957 it relinquished its charter from the Third Provincial Grand Lodge.

On June 2, 1857, at 7:30 p.m. the former officers and members of Unity Lodge No. 40 assembled in their lodge room. A Dispensation from the Grand Lodge of Canada for the Constitution of St. John's Lodge No. 44, G.R.C., of Paris, Canada West, having been received, the first regular meeting of the newly named lodge was held with the former officers of Unity Lodge No. 40 in the Chairs. At this meeting Francis Bullock was initiated and applications from Edward Hosker and William Allchin were accepted.

From the Grand Lodge Proceedings of July 8, 1857, Pages 101 and 102:

Report of District Deputy Grand Masters:
Warrant Issued to St. John's Lodge, Paris, in the Hamilton Masonic District, on June 25, 1857

—Right Worshipful Brother W. C. Stephens D.D.G.M., Hamilton Masonic District

The Warrant of Constitution was issued to St. John's Lodge No. 82, Paris, on June 25, 1857, and was signed by Most Worshipful Brother William Mercer Wilson.

Consecration of St. John's Lodge No. 44, under the Grand Lodge of Canada took place on Tuesday, January 19, 1858, being performed by the Grand Master, Most Worshipful Brother William Mercer Wilson, assisted by the Grand Secretary, Right Worshipful Brother Thomas B. Harris, accompanied by Worshipful Brothers Reginald Henwood, Jenkins, Wilkes, Rawlings, Curtis, and Marling of Brant Lodge, Brantford, and Brother W. M. Frost, Queen City Lodge, Buffalo, New York.

Brother E. Hosker, who had been initiated only a year previously, and had been Junior Warden pro tem at three meetings, was elected as Worshipful Master of St. John's Lodge No. 44, on June 22, 1858 and resigned on December 18.

On July 14, 1858, when our Grand Lodge of Canada contained all of the lodges from the two previous Grand Lodges, with 129 lodges under its jurisdiction, the lodges were renumbered and St. John's Lodge, Paris, was assigned the new number "82".

Lodge meetings according to its original Warrant, were to be held on “the first Tuesday of every month”. It was later changed to “the second Tuesday of every month, except July and August”.

Prior to 1951 the regular meetings were held at 111 Grand River Street N. (over Cummings Furniture Store), except for a few months in 1950 when meetings were held in the Paris Odd Fellows' Hall.

On February 10, 1951, St. John's Lodge secured permanent quarters. The beautiful residence formerly owned by the late W. Bro. R. Thomson, and more recently by Dr. R. Hamilton, 11 Banfield Street, Paris, was converted into a splendid and commodious Masonic Temple. On February 16, 1951, these quarters were consecrated to the service of Masonry, by the Deputy Grand Master, Right Worshipful Brother Nelson C. Hart.

On December 27, 1916, Most Worshipful Brother Stephen Y. Taylor, Grand Master of the Province of Alberta, was granted an Honorary Membership in St. John's Lodge No. 82. Most Worshipful Brother Taylor had been the Worshipful Master of St. John's Lodge in 1901, and had been the District Deputy Grand Master of Wilson District No. 6 of the Grand Lodge of Canada in the Province of Ontario in 1904-05.

The brethren in the future will applaud the devoted services of those brethren who built better than they contemplated.

The following years of St. John's Lodge No. 82, until 1982, we assume, were aggressive and productive in Brant District.

In 1981 R. W. Bro. William Wells informed the Lodge of the importance of 1982 being the 105th Anniversary of St. John's Lodge No. 82. W. Bro. Ed Webster (1981) appointed a Committee chaired by Bro. Albert C. McCay, Senior Warden to lay out a foundation for the celebration in 1982. In 1982 W. Bro. A. C. McCay turned the Chairmanship for this celebration back to W. Bro. Ed Webster and in the fall of that year a successful and enjoyable celebration was held at the Paris Fairgrounds. The guest speaker was R. W. Bro. Ronald Groshaw, Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario.

Because of the success of our 125th Anniversary, it was decided to start a yearly celebration in the form of a Lodge Barbeque. This event began by being hosted by W. Bro. A. C. McCay at his home and then by other interested members of the Lodge, namely W. Bro. Clayton Oliver and Bro. Glen Carr.

Once we realized we had a successful event on our hands this venue was moved to the Paris Fairgrounds where in 2007 we celebrated our 25th annual.

Meanwhile, through these years, our Lodge membership was growing and younger and interested men of the Community were joining St. John's No. 82.

As time passes and we look around our home at 11 Banfield Street, it was easy to see that perhaps we should look for new premises or invest monies to repair our Lodge.

After countless meetings and friendly heated discussions, it was finally decided that the only course was to find new premises. On September 13, 1994 the last regular meeting of St. John's Lodge No. 82 was held at 11 Banfield Street, Paris, Ontario. To honour this old hall the meeting was, as it should have been, conducted by the Past Masters of St. John's Lodge with V. W. Bro. A. C. McCay as Worshipful Master.

As of October of that year until the present our friends and Brothers at St. George Lodge No. 243 have permitted us to use their facilities as our own until we have established our own new Lodge home in Paris.

On October 11, 1994 St. John's Masonic Hall Paris Inc. came into being with the following Brothers as the Board:

President	W. Bro. Jim Longley
Vice-President	V. W. Bro. A. C. McCay
Secretary	W. Bro. Ed Webster
Board Member	W. Bro. Harold McComb
Board Member	W. Bro. Peter McComb
Treasurer	W. Bro. Murray Barker

After the creation of the Board our old premises at 11 Banfield Street, Paris were sold and a lot to build on at 98 Scott Avenue, Paris, Ontario was purchased. At the regular meeting September 9, 1997, W. Bro. Longley was requested to approach the East and update the brethren on progress toward a new Lodge building. W. Bro. Longley informed the Brethren that this was a very historical night for St. John's Lodge No. 82 in that we will be signing and sealing the contract agreement to build our new Lodge building this evening and construction will start tomorrow morning. He then requested the Secretary to allow him to use his desk to sign and seal the official documents.

Our new Lodge building was ready to use in March 1998. W. M. Gordon Simons called an emergent meeting on March 24, 1998, in our new building. The Lodge was opened at 7:35 pm. The Lodge was called from Labour to Refreshment at 7:48 pm. At this time St. John's members' Ladies were received into the Lodge and they presented 72 place settings of cutlery to St. John's and said that any excess funds they collected would go for other items for the Lodge kitchen. The Ladies then retired.

W. M. Gordon Simons called the Lodge from Refreshment to Labour at 7:45 pm at which time Candidate Mr. Christopher Whelan was initiated into Masonry. 12 Officers, 25 Members and 60 Visitors were present.

St. John's Lodge No. 82 met under dispensation from this time until April 2000. An emergent meeting of St. John's No. 82 was opened by W. Bro. Dan Norris at 2:30 pm Saturday April 8, 2000, with 18 Officers, 20 Members and 99 Visitors. A deputation composed of W. Bro. Henry Arnald and W. Bro. Fred Gibson was asked to retire and report to Grand Lodge that St. John's No. 82 was ready to receive them. The deputation returned and reported that Grand Lodge was assembled and will in due course attend and dedicate our Lodge. The Lodge was opened in the Second Degree at 2:50 pm.

Grand Lodge (48 Members) was then admitted at 3:00 pm and dedicated St. John's No. 82 Lodge room. Grand Lodge retired and the Lodge was closed in the second degree at 3:50 pm and then closed in harmony. All retired to attend a banquet at the Paris Fair Building in honour of M. W. Bro. Robert J. McKibbon, the Grand Master.

Saturday June 22, 2002, an Emergent meeting of St. John's Lodge No. 82 was opened by W. Bro. Albert Devereux. M. W. Bro. Robert J. McKibbon at this time conducted a ceremony of dedication of various items of Lodge furniture. Then after a rainy delay he conducted the Brethren outside where the placement of a Time Capsule and Cornerstone took place. W. Bro. Jim Longley asked M. W. Bro. McKibbon and the W. M. to meet him on the level where he thanked him for the Dedication Ceremony and presented him with a framed certificate indicating that he was made an Honourary Member of St. John's Lodge No. 82.

District Masters' night was held at St. John's Lodge on Saturday May 31, 2003. The Masters of the District conferred a Fellowcraft Degree on Bro. Jacob Hayward of our Lodge. A barbeque followed.

On October 11, 2005 V. W. Bro. George Stapleton was presented with his Grand Senior Deacon Regalia by W. Bro. Gordon Simons. This regalia was originally V. W. Bro. A. C. W. McCay, Assistant Grand Organist and was refurbished to be made a Grand Senior Deacon Apron.

May 9, 2006 was Past Grand Wardens' Night. R. W. Bro. Thomas Forbes assumed the chair of King Solomon and led his team of Past Grand Senior Wardens' in conferring the Fellowcraft Degree on Bro. Andrew King.

Friend to Friend night was held October 27, 2006 which was open to the public. At this meeting an informative session was given on Prostate Cancer. The guest speaker was Bro. Robert Williams, a Paris Doctor and a member of our Lodge and Mr. Ted Baxter from the Expositor who is battling prostate cancer.

June 2, 2007, the 150th Anniversary celebration marks another proud moment in the history of St. John's No. 82. On this day M. W. Bro. Gary L. Atkinson, Grand Master, accompanied by other past and present Grand Lodge Officers dedicated the new mosaic pavement and the lighting of a memorial candle in memory of past St. John's No. 82 members. The wooden Mosaic pavement was constructed by the 1980 Past Masters of

Hamilton District A and was graciously donated to the Lodge. At the reception following at the Paris Fairgrounds M. W. Bro. Gary L. Atkinson was made an honorary member of St. John's No. 82.

At the DDGM's official visit on October 9, 2007, after the Lodge was called off the Devereux family was invited into the Lodge and W. Bro. Albert Devereux presented his father with the Lewis Jewel and W. Bro. Harold McComb presented one to W. Bro. Albert Devereux. The Lodge returned to Labour and continued the Official visit.

As the membership of St. John's No. 82, is growing by leaps and bounds and it is hoped that with the enthusiasm of our Brothers and the new Brothers coming in, St. John's Lodge No. 82 has a very strong and progressive future.

BURFORD LODGE A. F. & A.M., NO. 106 G. R.C., BURFORD, ONTARIO

Historical

On June 25, 1858, a number of masons met at a Bishopsgate (on Highway No. 53 between Brantford and Burford), "to consider the propriety of applying to the Most Worshipful Grand Master for a Warrant to constitute a Lodge of Ancient and Accepted Masons in the Township of Burford". Bro. Jira Skinner was requested to preside and Bro. William M. Whitehead to act as Secretary for the meeting.

The meeting closed with the majority feeling that an application should be forwarded, as soon as possible, to the Grand Master for the Constituting of Burford Lodge.

Grand Lodge approved of the Institution, and the Warrant of Constitution for Burford Lodge No. 61, dated July 3, 1858 was granted, and it was signed by the Grand Master, Most Worshipful Brother William Mercer Wilson.

The Charter Members were:

Wor. Bro. Jira Skinner, M.D.
Bro. Edward Hipkins, M.D.
Bro. Jacob Bingham
Bro. Joseph Smith
Bro. Willard M. Whitehead
Bro. Thomas Cahill
Bro. William K. Kirby

The Oddfellows' Hall at Bishopsgate was selected as the location for the regular meetings.

Burford Lodge is the eldest daughter lodge of Brant Lodge No. 45, Brantford, and all but Bro. Jacob Bingham of the charter members, were members of Brant Lodge No. 45.

Upon the amalgamation of the two Grand Lodges on July 14, 1858, all of the lodges who were warranted under them, were renumbered, and at this time, Burford Lodge was given its present number of "106".

During the first five years of operation, there were added to the Roll of Burford Lodge No. 106, sixteen members by initiation, and three members by affiliation (these three were also former members of Brant Lodge No. 45).

The first candidate of Burford Lodge was William H. Serpell, Bailiff, who became the fourth Master of Burford Lodge, and later served as its secretary.

The minutes of the meeting of December 11, 1861, have the heading as "Masonic Hall, Burford", although the exact location of this hall, at this time is unknown.

On July 12, 1867, several brethren of the Scotland area made application to the Burford Lodge to approve the formation of a new lodge at Scotland. The Burford Lodge gave its whole-hearted support to the formation of this new lodge although this meant a loss of eight of its members to Scotland; hence the origination of the Scotland Lodge No. 193.

A Hall Committee was appointed on January 24, 1872, to procure a site and erect a Masonic Hall. Negotiations proceeded with the Wesleyan Methodists for the purchase of the old church property.

On June 16, 1875, a motion was introduced for permission to institute a new Masonic Lodge at Cathcart. This application was not as fortunate as the one that was received from the Scotland area brethren, and the motion was lost, but the masons from the Cathcart area remained members and have given great support to the Burford Lodge.

In 1883, the members of Burford Lodge No. 106, under the direction of Brother F. H. Stephenson, erected a new Lodge Hall on Maple Avenue S. , just south of King Street (Highway No. 53), and this has been the regular meeting place for this lodge up to the present time.

An organ was purchased to assist with the musical ritual of the Order, on September 8, 1886.

On October 18, 1899 Burford Lodge purchased a two-volume set of the Most Worshipful Brother J. Ross Robertson's "History of Masonry in Canada" for \$7.50.

The Lodge decided on September 9, 1908, to illuminate the lodge rooms with electricity. The cost of the installation was \$20, and the annual charge for the electricity was \$2.

On January 11, 1911, the Burford Lodge Room was dedicated to the work of Masonry, by the Right Worshipful Brother George Naylor.

During parts of 1979 and 1980, Burford Lodge extended fraternal assistance to a neighbouring lodge, by allowing the brethren of Scotland Lodge No. 193 to use the Burford Temple for their regular meetings, while the Scotland Lodge was in the process of trying to locate new quarters.

During March and April 1980, the inside of the lodge was redecorated by using volunteer labour of the Burford brethren, which has added tremendously to the appearance of the lodge room.

Over the years, Burford Lodge has been quietly carrying on the highest of masonic ideals. It has had leaders in the positions of District Deputy Grand Master, other district officers, and lodge officers who have created dignity and have added respect to the Order.

On Monday October 24, 1983 Burford Lodge No. 106 celebrated her 125th anniversary by holding a Reception at the Burford Fairgrounds co-hosted by the Masters, Past Masters and Wardens Association. Most Worshipful Brother Ronald Groshaw, Grand Master of the Grand Lodge of Canada in the Province of Ontario was the guest speaker. Many Grand Lodge officers and masons from around the Province attended this celebration. Co-chairmen for the event were W. Bro. Ken Grisewood, President of the Masters, Past Masters and Wardens Association of Brant Masonic District and W. Bro. Wayne Mudford, Worshipful Master of Burford Lodge No. 106, A. F. & A. M.

In March of 1989 the inside of the lower banquet hall was renovated to include new insulated walls, drop ceiling, refinished hardwood floors and new lighting. All of the work was done through the efforts of the Burford brethren.

During the summer weekends of 1991 the entire exterior of the lodge building was given a complete overhaul. The brickwork was repointed and/or repaired, the woodwork was sanded and painted and the sidewalk repaired.

In 1994 the Burford brethren tackled the kitchen by insulating the walls, installing new plumbing, sink, new lighting, wiring and cupboards and laying new flooring.

Also contained in this project were the insulating of the closed off windows, installation of a gas furnace (used), a new gas water heater (donated), a gas stove (donated), a second stove (donated), a second fridge (donated) and a programmable furnace thermostat. All costs of the project were based on a three year pay back over existing oil and water heat.

V. Bro. Gary Mudford was invested with his Grand Steward regalia on Sept. 18, 1996.

R. W. Bro. Albert Barker purchased Masonic signs to be erected at the east and west entrances to the town.

In 1997 Ozias Lodge No. 508 made an agreement with Burford to meet in our Lodge room on the 3rd Saturday in the afternoon.

The secretary was given an honorarium equal to one year's dues in 2000.

In the last few years the following upgrades have been done to improve the property: New ceiling fans, brick renovation, new eavestrough, new mosaic pavement donated by W. Bro. Robert Brown & Bro. Keith Matheson, a ladies washroom, gas & electric stove and a lodge computer donated by R. W. Bro. Fred Kalliokoski.

Burford Lodge has always endeavoured to uphold the basic tenets and fundamental principles of the Order and we trust that this tradition will always be upheld as we move on to the future.

WILSON LODGE, A.F. & A.M., NO. 113 G.R.C., WATERFORD, ONTARIO

Historical

The masons of this district, together with some brethren from Norfolk Lodge No. 10, applied for, and were granted a Charter on July 28, 1859, and denominated Wilson Lodge No. 113 on the Grand Register of the Grand Lodge of Canada in the Province of Ontario.

On September 15, 1859, Most Worshipful Brother William Mercer Wilson constituted Wilson Lodge No. 113 at Waterford, Ontario which had been named in his honour.

The first Worshipful Master was W. Bro. John Boyd, and some of the other charter members were:

M. W. Bro. William Mercer Wilson (the first Grand Master of the Grand Lodge of Canada) Bro. (Hon.) David Tisdale, Bro. A. J. Donly, Bro. Thomas W. Clark, Bro. James Beal and Bro. John McLaren

The first meetings of the lodge were held in humble quarters, being in a barn owned by William McMichael, and which stands today on the northwest corner of the property of Mrs. Martha Stafford, and across the street from the Town Hall, and is occupied as a dwelling.

The lodge used this upper part of the building for 14 years, and in 1879 secured more suitable quarters in the Beemer Block, situated on the east side of Main Street, and occupied the entire top flat.

The furnishings of the lodge were considered to be the finest in the entire district, and were made available, largely through the generosity of Bro. Leamon Becker.

The lodge enjoyed these commodious quarters until April 7, 1890, when the block was destroyed by fire and the lodge, and all furnishings, valued at

\$1,400 were lost, with only \$800 in insurance coverage. However, after this discouraging disaster, meetings were held for a time in the Opera House, until the Heward Block was constructed, when the present lodge room was made available, and has been occupied by Wilson Lodge since the last day of the year 1900. Among the new furnishings was a beautiful carpet with masonic emblems woven in the design and is still in use.

One of the proud possessions of the lodge are framed groups of all Past Masters, the original ones being presented by W. Bro. P. George Pearce, and enlarged photographs of the three R. W. Brethren who have served as D.D.G.M.s; namely, R. W. Bro. James Ross, who was a tower of strength in the lodge in the earlier days of this century; R. W. Bro. R. K. Robinson, and R. W. Bro. Clare Tench.

During more than a century of existence, the lodge has experienced many trying times, but on the whole has come through most successfully. The busiest year for this lodge was in 1903, when 20 neophytes entered apprenticeship and 50 degrees were worked at 32 meetings*

This incident that took place during the War of 1812, explains the rope which visitors see about the pillars of Wilson Lodge No. 113, Waterford.

During the War of 1812, the American General, Duncan McArthur conceived the tactical scheme of cutting across the province to take the defenders of the peninsula in the rear. In October of 1814, his force of 750 horses and five field pieces swept along the Burford Road to the Grand River opposite the present Brantford Waterworks property where the Six Nations Indians held the invaders. A former resident pointed out the area where there are a number of graves of the warriors who fell in this engagement. McArthur was forced to turn south. A member of Lodge No. 11 sped on horseback to warn Malcolm Mills and at Waterford set the Sovereign Mill on fire. As the raiders crossed the stream Sovereign and his friend Schuyler extinguished the blaze. The commander ordered the two defenders to be executed. When the rope was about Schuyler's neck, McArthur realized that Bro. Morris Sovereign was a mason. McArthur shouted "Let them down, boys—I'll spare their lives". Schuyler lived until 1875, and he always would wind up his story with "My God, if Morris Sovereign hadn't been a mason, we would have stretched hemp."

One very important event took place in 1957, when the eastern part of the Reward Block, in which the lodge is situated, was purchased. Then in 1959 the roof was severely damaged by a windstorm, which necessitated remodelling of the lodge and the brethren again had very fine accommodations.

In August 1979, a tornado struck the building that housed Wilson Lodge, and damaged it to quite an extent. From that time, until it was repaired, Wilson Lodge held its regular meetings at Norfolk Lodge No. 10, Simcoe. Wilson Lodge moved back into its renovated quarters in the fall of 1980.

Wilson Lodge has an excellent membership, and it has every reason to look forward to a prosperous future.

Highlights of Wilson Lodge since 1980:

On Saturday May 5th, 1984 Wilson Lodge No. 113 celebrated its 125th Anniversary with a reception and banquet at the Ukrainian Hall in Waterford. We were honoured at this occasion with the presence of Right Worshipful Brother A. Lou Copeland, Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario. The head table was piped in to the delightful repast of Ukrainian food and entertainment. The general Chairman of this great evening and milestone event was W. Bro. James Barnett.

Wilson Lodge 113 was privileged to host the cornerstone laying ceremony of the Waterford Library on Sept. 23, 1989 with full Masonic honours. This great occasion was highlighted by the participation of our Grand Master, Most Worshipful Brother David C. Bradley and the full retinue of Grand Lodge Officers. The ancient ceremony was a treat to all who attended including members of neighbouring Lodges and especially the general public. The success of this momentous event was due to the efforts of our members and especially W. Bro. Gerald E. Postill, the Master and historian Bro. Malcolm McKenzie. The official opening of the Library was on Feb. 3, 1990 when our donation was presented to the Library by the Master, W. Bro. Ronald Anderson on behalf of the fundraising committee of Wilson Lodge.

Wilson Lodge No. 113 has supported the Waterford Pumpkin Festival each year with our Masonic Parade Float and by hosting an open house at our Lodge featuring the Masonic Information Booth.

History 1998-

The First W. Bro. Alan Sayer Blood Donor Memorial award was presented to St. John's No. 82, Paris at the DDGM R. W. Bro. Gerald E. Postill annual visit to his own Lodge on May 13, 1998. This award was presented to the Wor. Master Gord Simmons by DDGM, R. W. Bro. Gerald E. Postill and District Blood Donor Chairman W. Bro. Clayton Oliver. This award was made by V. W. Bro. Emil Fritscher (cabinet work) and Stephen Smith, of Talking Earth Pottery. Also this evening a copy of Brant Masonic District History 1981-1997 was presented to Mrs. William Mitchell, wife of Bro. William Mitchell who wrote the original history to 1980. R. W. Bro. R. William L. Clarke who compiled the history made the presentation. This

meeting was the first open meeting of the DDGM's team reports in Brant Masonic District.

History 1999-

A new gas furnace was installed in the Lodge Room. (The other was dated from WW II era).

Wilson Lodge was presented with the Alan Sayer Memorial Blood Donor Trophy at Onondaga Lodge in May. After much discussion we decided to raise our dues from \$50 to \$75 in 2000- that was an event.

WILLIAM MERCER WILSON MEDAL

At Grand Lodge on July 16, 2003 the Grand Master M. W. Bro. Terence Shand announced that Bro. Albert Taylor of Wilson Lodge No. 113 in Waterford had been awarded the William Mercer Wilson Medal. It was presented to Bro. Taylor by M. W. Bro. Donald Mumby. On Wednesday November 12, 2003 Bro. Albert Taylor at the regular meeting of Wilson Lodge No. 113 in Waterford was presented with the William Mercer Wilson Medal by M. W. Bro. Donald Mumby, Grand Master of the Grand Lodge of Canada in the Province of Ontario. This award is presented to a Mason for dedication to Lodge, Church and Community and a man who will never be a Worshipful Master. There were only four presented this year. According to the Grand Master each applicant must have been honoured by their Lodge and an application must be sent to the committee consisting of 3 Past Grand Masters. Each decides independently whether the Medal will be granted and it must be unanimous.

On Oct. 26, 2005 W. Bro. Alfred Langs was presented with his 50 year Past Master pin and on the same night R. W. Bro. Ralph D. Charter, Past District Deputy Grand Master of Brant Masonic District was presented with his 50 year mason pin. W. Bro. Langs was Worshipful Master when R. W. Bro. Charter was initiated.

Wilson Lodge No. 113 has enjoyed a very active decade. The highlights just has to have been the ceremony of presenting to one of our most respected members the William Mercer Wilson Medal to Bro. Albert Taylor on November 12, 2003. This noteworthy occasion was performed by the Officers of Wilson Lodge assisted by no less than the Grand Master M. W. Bro. Donald M. Mumby, the Deputy Grand Master R. W. Bro. Gary Atkinson and a retinue of Grand Lodge officers and visitors from neighboring Lodges. This great Masonic evening was made complete as we attended a banquet at the United Church where Bro. Taylor was able to share with his family & friends this great honour. It must be noted that the late Bro. Taylor was a true mason by his very quiet presence bringing joy and admiration throughout the years of his masonic journey.

Wilson Lodge has supported the Waterford Pumpkinfest and has had barbeques and banquets at the Lion's Hall each year. The funds received has enabled Wilson Lodge in supporting many area projects and needs.

Another first this season was to open our Lodge Rooms to the annual "Lantern Tour". There was an historical skit performed in our lodge room and at least 800 people attended during the tour season.

Wilson Lodge continues to make our identity known in the community in the most positive ways being involved. We have installed a new flat roof on our lodge rooms and a new furnace with central air in our rental area downstairs. It should be noted that the brethren helped in this \$20,000 project with willing hands and donations.

A permanent mosaic pavement created by the 1980 Masters of Hamilton District B was installed in August 2009. This beautiful piece of work with indented skirting and ornamented with a star that gleams in the centre was dedicated by M. W. Bro. Donald Mumby in October 2009.

The crown of the Masonic year, marking our 150th Anniversary was the unveiling of a beautiful monument in Waterford depicting the spot where early prominent residents had their lives spared because they were Freemasons. This monument was unveiled by M. W. Bro. Raymond S. J. Daniels, Grand Master of the Grand Lodge of Canada in the Province of Ontario on September 26, 2009. A reception followed at the Green's of Renton. A complete story of the "near hanging" is included elsewhere in this history.

HISTORICAL NOTES of MEMBERS

Found in the Brantford Expositor dated June 30, 1997 Flashback, 100 years ago. Squire Thompson was one of the country's first white sons. He died in his 98th year. Bro. Thompson was made a mason nearly 75 years ago (about 1822). The ceremony of initiation took place at Waterford and the young man who was introduced to the mysteries of Masonry at the same time was the late and greatly esteemed Mr. Kitchen, father of Dr. Kitchen of St. George, and Mr. Alfred Kitchen, governor of the county gaol. Squire Thompson was born in 1801 and helped to drive a wagon in the army during the war of 1811. Many years ago he was made a justice of the peace and occupied the bench always with fairness and impartiality. His

familiar figure will be missed by a large number of citizens of Brantford and also residents of the whole county.

THE BURNING of SOVEREEN'S MILL & ATTEMPTED HANGING of BRO. MORRIS SOVEREEN

On October 26th, 1814 a force of approximately 750 men on horseback, 5 field pieces and a number of native soldiers, under the command of Brig. General Duncan Arthur, launched a raiding attack from Michigan on Western Canada (now S. W. Ontario). This was an effort to disrupt the food supply to the Canadian Forces in the Niagara Frontier, disrupt the local militias & eventually reach and take Burlington harbour to prevent the entry of fresh British troops. Their ultimate goal was to support the American forces in the Niagara Frontier by attacking the British/Canadian troops from behind.

Their rapid and bold eastern advance was stopped on November 5, 1814 at the Grand River, Brantford, by the local Brant Militia supported by Six Nations soldiers. They were forced to go south towards Lake Erie. Their route took them to Malcolm's Mill at Oakland, where early in the morning of November 6, 1814, they were met by and soundly defeated the Canadian Force of approx. 400 men composed of the Norfolk, Oxford and Middlesex Militias. They then proceeded south to Waterford.

A sweat-covered steed, ridden by a messenger from a friend of Morris Sovereen, a brother Mason who lived near Burford, a member of lodge No. 11, arrived breathless and excited and gave the warning that the U. S. force was coming south.

Sovereen's Mill stood on the north side of Nanticoke Creek or River, which ran then, as it does now, through Waterford. The old man, knowing that the soldiers were on the march, felt that his only earthly possession was in imminent peril, because the invaders were destroying all the flour mills situated in Western Canada.

It was late in the afternoon of November 6th, 1814 when the bugle notes of the advance guard was heard at the mill. The miller and his men had for hours been carrying to places of safety many sacks of flour, in order to save it from the spoiler's hand, for word had come as well from an Indian source that fire and desolation marked the march of the enemy now on their way o Lake Erie. As the troops reach the creek they halted, and a half dozen dismounted, dashed into, fired it and crossed the creek, expecting to see Bro. Sovereen's property ascend to heaven in smoke.

When Bro. William Schuyler, who lived beside the mill and worked in it and Bro. Sovereign saw the Americans ford the water they thought they had taken their departure, and with a few pails of water and a couple of leathern buckets, they extinguished the flames.

The soldiers in the meantime had halted on the other side of the creek, and seeing that the mill did not burn, a young officer with six men cam back with instructions to again fire the building and to threaten to hang to the nearest tree ant who attempted to save it. In a few minutes the flames were licking the timbers on the north side of the building, but by the time the invaders had got back to their position, the fire was again extinguished. This was too much for McArthur and in a few minutes Sovereign and his faithful men were dragged across the stream and to the top of the hill, on their way to death, followed by his pleading and sobbing wife, "Aunt Liddie" as she was familiarly called. A rope was secured and thrown over the branch of a massive oak tree which stood on the hill at Waterford, south of the mill, on a spot which is the present Baptist Church, a few yards east of the Town Hall.

The old man saw that his hour was near at hand. The soldiers were a rough and ready set and all they required was an order and it would be carried out. A rope was already around the neck of Bros. Schuyler and Sovereign as a last hope for life rushed up to McArthur, who still sat on his horse, and making a Masonic sign shouted "**Spare our lives and burn all I have.**"

In an instant McArthur recognized the miller's action, hesitated for a moment, and then to the great delight of the captives, all of whom were Craftsmen, and to the astonishment of the raiders, who were on horseback, except those who were handling the rope and the prisoners, he shouted to his men: "**Let them down, boys- I'll spare their lives.**" The mill had, by this time, been reduced to ashes. The invaders went their way, and for years afterwards old Masons who lived at Waterford used to tell the story of the event that occurred in the lifetime of some of them, and of the day of rejoicing in this old settlement, when a Mason's sign saved much valuable property and the lives of two of the Craft at Waterford.

DORIC LODGE, A.F. & A.M., No. 121 G.R.C., BRANTFORD, ONTARIO

Historical

The lodge was brought into being on October 11, 1859, in Roy's Hall on the south-west corner of Colborne and Market Streets, Brantford, Ontario.

It operated under dispensation until July 11, 1860, when the first Warrant was issued under the Seal of the Grand Lodge and the signature of the Most Worshipful Brother T. Douglas Harington, the Grand Master.

The original Warrant bears the names of the following seven charter members:

Worshipful Brother Matthew W. Pruyne
Brother John Orr
Brother Reginald Henwood
Brother James Yardington
Brother Thomas Cheesman
Brother Thomas Rawlings
Brother William Walker

In 1869 the lodge was removed to Tisdale's Hall, 74 Colborne Street, which was occupied later by Duncan's Furniture Store, and to this day there is a stone in the upper portion of the front wall bearing the words "Masonic Hall, 1869" thereon.

In 1893 another removal took place when quarters were obtained in the Stratford Building on the south-west corner of King and Dalhousie Streets.

Dedication of combined Brant and Doric Lodge Rooms took place on January 18, 1909.

Early in 1910 the lodge moved to larger quarters in the Temple Building, 76-78 Dalhousie Street, on the north side of Dalhousie Street, between

King and Market Streets, immediately after celebrating its Semicentennial, on which occasion the Banquet Hall was used for the first time.

On January 21, 1955 the lodge held its first meeting in its new Temple on Greenwich Street, Brantford. The building and completion of these spacious and beautiful quarters marked another milestone in the history of masonry in Brantford. It was at this meeting that Very Worshipful Brother Anson Jull officiated at the installation of his son Alan R. Jull, as Worshipful Master of Doric Lodge.

Doric Lodge has experienced a steady growth in membership as shown by the following figures. In 1860 there were twenty members. In 1884 the membership was one hundred and eighty-four. In 1909, when it celebrated its fiftieth anniversary, it had grown to four hundred and sixteen members.

Since institution, close to seventeen hundred have signed the Bylaws of Doric Lodge, and it is with a tinge of regret that we record that more than one-half of this number have passed to the Grand Lodge Above.

Suffice it to say that Doric Lodge has always been officered by just and upright men, many of whom have distinguished themselves and have risen to positions of rank and affluence, bringing credit to themselves, their lodge and to their country; and by a similar fidelity on the part of her officers in the years to come, this Lodge, of whom the members are so justly proud, is assured of a glorious future.

W. Bro. William Hughes was invested as Grand Steward of the Grand Lodge of Canada in the Province of Ontario in July 1982.

In 1984 Doric Lodge celebrated her 125th Anniversary with a reception and dinner. The guest of honour was Most W. Bro. A. Lou Copeland, Grand Master of the Grand Lodge of Canada in the Province of Ontario. All present received engraved wine glasses commemorating the 125th Anniversary of Doric Lodge.

The Bowery Family presented to Doric Lodge a new square and compasses and Bible in memory of R. W. Bro. Frederick Bowery.

On November 26, 1999 Doric Lodge No. 121 surrendered her charter to M. W. Bro. Robert J. McKibbin in a ceremony closing the Lodge that was constituted on October 3, 1859 and has been in existence for 140 years. The main reason the Lodge's closure was that they couldn't find members to hold the Offices of the Lodge and secondly the lack of new candidates. It was a sad time for the active members. A Ceremony of the Extinguishing of the Lights of Doric Lodge No. 121 follows: .

At the last meeting of Doric Lodge No. 121 the Grand Lodge Officers attending were M. W. Bro. Robert J. McKibbon, Grand Master of the Grand Lodge of Canada in the Province of Ontario, R. W. Bro. T. Claydon Oliver, DDGM of Brant District, R. W. Bro. William R. Lawrence, DDGM of Waterloo District, R. W. Bro. David A Fickling, Grand Registrar and V. W. Bro. Lee Behms, Grand Director of Ceremonies. Past Grand Lodge Officers of Brant District R. W. Bro. Donald Sandison, R. W. Bro. William Hughes, R. W. Bro. Douglas Hannah, R. W. Bro. Gerald Postill, R. W. Bro. Gavin Angus, V. W. Bro. Arthur Witt and V. W. Bro. Alex Cameron.

At the closing ceremony as the lesser lights were extinguished for the last time a **Senior Past Master** said It is my fraternal pleasure to express the gratitude of these Grand Lodge Officers of Doric Lodge for the services provided by these premises for them and may we continue to act as men and as Masons to raise a superstructure perfect in its parts and honourable to the builder.

Senior Warden: Brethren, we now honour the Past Masters of this Lodge, numbered 123 in total, of whom 99 have passed to the Grand Lodge above. (Senior warden proceeds to remove the L.L. depicting the Moon).

Past Master: On behalf of the Past Masters of Doric Lodge, may we offer a word of appreciation for the serenity of accommodation here provided. In the extinguishing of this L.L. may we be assured that many more Masters will be installed on these Greater Lights and that the Spirit of this Lodge Doric, will abide with each and every brother who has offered his prayers to the Almighty in these premises.

Junior Warden: Brethren, we now honour the members of this Lodge. A total of 1868 brethren have been initiated or affiliated into this lodge, of whom 118 remain. (Junior Warden proceeds to remove the L.L. depicting the Sun).

Member: On behalf of the brethren initiated and affiliated in these premises, we pay tribute to the faithful service provided us over the past 140 years. Although there were many discussions and debates, the tenets and principles of the fraternity prevailed, Brotherly Love, Relief and Truth were taught, Faith, Hope and charity were instilled in our hearts. With the extinguishing of this light, we pray peace and contentment of spirit, to go with the brethren into the unknown.

Chaplain: G.A.O.T.U., as these great lights of Masonry are being removed from this Altar, on which they have been truly and faithfully bor for 140 years may these great articles of Masonic furniture be proudly surrendered, as we reminded that while all physical material at one time must return to dust, the Spirit engendered herein will continue on into eternity. May the

Most High remind each brother who has sat within these walls, of the obligations he has entered into and enable him to carry these out to the best of his ability, SO MOTE IT BE.

GRAND MASTER: Let us go forward into a new dedication with the spirit and determination of the brethren who placed the first Volume on this altar, 140 years ago in this lodge, denominated Doric. These Great Lights, we hope, will introduce a strengthened position in Masonry in general. Worshipful Master accept these precious articles of Masonic furniture, for the safe keeping, until they are restored to the Altar and relighted. I remind you of your duty for the safe keeping of this Warrant and Minute Book, until they have been returned to Grand Lodge.

To all brethren here assembled, I say on your behalf, may the G.A.O.T.U. abide with each of you, now and forever more. SO MOTE IT BE.

Worshipful Master: Brethren, immediately upon closing there will be a moment of silence in remembrance of those who have passed before.

The final blessing; "As we are about to....."

The lights are dimmed as the L.L. are extinguished. The minute of silence is in complete darkness and after one knock the lights are slowly restored.

SCOTLAND LODGE, A.F. & A.M., No. 193 G.R.C., SCOTLAND, ONTARIO

Historical

A Masonic Lodge is reported to have been in existence in this area about the year 1839, but due to so much opposition, it did not flourish and soon was closed.

On June 8, 1867, a meeting of active Master Masons was held at the home of Bro. T. O. Prouse. It was decided to ask for dispensation to form a lodge in Scotland, Ontario and to call it Scotland Lodge.

At the regular meeting of Burford Lodge No. 106, held on June 22, 1867, it was recommended that the request of the Scotland brethren be granted, and that the Burford Lodge support their application for institution. Burford, by doing this, would automatically lose eight members to the new Scotland Lodge.

The application for a Warrant was then forwarded to R. W. Bro. Curtis, D.D.G.M. of Wilson District.

The dispensation from the Most Worshipful William Mercer Wilson, the Grand Master, having been received, the Charter Members met at the Scotland Public School on July 2, 1867.

The Charter Members were:

Worshipful Master	Wor. Bro. Frederick Mudge
Senior Warden	Bro. T. O. Prouse
Junior Warden	Bro. Charles Whitney
Chaplain	Bro. Rev. William Hay
Treasurer	Bro. Peter Pilkey
Secretary	Bro. William S. Walker

Senior Deacon	Bro. John McSim
Junior Deacon	Bro. Marcus Malcolm
Steward	Bro. B. Groom
Steward	Bro. M. Steedman
Inner Guard	Bro. C. F. Corbin

Brother Frederick Mudge opened the Lodge in the first degree.

On August 7, 1867, Bro. Mudge was installed as the first Worshipful Master of Scotland Lodge No. 193, and the other charter members were installed as the other officers.

Masonry proved very popular, as five petitions were received at the second meeting.

The first candidate was Bro. Robert Sullivan, who was initiated on October 17, 1867.

Another early candidate was Bro. Henry F. Teeter. He was Worshipful Master in 1872, 1873 and 1874. Not only was he a great mason, but a good citizen as well because they changed the name of the Village of Blackstone to Teeterville, in honour of the Teeter family.

In the early days, visitors came from great distances, quite often they were late, perhaps due to bad roads and slow horses. But visiting seemed to be very popular.

Prices in those days are very interesting when compared to prices today.

The secretary was paid 50 cents a meeting; two cords of hardwood, \$4.35; new set of collars, \$30.50; set of corner tassels \$2.

A banquet in 1893 cost 75 cents a couple, but if a member brought an extra lady he had to pay an extra 75cents. One hundred folding chairs (new) cost \$144.84.

R. W. Bro. Rev. William Hay was presented with a set of harness for his wonderful services to the lodge, and to honour him for his appointment as Grand Chaplain of the Grand Lodge of Canada in the Province of Ontario.

Twice in the year 1881 there was no lodge held. On the first occasion there were not enough members out to hold lodge, and the second time, the secretary forgot to send out the notices.

In 1895, six cuspidors were purchased for use in the anteroom.

On December 6, 1897 R. W. Bro. T. R. Atkinson, D.D.G.M. of Wilson District, installed the officers of Scotland Lodge No. 193.

The minutes of the meeting of March 3, 1902 were not confirmed, as the members were not sure that one visitor was a member of the Craft. They were confirmed at a later meeting, when he was proven to be a member.

In May 1903, the members were entertained by music from a gramophone, which was loaned by Bro. A. C. Smith.

In 1915 a bank account was opened in the Northern Crown Bank in Scotland.

In 1916 Scotland Lodge was changed from Wilson District No. 6, to Brant District No. 23.

W. Bros. Roy and Fred McEwan were the last two members initiated in the lodge rooms at the Scotland Public School. Bro. Archie Thompson was the first candidate initiated in the new Temple.

The rent for the school was \$24 per year, but one year \$10 was deducted, as the roof had leaked and damaged some of the furnishings that belonged to the lodge.

Many properties were inspected and discussed for the location of the new Temple. The lot where the present Anglican Church now stands was purchased in 1908, but it was never built on by the masons, and was resold as they purchased the present Temple in 1918.

The present Temple was dedicated on October 28, 1918.

In 1919, twelve petitions in two months were received. The aprons for these members cost only a total of \$65.

On November 8, 1920, Scotland Lodge had the pleasure of a fraternal visit from Right Worshipful Brother J. W. Prouse, a member of Washington Lodge No. 240, Buffalo, N.Y., U.S.A. His father was one of the charter members of Scotland Lodge No. 193, and was also its Worshipful Master in 1870.

Four years after the present Temple was purchased, the mortgage was burned.

In 1926, hydro was introduced into Scotland, and the candles and lamps were put away for a more modern way of lighting.

The year 1928 must have been very dry, as calcium was purchased to put on the gravel road in front of the Temple.

Scotland Lodge membership has gradually increased throughout the years. In 1892 it was 40; in 1917 it was 91; in 1942 it was 112; and in 1967 it was 167. It has started to decline to 115 in 1993 and in 2014 is just 67.

On September 15, 1967 at the 100th Anniversary Banquet of Scotland Lodge No. 193, the speaker of the evening was Most Worshipful Brother Donald J. Gunn, Grand Master of the Grand Lodge of Canada in the Province of Ontario. This centennial banquet had representation by the Masters of every lodge in Brant Masonic District. On this occasion, souvenir tumblers with the name of Scotland Lodge, and the Canadian centennial emblem imprinted on the glass, were given to each brother in attendance.

Scotland Lodge has had well over five hundred join the lodge since its institution, and it is very grateful to each and every one of them, for their time, work and money spent on masonry, for the future members to enjoy. In December 1979, Scotland Lodge No. 193 sold its premises in Scotland to the Royal Bank of Canada who demolished it, where they are intending to build a new bank.

During part of 1979 and 1980 Scotland Lodge held its regular meetings in the Temple of Burford Lodge No. 106, Burford, Ontario.

In 1980 Scotland Lodge procured lodge rooms in the building which was Oakland Public School, and which was abandoned by the Brant County Board of Education because of declining enrolment.

Some of the present members are grandsons of members of one hundred years ago, which proves masonry is still flourishing in this district.

Scotland Lodge has all of its minutes and they are in excellent condition, without which this historical record could not have been possible.

In 1967, the Centennial year of the Lodge, the Worshipful Master was W. Bro. Arthur W. Anderson who later organised the Scotland Lodge Six Nations Indian Degree Team. These brethren distinguished themselves with the excellence of their work and brought a certain fame to the lodge by making well over a hundred visits in their various native costumes to dozens of lodges in Ontario and beyond. One of the most memorable trips was a weekend visit to Vermont Lodge No. 18 in Windsor, Vermont, U. S. A. in October 1971. That Lodge made a return visit to Brant District in May 1973 when W. Bro. John R. Burnham was Worshipful Master of Scotland Lodge. A parade to St. Peter's Anglican Church was held., followed by a bountiful dinner and reception in the Ohsweken Community Centre. W. Bro. Anderson was recognized for his work with the degree team by being appointed a Grand Steward in 1972.

Around this time W. Bro. Arthur Stewart made, designed and presented to the district the large travelling and installation gavels that are still in being used today

This building, part of the former Oakland Public School built in 1943, was bought from Oakland Township in 1980, made suitable for use by the Lodge and dedicated April 3, 1982, by Most W. Bro. Howard O. Polk, at which time he also invested W. Bro. Clyde Bowman as a Grand Steward. The Worshipful Master was W. Bro. Robert Arthur.

On October 23, 1992 Scotland Lodge celebrated her 125th Anniversary with a Reception at Dunsdon Legion Hall in Brantford. Our honoured guest and speaker of the evening was Most W. Bro. Norman E. Byrne, Grand Master of the Grand Lodge of Canada in the Province of Ontario. Many Grand Lodge Officers, Brant District Masons and visitors from around the Province attended this celebration. Scotland Lodge No. 193 was officially 125 years old on June 18, 1992. The Worshipful Master was W. Bro. Douglas Bradley. .

In Dec. 2013 V. W. Bro Larry Azzopardi was installed as Worshipful Master for 7th time a Scotland record.

Scotland Lodge has continued for many years to support district events and also holds a Fathers' Day Buffet and Ladies' Night each year to help support their lodge activities.

They will celebrate their sesquicentennial in 2017.

ANY MEMBER ANECDOTES

V. W. Bro. Arthur W. Anderson was W. M. In 1967 which was the Centennial year of both Scotland lodge and Canada's Confederation. He then became the W. M. Of the Scotland Lodge Six Nations Indian degree team which comprised active native members, mostly from this Lodge, but also a few from Hiram Lodge No. 319, Hagersville, Onondaga Lodge No. 519 and Brant Lodge No. 45, Brantford. The team specialized in the Master Mason Degree and were much in demand in their colourful costumes from their various tribes, minus headdresses, as they visited numerous Lodges in southern Ontario, several states in the United States, even as far as Windsor, Vermont, whose lodge made a return visit while W. Bro. John R. Burnham was in the chair. For his efforts, the Grand Master acceded to the Lodge's request for Grand Rank for Bro. Anderson, appointing him a Grand Steward. At the 105th Anniversary of the Lodge, his son, David, presented a gift of a one-of-a-kind piece of native pottery to the Grand Master.

In recent memory Scotland Lodge has had three Worshipful Masters who each had two sons attain the chair of King Solomon. They were V. W. Bro. Thomas W. Arthur, V. W. Bro. Gordon Frew and W. Bro. A. Clare Huffman. In the latter's case he stood aside to permit his sons to precede him. W. M. W. Bro. A Clare Huffman is entitled to the initials F.C.F. after his name as he has completed the Fellow of the College of Freemasonry Masonic Education Course. V. W. Bro. Clyde Bowman also completed this course.

Appointments to Grand Rank usually are made during the annual communication of Grand Lodge but M. W. Bro. Howard Olin Polk took the unusual step of appointing V. W. Bro. Clyde Bowman to that rank on the occasion of the lodge room dedication April 3, 1982, the appointment was later confirmed at Grand Lodge.

Examination of the records discloses that only one member received two degrees at the same meeting. R. W. Bro. Robert J. Macaulay was Passed and Raised the same evening, by Grand Master's dispensation, due to his imminent departure for overseas service with the Royal Canadian Air Force in the war of 1939-45.

Scotland Lodge was the first in Brant District to begin holding an event whose popularity has spread; that is, a Sunday Brunch, which is now

combined with a Public Open House of the lodge room. The lodge has undertaken involvement in community affairs in several other ways; for example, by assisting with the cost of repaving the joint parking area which is shared with the Oakland Township Community Centre and Township Office, contributing to the Toronto and London Children's Hospitals, Oakland Township Library computer acquisition and Brantford Public Library computerized reading assist for visually impaired. The lodge recognizes its widows annually at Easter and makes a yearly donation to the Masonic Foundation of Ontario in memory of deceased brethren.

The practice of recycling Past Masters in various chairs was quite common in the lodge's early years until the membership roll had expanded to enable this to be unnecessary. R. W. Bro. Frederick Mudge, the lodge's first W. M., occupied the chair for four years; W. Bro. Thomas O. Prouse, two years; W. Bro. H. F. Teeter, three years; W. Bro. C. F. Corbin, two years; W. Bro. J. C. Shook, two years; R. W. Bro. Rev. William Hay, three years; W. Bro. L. A. Winegarden, six years; W. Bro. J. D. Eddy and W. Bro. W. E. Hooker, both two years.

In more modern times W. Bro. Jack R. Osborne, W. Bro. William Cunliffe, W. Bro. Barry Ruffley and W. Bro. Jack Frew served in the Chair of King Solomon for two years; W. Bro. Douglas G. Bradley for three years and V. W. Bro. Larry E. Azzopardi for seven years.

ST. GEORGE LODGE, A.F. & A.M., NO. 243 G.R.C., ST. GEORGE, ONTARIO

Historical

On October 3, 1870 a meeting was called at a private home in St. George for the purpose of considering the establishment of a Masonic Lodge in the village.

This meeting was attended by a number of brethren, all of whom were members of Brant Lodge No. 45, Brantford. They were Robert (Squire) Burt, Benjamin Bell, William A. Mullin, Charles F. Bell, Joseph Keefer, Dr. E.E. Kitchen, and William Austin.

Robert Burt was appointed chairman and Dr. Kitchen secretary for this meeting. It was decided to send a petition in the usual form, signed by the brethren present as charter members, to Brant Lodge for their recommendation, which would then be forwarded to the D.D.G.M. for his approval. Having obtained this, it would then be submitted to the Grand Master. This petition included the names of the brethren recommended as officers, as follows:

Worshipful Master	Bro. E. E. Kitchen, M.D.
Senior Warden	Bro. Joseph Keefer
Junior Warden	Bro. Benjamin Bell

It was decided to procure the second floor of Bro. Keefer's building for a meeting place and have it fitted up for use as a lodge room. The rental fee to be paid is not stated, nor has it been possible to learn where it was exactly located, perhaps owing to the fact that the business section of the village suffered disastrous fires on more than one occasion. (We understand that its location could have been where the Bank of Montreal is now located).

The regular meetings were to be held on the Thursday of or preceding the full moon. The reason for this was that the members would always have

moonlight nights, while driving to or from the regular meetings. This schedule was continued until 1927 when a fixed date was established for the meetings.

The first regular meeting was held December 27, 1870, on the festival of St. John the Divine, with the above named as charter members, who were all present, and with the members recommended as officers occupying their respective Chairs. In addition to his duties as Junior Warden, Bro. Benjamin Bell acted as the secretary for the ensuing year.

The dispensation from the Most Worshipful, the Grand Master, authorizing the formation of the lodge had been received, and was read to the meeting by the Worshipful Master. At this meeting four applications for membership were received from Charles Haas, John Richardson, John Forsyth, and Augustus Stinson. These applicants were all balloted for, accepted, and initiated at the next regular meeting on January 5, 1871. At this meeting several more applications were received. In all, twenty-two applications were received during the first year of the lodge's existence, and all but two were accepted.

The lodge received its Charter during 1871, and it was officially dedicated by the Grand Master, the Most Worshipful Bro. J. Seymour on January 25, 1872. This meeting was attended by a number of other Grand Lodge officers, and a great many visiting brethren from the surrounding area with a total attendance of 150.

The lodge was opened at 12:45. After the Ceremony of Dedication and the Installation of Officers, the lodge recessed at 2:50 p.m. and all partook of a sumptuous repast, held in Mr. Snowball's mill, returning at 5:15 p.m. to the lodge room for the closing exercises.

The lodge was first included in Wilson Masonic District No. 3. In 1886 it became part of Hamilton District No. 8, and still later when Brant Masonic District No. 23 was formed in 1916, it became a member lodge of that district.

The lodge must have been fairly prosperous because in 1880 an organ and singing books were purchased for the use of the members.

In 1883 a move was made to larger quarters, but unfortunately the building was severely damaged by fire in 1886, and many records were lost, but the minute books were not destroyed. Without these, there would have been little or no record of the first fifteen years of activities.

After the fire, a committee was formed to make arrangements to secure new quarters. The idea of erecting a building was considered, but instead the third floor of the building known as The Mechanic's Institute Hall was rented from W. Bro. Charles Haas, who was initiated into the lodge at the first regular meeting after its organization. The rental fee was \$65 per year. The lodge made extensive renovations at a cost of about \$600 to make it suitable for use as a Masonic Hall. The Dedication Service took place on February 3, 1887 and was conducted by R. W. Bro. Kerns, D.D.G.M. This

building was used continuously from that time until the completion of the present Temple in January 1955.

About the turn of the century the lodge made several complaints to Grand Lodge regarding other lodges encroaching on their jurisdiction.

In 1901 a request was received asking the lodge's approval for a lodge to be established at Lynden, to be known as Beverly Lodge. On a vote of the members, the request was not granted, as it was felt that St. George was entitled to that area. This request was repeated in 1904, and again was opposed. It was not until 1911 that St. George finally gave its approval and a lodge was formed at Lynden, called Lynden Lodge, which was duly consecrated on September 17, 1913.

After the death of His Majesty King Edward VII, in 1910, a Past Grand Master of the Grand Lodge of England, the Grand Lodge of Canada in the Province of Ontario ordered that three months of mourning be observed. After the outbreak of the Great War of 1914-1918, the lodge was called upon to contribute to several funds giving support to the war effort. Some of these were made through the local lodge, and some were made through the Masonic District.

Brethren of the lodge, who were members before their enlistment in the military forces were made honorary members for the duration of the war. They were Bros. Benjamin B. Patten, Howard Head, Harry Richards, Cecil R. Anderson and Benjamin B. Lucas. It is a matter of congratulations that two of these, Bro. Head and Bro. Anderson, received their 60 year jewels from Grand Lodge.

In 1921 St. George Lodge observed its semi-centennial anniversary. This event was duly celebrated on September 22 of that year, and was attended by many distinguished masons. At this meeting Right Worshipful Brother James McNeilly was invested with the regalia of his office as District Deputy Grand Master, he being the first member of the lodge to be so honoured.

After the lodge meeting the brethren proceeded to the Presbyterian Church, where a banquet was held, to which the ladies were invited. This was followed by a concert presided over by W. Bro. Daniel Burt, a member of the lodge for nearly fifty years, and was attended by W. Bro. Charles Haas, who was the first candidate initiated in our lodge.

Over the years the lodge continued to grow and to feel the need for more suitable quarters. Accordingly, in 1943 a committee was appointed with R. W. Bro. Bert Stobbs as Chairman, to look into the question of buying suitable property. An attempt was made to purchase the building in which the lodge was then located for \$15,000, but after some negotiations, the matter was dropped, and it was decided to investigate further. It was not until 1954 that definite action was taken, and after several informal meetings, a committee was formed to select a suitable site in the village, and to erect a new Masonic Temple. They were also to devise a method of

financing the project. A committee consisting of Past Masters W. Bro. James L. Patrick, W. Bro. G.A. Chatterson, W. Bro. Allan J. Rosebrugh, and W. Bro. Joseph B. Raynor was appointed as a general administrative committee with full power to act. One of its first moves was the formation of a Temple Company to handle the legal and business aspects of the undertaking.

Very Worshipful Brother W. D. Taylor generously offered to make a lot owned by him available to the lodge for the sum of One Dollar. However, the committee was able to secure a lot in a more favourable location at a very moderate price, and this former and most commendable offer was declined with thanks.

The Summerhayes Lumber Co. of Brantford offered to supply building materials at cost, and this, with similar offers from other suppliers, made possible an estimated total cost for materials of only \$7,000.

An acceptable plan of financing had also been arranged. Acting on this information, it was decided to proceed at once with construction.

A great deal of work was performed voluntarily by various members of the lodge, some of whom belonged to the construction trades. The successful completion without any undue delay was to a great extent due to the ability and untiring efforts of W. Bro. Joseph B. Rayner, who, at that time, was secretary of the lodge.

The first meeting was held in the new building on January 18, 1955, on the occasion of the Installation of Officers. The first candidate to be initiated in this new location was Kenneth Simpson, who received the entered apprentice degree at the February meeting.

From the minutes of December 6, 1955:

“R. W. Bro. Stobbs gave Notice that he would move or cause to be moved at the February regular meeting, that R. W. Bro. Harry L. Martyn, Deputy Grand Master, be made an Honorary Life Member of St. George Lodge to commemorate the occasion of his Officiating at the Dedication of St. George Masonic Temple; it also being the first occasion on which St. George Lodge has been honoured by an official visit of an Active Grand Lodge Officer.”

From the minutes of February 7, 1956:

“To conform with the Notice of Motion of R. W. Bro. Stobbs at the December regular meeting, it was moved by R. W. Bro. Stobbs, seconded by W. Bro. S. E. E. Wait, that R. W. Bro. Harry L. Martyn, Deputy Grand Master, be made an Honorary Life Member of St. George Lodge, he having been invited to officiate at its Dedication.” Carried.

The official dedication of the Temple took place on November 18 of that year, and was conducted by R. W. Bro. Harry L. Martyn, Deputy Grand

Master, assisted by a large number of ruling and past Grand Lodge officers. Following the dedication, a banquet was held in the community hall.

The new Temple, erected at an actual cost of \$10,000, is constructed of concrete blocks with ranch siding trim. The interior appointments are modern and efficient, with a fully equipped kitchen contained on the lower floor.

A point of interest occurred in October 1969. The International Plowing Match was being held in Brant County, north of Paris. Through the efforts of some of the members, the lodge was able to raise money by the parking of cars at the match. This effort resulted in a sum of about \$1,100 which helped reduce the debt on the mortgage of the lodge.

Also, on May 4, 1976, a cheque for \$500 was presented to St. George Lodge No. 243, as a bequest from the estate of the late Very W. Bro. John E. Westbrook.

Another bequest was made in the amount of \$1,000 from the estate of the late Brother Arthur Bennett.

It is gratifying to be able to state in conclusion of this episode that the Temple Building is now entirely free of debt, thanks to the consistent efforts of the brethren.

To date, six members of the lodge have filled the office of District Deputy Grand Master. They are R. W. Bros. James McNeilly, elected in 1921; Bert Stobbs, elected in 1941, Errol Wait, elected in 1958; Clare Parsons, elected in 1971, Kenneth R. Goodbrand, elected in 1988 and most recently, Frederick Jorma Kalliokoski elected in 2001.

In examination of the minutes, many items of human, rather than purely historical interest have come to light, of which the following are some examples:

W. Bro. E. E. Kitchen, M.D., who was the first Worshipful Master, held that position for fifteen of the first eighteen years in the life of the Lodge. His tenure was not continuous as there were some periods in which others held that position.

In 1900 the lodge loaned \$200 to a brother for as long as he needed it.

In 1901 a charge of felonious conduct by stealing was brought against a brother, and a masonic trial ensued, at which he was not present, he being at the time confined to prison for the offence. At the trial the lodge voted to suspend him indefinitely, and to recommend to Grand Lodge that he be expelled.

In 1894 a motion was passed that notices of meetings were to be delivered only "in person" to a certain member of the lodge, who was later suspended for non-payment of dues.

On February 17, 1889, there was a serious accident at the railway bridge at St. George in which quite a number of people lost their lives. Bro. I. K. Marshall, the Junior Warden of Regina Lodge, and his wife were injured in the accident. A letter was later received from his lodge thanking the brethren of St. George Lodge for the care bestowed on them. Another letter came from Clifton Lodge No. 254 at Niagara, thanking the lodge for the care given to Bro. George Margretts and Bro. George Marshall and his wife who had also been injured in this accident.

In June 1964 the lodge was visited by W. Bro. John J. Greenfield of California, who had occupied the Master's Chair in St. George Lodge in 1913-14, fifty years previously.

In 1967 a committee was appointed with W. Bro. Clarence Rosebrugh as the Chairman, in an endeavour to increase the number of members donating blood to the Red Cross Clinic at Brantford. This effort was evidently successful, as a letter was later received from the clinic expressing appreciation of the considerable number who had attended. With such a spirit among its members, and with no mortgage outstanding on its Temple, this lodge is in an excellent position to go on to even greater successes in the future.

St. George Lodge No. 243 has reached the anniversary of its 125th year. The celebration was held on October 25, 1996 at the Paris Fairgrounds with Most W. Bro. Durward I. Greenwood, Grand Master of the Grand Lodge of Canada in the Province of Ontario attended.

In 1998 Bro. Ray Bamsey crafted & presented new chairs for the Chaplain, Senior Deacon and Senior Steward.

In 2001 W. Bro. Ken Grisewood presented to the Lodge two brass columns bearing Masonic emblems made from artillery casings by a soldier in the trenches in the First World War.

In 2002 the starting time of the meetings was changed to 7:30 p.m. from 8:00 p.m. as there were no longer any active farming members who required the extra time to do chores. Mrs. Ruth Meyer returned to the lodge a large silver tray which was presented to her great Uncle R. E. Bro. Robert Stobbs when he was elected DDGM in 1941.

Many improvements have been made to the Lodge Building during the 2000's. Some significant ones are as follows: a new roof, new drapes and thermopane windows. A new furnace and air conditioner was installed thanks to a bequest from the estate of R. W. Bro. Kenneth Goodbrand.

St. George assisted in the funding the Brant Masonic building at the Brantford Children's Village as our 150th Grand Lodge Anniversary project.

M. W. Bro. John C. Green, Grandmaster of the Grand Lodge of Canada in the Province of Ontario was present at St. George Lodge No. 243 on Tuesday March 7, 2017 to dedicate the new Mosaic Pavement made by the 1980 Masters of Hamilton District "A". A large number of masons were present.

St. George Lodge No.243 celebrated their 150th anniversary virtually via the ZOOM platform on Tuesday March 2, 2021. We had the Grand Master of the Grand Lodge of Canada in the Province of Ontario, M.W.Bro. David Cameron, the Deputy Grand Master, R.W.Bro. Thomas Hogeboom and both Grand Wardens, R.W.Bro. Graeme Boyce and R.W.Bro. Mark Kapitan present.

V.W.Bro. Ron Rowe Sr. presented a short history of St. George Lodge from 1871 to the present.

Each Grand lodge officer congratulated St. George for our 150th year milestone.

M.W.Bro. Cameron gave a presentation on the history of Masonry, even making a connection to Noah.

Once the province gets the all clear from Grand Lodge to return to lodge, we will have an official celebration which will include the new Grand Master.

St. George Lodge celebrated her 150th Anniversary on Sept. 9, 2023 in the presence of M. W. Bro. Thomas W. Hogeboom, Grand Master of the Grand Lodge of Canada in the Province of Ontario at the Hellenic Community Centre with many Grand Lodge officers, members and other visitors present.

St. George Lodge continues to hold its family BBQ Pork Roast that V. W. Bro. Ernie Sager has headed and the members have rallied behind to raise funds to maintain the Lodge building and support local Community projects. They have made many donations to the Boy Scouts, Girl Guides and other worthy local organizations.

HIRAM LODGE, A.F. & A.M., No. 319 G.R.C., HAGERSVILLE, ONTARIO

Historical

In August 1873, several members made representation to St. John's Lodge, A.F. & A.M., No. 35 G.R.C., Cayuga, regarding the formation of a new lodge at Cheapside, Ontario.

On January 8, 1874, a communication was received by St. John's Lodge No. 35, Cayuga, from several brethren residing in the neighbourhood of Cheapside, asking for a recommendation from St. John's Lodge No. 35, for the establishment of a lodge at Cheapside. On motion, seconded, and passed, their request was complied with and a communication was sent to the District Deputy Grand Master of Niagara Masonic District.

From Grand Lodge Proceedings of July 8 and 9, 1874:

R. W. Bro. Robert Kemp District Deputy Grand Master

Dispensation being granted by Grand Lodge, the first meeting of Hiram Lodge A.F. & A.M., No. 319 G.R.C., was held in the Masonic Hall at Cheapside on July 22, 1874.

The Masonic Hall at this time was located over the newspaper office of the "Cheapside Wasp", which was in the rear portion of the Post Office Building, and located on the south-west corner of the Cheapside Road and Concession 2, of Walpole Township. The location at that time was known as Part No. 1, Lot 18, Concession 2, Township of Walpole, and the corner

in Cheapside was known as the corner of Queen and Church Streets—the premises in those days being owned by Moses Atkinson. This building burned approximately 1904.

A Petition for Initiation was received at this first meeting on July 22, 1874, from Alfred Goodwin, who was the first candidate in Hiram Lodge, and he was initiated on August 26, 1874.

From Grand Lodge Proceedings of 1875:

Pages 76, 77 - The Most Worshipful Grand Master renewed his dispensation for the carrying on of Hiram Lodge in Cheapside, Ontario

The Charter or Warrant of Constitution from Grand Lodge was issued on the 22nd day of July, 1875, just about a year from the date of the first meeting of the lodge, and it was executed by the Most Worshipful Brother James Kirkpatrick Kerr, Grand Master; and Right Worshipful Brother W. H. Weller, Deputy Grand Master, and Right Worshipful Brother J. J. Mason, Grand Secretary.

Over the years Hiram Lodge has been honoured by seven R. W. Bros. and 12 V. W. Bros. Two of our brethren M. W. Bro. George Derby and M. W. Bro. Birdsall were Grand Masters of the Grand Lodge of British Columbia. Instituted in 1874, Hiram Lodge No. 319 has been blessed by Masters who have served in that capacity for more than one term. W. Bro. Jesse Hoover, two years; V. W. Bro. George Sherk, M. D., ten years; W. Bro. Robert McDonald, two years; W. Bro. Joshua Howard, two years; W. Bro. William Forman, two years; W. Bro. Allen J. Sayer, two years; W. Bro. Lawrence Shoup, two years, W. Bro. Clive Shepherd, three years, W. Bro. Richard Eyre, two years and W. Bro. Jeffery Topp, two years.

The Charter Members were:

Wor. Bro. Jesse V. Hoover
Bro. George Sherk, M.D.
Bro. Aaron Hobbs
Bro. James Smyth
Bro. James M. Hobbs
Bro. Robert Wood
Bro. John Weiderick
Bro. Thomas Newby
Bro. William Lyle
Bro. Homer H. Sovereign
Bro. Theobald B. Barrett
Bro. Moses Atkinson

On the Charter it was noted that the meeting night was “on the Wednesday, on or before the full moon of every month”. The full moon at this time of the month provided light to those who travelled to lodge by horseback, walked or drove in carts, to see their way over the rough roads that were prevalent in those days.

The period that Hiram Lodge No. 319 was situated at Cheapside, was a building-up period, when the lodge was attempting to increase in numbers, but it did not increase very rapidly. From 1874 to 1887 there were 59 degrees conferred, or an equivalent of 20 new members; four were accepted by affiliation, but during this same period one member died, eighteen were granted their demits, which altogether netted an increase of five members. These five, added to the original number, still amounted to quite a small number with which to operate a lodge.

During the first thirteen years at Cheapside, the masters had a very difficult time. They had to conduct Lodges of Instruction, carry out all Installation of Officers, as well as preparing candidates for their respective degrees, preparing for meetings, and attending Grand Lodge.

May 4, 1887 A communication was received regarding the consideration of moving the Charter from Cheapside to Hagersville.

Aug. 3, 1887 A deputation consisting of Bro. P. E. Jones, M.D., of St. Andrew's Lodge No. 62, Caledonia; Bro. Joseph Husband, Langton Lodge No. 335, Langton; Bro. Joshua Howard, Enneskillen Lodge No. 185, York; Bro. James Simon, King Solomon Lodge No. 329, Jarvis, presented a proposition to the members of Hiram Lodge No. 319, providing that the Charter was removed to Hagersville, Ontario.

Sept. 8, 1887R. W. Bro. Charles G. McDermott, District Deputy Grand Master of Niagara Masonic District No. 10, gave written consent to the removing of the Charter from Cheapside to Hagersville, Ontario.

Sept. 14, 1887 Arrangements were made to remove the furniture from Cheapside to Hagersville, Ontario.

Sept. 28, 1887 the first meeting of Hiram Lodge No. 319 was held in Hagersville. Life memberships were granted to former members of Hiram Lodge, while it was at Cheapside.

This first meeting in Hagersville, on September 28, 1887, was held in premises owned by W. Bro. Joshua Howard (on Main Street N., a few doors north of King Street, and on the east side of the street).

At this first meeting in Hagersville there were eight Petitions for Affiliation presented to the lodge. This certainly gave a great moral lift to the lodge, and increased interest tremendously.

The first candidate initiated into Masonry, after Hiram Lodge No. 319 was relocated in Hagersville, was Worshipful Brother Robert J. Catherwood, who was initiated on January 25, 1888, along with Brother Sylvanus Dixon and Brother William M. Webb.

On February 22, 1888, the meeting night was revised to “the first Thursday, on or before full moon of every month”.

Its next landlord was the Bank of Hamilton, which was located on the north-east corner of Main and King Streets, and the lodge hall was on the second floor. (This location was dedicated on February 11, 1890 by Right Worshipful Brother William Jaques, D.D.G.M. of Niagara Masonic District No. 10).

On February 20, 1908 the lodge room above Brother Charles J. Heaslip's store was dedicated by the Most Worshipful Brother A. T. Freed, Grand Master of the Grand Lodge of Canada in the Province of Ontario.

On March 16, 1916 a lodge room in the Almas Block (on the west side of Main Street N.) was dedicated. This building was owned by Worshipful Brother David J. Almas.

On December 4, 1924 the Most Worshipful Brother W. J. Drope (who was D.D.G.M. of Niagara Masonic District No. 10 in 1902), dedicated the lodge room over the Regah Theatre. These premises were owned by Worshipful Brother Howard Hager. Fire destroyed these premises on the night of June 14, 1925.

From this time until quarters were rebuilt, the lodge meetings were held in the Jarvis Masonic Hall, and in the I.O.O.F. Equity Lodge No. 202 Hall, Almas Block, Hagersville.

On April 29, 1926 the rebuilt lodge room was dedicated by Right Worshipful Brother, the Hon. J. S. Martin, Deputy Grand Master.

On May 3, 1928 the meeting night was again changed to “the second Thursday of each month” which has been kept to the present time.

Worshipful Brother "Boyce" Smith, on April 10, 1947, appointed Worshipful Brother George H. Smith, Worshipful Brother Douglas G. Mounteer, and Right Worshipful Brother Charles S. Graham as a delegation from Hiram Lodge to attend the meeting of the District Masters', Past Masters', and Wardens' Association to be held at Scotland, in connection with the method of electing of the D.D.G.M. each year from Brant Masonic District.

The building which housed the lodge rooms was sold to FotoNite Amateur Co. who required the premises for other purposes, and asked the lodge to vacate as soon after January 1, 1952 as could be arranged. This led to the acquiring of the property at 23 Main Street South Hagersville where the lodge is now situated. The work of getting the premises into its present shape got under way, and it was occupied in January 1953, and on March 24, 1953 it was dedicated by the Right Worshipful Brother H. L. Martyn of Toronto, who was the Chairman of Masonic Education for Grand Lodge at that time, and who became Grand Master in 1957. In attendance at this dedication was the Most Worshipful Brother Bruce B. Foster, who at that time was a member of the Board of General Purposes of Grand Lodge, and who became Grand Master for 1969-71.

The first degree work in the lodge at its present location was on January 22, 1953, when Brother Robert H. Honeyman and Brother George E. Bagley were passed to the second degree of Masonry.

"The charge that the Masonic Order is anti-Christian and that members of the church will be expelled if they do not withdraw from Masonry at once, has split the quiet, prosperous little village of Fisherville into two hostile camps." So read an article published in the Hamilton Spectator on May 10, 1950.

It appears Rev. W. D. Bauer, of Trinity Evangelical Lutheran Church, Fisherville, was the leader of the hostile camp, who was trying to force expulsion from the church of Worshipful Brother Earl William Benner, Brother Bruce Fess, and Worshipful Brother George N. Mehlenbacher who were members of Hiram Lodge No. 319, Hagersville, if they did not at once withdraw as members of the Masonic Order.

It was Rev. Mr. Bauer's contention that the Order was not a Christian one, and that it would be impossible for a man to try to be a lodge member and a Christian.

The three masons contended that they were as staunch believers in the Christian faith as anyone, and that membership in the Masonic Order did not affect their beliefs.

The lodge as a whole tried to keep apart from this incident, but practically every member viewed with particular interest the result of the vote that followed in Trinity Church, Fisherville.

Worshipful Brother Glen Green donated a new all-blue carpet, laid in the anteroom of Hiram Lodge.

During the summer months of 1979, Hiram Lodge hall was given another renovation job, when the walls were insulated, covered with panel board, and new lighting was installed, and a new all-blue carpet was laid in the lodge room. This made a very commendable difference to the appearance of the lodge hall, and it is a compliment to those who volunteered their time and labour to complete it.

The Constitution of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario, Page 56, Section 150(a), and adopted July 19, 1979, to become effective January 1, 1980 reads as follows:

“Any Masonic Temple Corporation, or other masonic body having the management or control of a Craft Lodge Room may permit the use thereof for meetings and ceremonials to: (v) The Grand Chapter of Ontario, Order of the Eastern Star and the Chapters.”

At the regular meeting of Hiram Lodge No. 319, held on February 15, 1980, it was passed by a majority vote that Alpha Chapter, Order of the Eastern Star, Hagersville, be permitted to use the Hiram Lodge facilities for the purposes of holding its regular and emergent meetings.

In 1967 The Six Nations Indian Degree Team was formed under the direction of V. W. Bro. Arthur W. Anderson of Scotland Lodge and W. Bro. William W. Bradley of Hiram Lodge. (See Six Nations Indian degree team for more information). On April 26, 1985, V. W. Bro. John R. Bradley was senior warden on a reinstated Six Nations Degree Team which was originally formed in 1967 by V. W. Bro. Arthur W. Anderson. They exemplified the Third Degree in many Lodge Halls in Canada as well as the United States. This special reenactment was exemplified at the Scottish Rite Cathedral in Hamilton. This Degree Team in full Indian Dress exemplified the third degree to a full house of Masons. The money raised (\$2100) was used to help Brant District install a \$20000 organ in the First Royal Chapel, Mohawk Chapel in Brantford. V. W. Bro. William Bradley and W. Bro. William White were members of the original team in 1967. The 1985 team had 9 Hiram Brethren on the team.

Over the more than one hundred years of existence of Hiram Lodge No. 319, there have been over 600 names entered on its Record Book, as members either by initiation or by affiliation.

After thirty years as secretary R. W. Bro. Oliver Sayer resigned in 1994. W. Bro. Vincent McCurdy was invested as Secretary.

After thirty years from the time that R. W. Bro. Reuben Shoup was invested as D. D. G. M. of Brant Masonic District, his son R. W. Bro. Robert W. Shoup received that honour.

Over the years Hiram Lodge has been honoured by seven R. W. Bros. and 12 Very W. Bros.

Two of our brethren M. W. Bro. George Derby and M. W. Bro. Birdsall were Grand Masters of the Grand Lodge of British Columbia.

In 1997 Hiram Lodge tried an experiment with a different Past Master taking the Chair of King Solomon each meeting night. This was done as the present master is now serving his third term in office.

On March 13, 1999 Hiram Lodge celebrated her 125th Anniversary with a District reception at the Hagersville Legion, the guest speaker of the evening was Most W. Bro. William T. Anderson, Grand Master of the Grand Lodge of Canada in the Province of Ontario. His topic was on the allegiance of the Indian people to the United Empire Loyalists and to Great Britain.

KING SOLOMON LODGE, A.F. & A.M., No. 329 G.R.C., JARVIS, ONTARIO

Historical

From the records of Erie Lodge No. 149, Port Dover, Ontario, have been obtained the following items that are relative to King Solomon Lodge No. 329:

May 29, 1871: A communication dealing with a petition from the local Masons of Jarvis, asking consent of Erie Lodge Brethren for the establishment of a Lodge in Jarvis. The petition was granted.

Dec. 21, 1874: Jarvis Masons, after nearly four years, had not been granted a Charter for their new Lodge, to be called "King Solomon Lodge", were asking Erie Lodge to again recommend their petition to Grand Lodge.

Under dispensation from the Grand Lodge of Canada in the Province of Ontario, King Solomon Lodge No. 329 was first opened on the 14th day of May, 1875, by R. W. Bro. D. E. Broderick, D.D.G.M. of Niagara Masonic District No. 7.

By order of the D.D.G.M., W. Bro. John A. Hoshal assumed the Gavel and exemplified the Opening and Closing in the several degrees.

The Charter Members were:

Worshipful Master	W. Bro. John A. Hoshal
Senior Warden	Bro. Frank Hartwell
Junior Warden	Bro. John R. Benson
Secretary	Bro. John Heasman
Director of Ceremonies	Bro. David L. Hind
Charter Members	Bro. James D. Crichton

Bro. James Elmer
Bro. William Dochstader
Bro. Dibble Dennis
Bro. Thomas Burt
Bro. William A. Howell, M.D.
Bro. Allen Shanks
Bro. William Montgomery
Bro. Nelson Noble

The first four meetings were held in the Dochstader Hotel.
Lea's Hall was then procured and occupied for the next ten years.

On June 24 (St. John's Day) 1885, the lodge transferred to the Whittaker Block where it remained for the next sixty-eight years. The lodge was dedicated on June 24, 1885 by R. W. Bro. William Gibson, D.D.G.M. of Niagara Masonic District No. 7. Dedication ceremonies were also conducted in 1910 by R. W. Bro. James E. Merriman, D.D.G.M. of Niagara Masonic District No. 10.

The lodge moved to 17 Main Street N., Jarvis, Ontario, in April 1953, when the members of King Solomon Lodge No. 329 purchased the building, the lodge was dedicated on June 11, 1954 by R. W. Bro. Harry L. Martyn of Toronto, acting on behalf of the Grand Master.

(It is of interest that the Lodge Hall on Highway No. 6, being the former Post Office at Jarvis, was the home of the Jones family. Mr. E. F. Jones was the Post Master. Mr. Jones was the father of Mrs. Orton James Newell. R. W. Bro. Orton James Newell was Master of King Solomon Lodge in 1914 and 1915. R. W. Bro. Alan N. Newell is their son and both these masons have played significant roles in the Masonic life of this district and whose names are recorded elsewhere in this history.)

On August 13, 1875 a motion was made to secure furniture and necessary furnishings for the lodge at a cost of \$24.50, also to secure a lodge Seal, Columns, Pedestals and six spittoons.

On June 18, 1886 members of Grand Lodge assembled in Jarvis for the purpose of laying the cornerstone of the new Presbyterian Church. A large number of brethren came from Hamilton by a special car attached to the regular train. On their arrival, the brethren were met by members of King Solomon Lodge, and many visitors from all parts of the jurisdiction were present. The visitors were taken to the American Hotel, where they were made comfortable by the landlord, Bro. David Hill, who was secretary of King Solomon Lodge* At 2:30 p.m. the brethren assembled at the church where a platform had been erected for the occasion. Seated on the

platform were the Grand Master, Most Worshipful Brother Hugh Murray, and the Deputy Grand Master, Right Worshipful Brother Tipton.

The proper implements having been applied by the Grand Junior Warden, the Grand Senior Warden and the Deputy Grand Master, it was ascertained that the craftsmen had done their duty. The Grand Master then said, "Having full confidence in your skill in our royal art, it remains for me as Grand Master, to finish the work." Three knocks were then given the stone with the gavel and he said, "Well made, truly laid, well proved, true and trusty."

The metallic case which was placed in the cornerstone contained coins of the Dominion of Canada, copies of the Globe, the Mail and Empire, Hamilton Spectator, Jarvis Record, Presbyterian Record, and the Bylaws of King Solomon Lodge.

Following the laying of the cornerstone, Bro. Bryce Allen, Chairman of the Building Committee, presented the Grand Master, Most Worshipful Brother Hugh Murray, with a very handsome silver trowel on behalf of the members of the church. The Grand Master, in thanking them, stated he would cherish it while he lived and would pass it on to his children as an heirloom. In later years the family of the Grand Master presented the trowel back to the church, where it now hangs in a glass case in the entrance. At the time of the ceremony, Rev. John Wells was the minister of the church, and was also Worshipful Master of King Solomon Lodge No. 329.

On March 10, 1922, the Masonic brethren, together with lady friends and a few invited guests, gathered in their beautifully and completely equipped lodge room to witness the unveiling of the memorial tablet erected to the memory of members of the local lodge who enlisted in World War I for humanity and the maintenance of true democratic ideals. Four of the brethren gave their services, and two of them had paid the supreme sacrifice. Rev. Bro. A. W. Hare led the gathering in prayer. Mrs. John Hair, wife of the oldest mason present, was invited to draw aside the Union Jack which hid the tablet from the public gaze, which task she accomplished in a truly regal manner. The names engraved on the memorial tablet were: Chester Rodgers, George B. Manson, Herbert Williamson and Rev. George Shields. The first two paid the supreme sacrifice; the last two returned home. The gathering then assembled at the Commercial House where a banquet was prepared and one hundred sat down and enjoyed the bounteous feast provided. The special speaker for the evening was Rev. Bro. J. M. Whitelaw, minister of Hagersville Presbyterian Church.

June 8, 1925 was when the Semi-Centennial anniversary was celebrated. Lodge convened at 3 p.m. with Work in the First Degree. At 8 p.m. a banquet was tendered in the Jarvis Arena. Many prominent members of the Craft were in attendance. The meeting was addressed by the Grand Master, the Most Worshipful Brother W. J. Drope. A notable feature of the evening was the presentation of Honorary Life Membership Certificates to R. W. Bro. William Jaques, M.D., P.D.D.G.M., and W. Bro. John Hair for their services to the Craft in general and to King Solomon Lodge in particular. On October 2, 1925 a special guest was present to address the lodge, in the person of R. W. Bro. the Honourable J. S. Martin, Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario, who was also a member of Erie Lodge No. 149, Port Dover, Ontario.

As W. Bro. R. Emerson Miller had been appointed a Grand Steward of the Grand Lodge of Canada in the Province of Ontario, and was also Secretary of King Solomon Lodge, a special meeting was arranged without his knowledge, in order to arrange a suitable evening to honour him in recognition of his past forty-five years of service to the lodge, which had culminated in this recent appointment as a Grand Steward.

On September 10, 1948 Very Worshipful Brother Miller, being a true Scotsman, was thrilled at being escorted into the lodge room by V. W. Bro. William Johnson of Simcoe playing the bagpipes. R. W. Bro. J. J. Parsons presented V. W. Bro. Miller with the regalia of a Grand Steward.

The final meeting of King Solomon Lodge in the Whittaker Block, was held on June 16, 1950 after sixty-five years of occupancy. The Building Committee spent many hours of labour trying to find a new home for the lodge meetings, but had little success. For the next eight months the brethren met in the I.O.O.F. Temple, and the Grand Lodge officials then ordered that the meetings must be held in a Masonic Temple. As a result, meetings were held in the Masonic Temple, Port Dover, for several months.

On March 26, 1983, the Members of King Solomon Lodge No. 329, held a Ladies Night, Dinner and Dance in the Nanticoke Community Hall, Nanticoke. An excellent turn out and a very entertaining evening was hosted by the Worshipful Master, W. Bro. John Brown and his wife Barbara. The gathering was honoured by the attendance of Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario, R. W. Bro. Dr. Ronald Groshaw and his wife Barbara of Islington, and District Deputy Grand Master of Brant Masonic District, R. W. Bro. Ralph Charters and his wife Margaret of Waterford. Various Lodges from across the District were in attendance and a very good time was had by all. The attendance of the Deputy Grand Master was a first for King Solomon Lodge.

The Masonic Education Committee of the Grand Lodge of Canada in the province of Ontario instituted The College of Freemasonry to increase the Masonic knowledge of the members. The course was open to all members of the Craft for a nominal fee. W. Bro. Harry W. Reynolds completed the course and was granted the designation, AFellow of the College of Freemasonry@ by certificate dated November 15, 1985 from the Grand Lodge of Canada in the Province of Ontario.

On May 16, 1995 a momentous event took place in King Solomon Lodge. V. W. Bro. Alfred J. Walker was honoured by the presentation of a Seventy Year (70) button for membership by his son, R. W. Bro. L. Orvil Walker and a Sixty Year (60) Past Master button by his Grandson Bro. Robert E. Walker. R. W. Bro. Albert Barker, P. G. S. W., on behalf of the Grand Master, M. W. Bro. C. Edwin Drew acted as Master of Ceremonies and presented V. W. Bro. Walker with a Maple Leaf Masonic pin. Many members and visitors from the District were in attendance.

King Solomon Lodge was active in community affairs. On June 1, 1995 W. Bro. Larry Stallwood presented a sizeable donation to Mr. Ralph Fess of the Fund Raising Committee for the New Jarvis Public Library building fund. Also, on December 21, 1995 W. Bro. Stallwood made a large donation to Ms. Brenda Wright of the Fund Raising Committee for the Jarvis Public School playground equipment.

On February 20, 1996 W. Bro. Gordon P. Blight was presented with a Fifty year (50) button by the Worshipful Master of King Solomon Lodge R. W. Bro. Kenneth Schweitzer. Many members and visitors were present.

In 1997 the Members of King Solomon sold their property on highway No. 6 in Jarvis. After making an agreement with the Odd Fellows and completing renovations the two will share the same hall on highway No. 3 in Jarvis. On September 18, 1997 King Solomon Lodge held her first meeting in the new premises. This is a lovely temple which is much larger than the old one. R. W. Bro. Kenneth Schweitzer was installed as the first Worshipful Master in the new temple on Tuesday December 16, 1997.

On October 21, 2000 the Officers and Members of King Solomon Lodge No. 329 celebrated their 125th Anniversary with a District Reception held at the Jarvis Community Centre with R. W. Bro. Terence Shand, Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario as the special guest and speaker of the evening.

The 1st MasoniCHIP programme was held in Jarvis at Cornfest in October 2007. After this trial run guidelines were laid down for the programme to operate in our jurisdiction.

On May 23, 2008 The Grand Master M. W. Bro. Allan J. Petrisor and a large contingent of Grand Lodge officers, members and visitors dedicated King Solomon Lodge No. 329 premises on Talbot St. in Jarvis. A reception in honour of the Grand Master was held following the Dedication.

Historical

In 1901 a request was presented to St. George Lodge No. 243, St. George, asking that lodge to approve the formation of a lodge of Free Masons at Lynden, to be known as Beverly Lodge. On a vote of the members, the request was not granted, as it was felt that St. George Lodge was entitled to the masons from that area.

This request was repeated in 1904 and was again opposed. It was not until 1911, that St. George finally gave its approval to the formation of a lodge at Lynden to be known as Lynden Lodge.

Seymour Lodge No. 272, Ancaster, Ontario, on January 2, 1912, passed a resolution which was forwarded to Grand Lodge imploring Grand Lodge to grant a dispensation for the formation of a new lodge of Free Masons at Lynden.

The names of those who made application for the institution of the new Lynden Lodge were:

Bro. E. A. Stewart	St. George Lodge No. 243, St. George
Bro. Howard L. Knox	St. George Lodge No. 243, St. George
Bro. Thomas Hull	St. George Lodge No. 243, St. George
Bro. Robert Clark	St. George Lodge No. 243, St. George

Bro. Ephraim Weaver
Bro. George Pirie

Frederick Lodge No. 217, Delhi

The Lynden Lodge was to serve masons in an area that included Lynden, Troy, Sheffield, Rockton, Copetown, Jerseyville, Alberton and Weir.

From the Grand Lodge Proceedings of 1912, Page 311: Report of the Board on Warrants:

We recommend that the dispensation granted to the following Lodge be continued for another year: Lynden Lodge, Lynden - no work has yet been done by this Lodge.

A. J. Young, Chairman

Moved by Right Worshipful Brother W. D. McPherson, and seconded by R. W. Bro. A. J. Young, and RESOLVED that the Report of the Board of Warrants be received and adopted.

From the Grand Lodge Proceedings of 1913, Pages 305 and 306: Report of the Board on Warrants:

We have examined the minute books and records of all the Lodges now under dispensation, which have been submitted to us, and we recommend that warrants be granted to the following:

No. 505, Lynden Lodge, Lynden, Ontario

A. J. Young, Chairman

Moved by R. W. Bro. W. D. McPherson, and seconded by R. W. Bro. A. J. Young, and RESOLVED that the Report of the Board on Warrants be received and adopted.

From the Grand Lodge Proceedings of 1914, Page 90:

Warrants for New Lodges have been issued as follows: No. 505, Lynden Lodge, Lynden, Ontario

Lynden Lodge No. 505, Lynden, Ontario held its first regular meeting on July 9, 1912, in rooms above a store on the corner of Barnabus and Main Streets, then known as Pirie's Store. The store during the intervening years changed hands many times; however, the regular meetings of Lynden Lodge continued to be held there until 1958 (the owner at this time was J. B. Robertson).

The Warrant of Constitution was dated on July 16, 1913, and was signed by the Most Worshipful, the Grand Master Aubrey White; Right Worshipful

Brother, the Grand Secretary, R. L. Gunn; and Right Worshipful Brother, the District Deputy Grand Master, W. H. Wardrope.

The Charter Members were:

W. Bro. John Kitchen Jones	Worshipful Master
Bro. Robert Clark	Senior Warden
Bro. Elmer Alexander Stewart	Junior Warden
Bro. Walter Weaver	Bro. Robert Adam Thompson
Bro. George Pirie	Bro. Emerson Clement
Bro. Amos Dymont	Bro. Edwin Taylor
Bro. William Doherty	Bro. Harry C. Morrison
Bro. Thomas Long	Bro. Ephraim Weaver
Bro. Norman Able	Bro. James Rous
Bro. Andrew Searls	Bro. Thomas Hull
Bro. Gilbert Filshie	
Bro. Howard L. Knox	
Bro. Edward Sheppard	

A great deal of credit is due to the charter members of Lynden Lodge for their commitment and energy in keeping the lodge operating until it got well established.

As with most lodges, there have been many difficulties during its operations. One difficult period in particular was during the depression years when there were few, if any initiations and dues were usually in arrears. It was then that some members gave extra financially, in order that the lodge would survive.

However, following the war years (1939-1945), there was an increase in membership, as well as an improvement in finances and the lodge began to grow again.

After much planning and deliberation, a new Temple was conceived, probably about 1948, with Right Worshipful Brother Leonard S. Meiler acting as the Chairman of the Building Committee.

A site for the new Temple was chosen in the northern part of the town, just north of the Lynden Memorial Park. The lot was purchased for \$800 in the early 1950's.

The excavation for the basement of the Temple was started by some of the members, but it proved to be too difficult for their small machines, and so a local contractor was hired to finish the job.

Most of the lumber for the building was purchased in South River, Ontario and was transported to the building site by R. W. Bro. Leonard S. Meiler and W. Bro. Murray Betzner.

The blocks for the building were purchased locally. These blocks for the basement and walls were laid by lodge members under the supervision of W. Bro. R. Stupel of St. George Lodge No. 243, who gave much of his time and labour to this project.

The erection of the building was overseen by a local builder, Martin Dunham, who directed the lodge members who assisted in the work.

W. Bro. Gordon Robertson, an electrician and a member of the lodge assisted by other members, looked after wiring the building.

The well (water) and the plumbing were also looked after by lodge members, and only the septic system and the bathroom facilities were purchased.

The first stone for the driveway was donated and delivered by W. Bro. Murray Betzner.

The heating system was not installed when the building was opened, but at a later date.

Practically all of the work that could be done by members was done without any remuneration.

When the Lynden Masonic Temple was completed, it was free from all debt and it has remained that way ever since.

Any improvements that have taken place since the erection of the Temple have been done when time and finances would permit.

The following improvements have been made to the Temple since 1958: the basement finished and decorated, a heating system installed and the kitchen remodeled.

The Lynden Masonic Temple was dedicated on June 6, 1958 by R. W. Bro. M. C. Watson, assisted by Grand Lodge officers.

Thus, with the need for new lodge quarters and the foresight and determination of the members of Lynden Lodge No. 505, the present Masonic Temple was erected to the Glory of God and to the benefit of the Craft.

Lynden Lodge No. 505 observed its 50th anniversary in conjunction with Ozias Lodge No. 508 and Reba Lodge No. 515, Brantford, Ontario, at the Brantford Masonic Temple 192 Greenwich Street, Brantford, in May 1963.

This occasion was sponsored by the Brant Masonic Masters', Past Masters' and Wardens' Association as a joint effort to honour the Most Worshipful, the Grand Master, Most Worshipful Brother R. Treleven, as well as the 50th anniversary of the three lodges.

The District Deputy Grand Master during this term was R. W. Bro. Charles H. Hinan, and the Worshipful Master of Lynden Lodge No. 505, Lynden, was W. Bro. Kenneth Goodbrand.

During the years (1912-2008, Lynden Lodge has had six (6) District Deputy Grand Masters; four (6) Grand Stewards; ninety-four (94) Worshipful Masters and eleven (17) Secretaries.

At the present time, the Order of the Eastern Star holds its regular meetings in the basement of Lynden's Temple.

The history of Lynden Lodge No. 505 in this period has been one of quietly done improvements and work.

In the late 70's and early 80's the Lodge experienced financial difficulties, which prompted a number of fund raising efforts. Reluctant to raise lodge dues, the members considered a number of possible fundraisers, including a fish-fry and a Hallowe'en party. They eventually settled on a Ladies' Night barbecue in June of 1987, an event which continues to be held with great success at the hall on the Rockton Fairgrounds.

1987 proved to be an important year in Lodge history for other reasons as well. It was the 75th anniversary for Lynden Lodge, and in November of that year a banquet was held to commemorate it. The celebration was sponsored by Brant Masonic District, Masters, Past Masters and Wardens Association, and capably organized by W. Bros. Murray Betzner and Donald Knight.

That year also marked a number of improvements for the Lodge, prompted by the necessity of bringing the building up to fire codes. The installation of new doors and safety features proved expensive. To raise funds, the Officers held an auction, to which members donated items and members of the community consigned articles. W. Bro. Blair Meiler kindly donated his yard on #5 Highway, and the \$4500.00 raised was used for the upgrades, including a new furnace.

In 1988, the Lodge was approached by a group of mothers in the community, who requested the use of the basement for a preschool. After much debate, the basement was upgraded and the facilities leased. The transaction has been successfully administered by W. Bro. Robert

Thompson. The agreement has proved mutually beneficial to the Lodge and the mothers, and everyone involved has been happy with the decision. 1991 marked the election of long time member and Lodge supporter, W. Bro. Murray Betzner to the position of District Deputy grand Master of Brant Masonic District, with W. Bro. Donald Knight acting as his Secretary. Along with their Officers, they completed a very busy and successful year, enjoying both their work and the opportunity to visit other Lodges.

That same year Bro. Randy Hunt led the way in completely repainting the Lodge rooms inside, with the members helping. When possible the members of Lynden Lodge have always maintained and upgraded the hall themselves. R. W. Bro. Charles Hinan spent Saturdays for many years working around the Lodge. W. Bro. Blair Meiler has always looked after snow removal, and grading while W. Bros. Don and Bruce Laidlaw have worked at drainage.

Outside of their own building members of Lynden Lodge have always supported the events and projects of both Brant District and Grand Lodge. These have included the 'Nip drugs in the bud' programme for which W. Bro. Elgin Smith initiated fundraising efforts. In 1995 funds were raised for the Brantford Public Library, for the purchase of equipment to help the visually impaired enjoy library services.

In 1997 members renovated the lower level and a new water system was installed on the lodge property.

However 2007 has been a good year with R. W. Bro. Randy Hunt doing a great job representing Lynden Lodge as the District Deputy Grand Master of Brant Masonic District. In the last couple of years an annual BBQ at W. Bro. Frank Englebrect's home in conjunction with the pre-school is held every September. The pre-school has been good tenants for our building.

On Wednesday March 14, 2007 the Worshipful Master, W. Bro. William McCormack initiated his son Kenneth into the Mysteries and Privileges of Ancient Free Masonry. A great time was had by all as another generation of McCormack's joins Lynden Lodge.

In 2007 Lynden Lodge changed its regular meeting night to the 1st Wednesday so that it wouldn't conflict with Wilson Lodge No. 113 in Waterford who also meet on the 2nd Tuesday.

The Grand Master M. W. Bro. D. Garry Dowling was honoured at a District Reception at Burford Agricultural Hall on Saturday Sept. 15, 2012. The Deputy Grand Master R. W. Bro. Donald A. Campbell was also in attendance. This celebration also marked the 100th Anniversary of Lynden Lodge No. 505 and Ozias Lodge No. 508. The Worshipful Masters of Lynden Lodge No. 505, W. Bro. William McCormack and Ozias Lodge No. 508, W. Bro. Lee Anguish were formally introduced. The Grand Master's spoke on the impact that 'dreaming' can have on our ability to generate

enthusiasm and vitality in our Lodges and in the plans we make for the future.

On R. W. Bro .Kenneth R. Levett,'s official visit to Lynden Lodge with R. W. Bro. Randy Hunt as worshipful master this year presented 60 year pins to his father, Bro,. James Hunt and Bro. Roy VanSickle on April 3, 2019.

Although our membership has declined we continue to be a strong and vibrant lodge. Because of our great membership, we are financially strong. We have had some new members recently and look forward to more in the near future.

OZIAS LODGE A.F. & A.M., No. 508 G.R.C., BRANTFORD, ONTARIO

Historical

In Brantford, masonry was served by two lodges for a long period of time, but these two lodges (Brant No. 45, and Doric No. 121) had grown so large that many believed there was room for at least two more lodges in Brantford, and out of this agitation came the Lodges of Ozias No. 508 and Reba No. 515.

Grand Lodge of Canada in the Province of Ontario granted dispensation for the formation of Ozias Lodge in Brantford, on November 8, 1912.

Ozias Lodge held its first organizational meeting on December 11, 1912, by authority of Grand Master Aubrey White who had approved of the appointment of:

Worshipful Master	W. Bro. William Bentham
Senior Warden	Bro. William Bickell Scace
Junior Warden	Bro. William Arthur Burrows

(Most of the above data was taken from the original letter written to the Grand Master, Aubrey White and the reply received from the Grand Secretary R. L. Gunn, dated November 8, 1912, which gave the approval of Grand Lodge for the formation of this lodge).

The Warrant of Constitution was dated July 16, 1913 and was issued by the Grand Lodge of Canada in the Province of Ontario and was signed by the Grand Master, the Most Worshipful Brother W. David McPherson; the Deputy Grand Master, the Right Worshipful Brother S. A. Luke; and the Grand Secretary, Right Worshipful R. L. Gunn.

The Charter Members of Ozias Lodge No. 508 were:

W. Bro. William Bentham
W. Bro. Frederick Wm. Frank
Bro. Milton Wilbee
Bro. William Bickell Scace
Bro. Stanley Ross Wallace
Bro. Lloyd Harris
Bro. Frederick Charles Thomas
Bro. Walter Renwick Turnbull
Bro. Archibald Manson Harley
Bro. William Arthur Burrows

W. Bro. Walter Clark Boddy
Bro. Milton Harley Robertson
Bro. Charles M. Sheppard
Bro. Russell Sinclair Vanstone
Bro. William Thomas Henderson
Bro. Frank Walter Benedict
Bro. Walter Franklin Briggs
Bro. Archibald L. McPherson
Bro. Alfred P. VanSomeren
Bro. Ernest Charles Ashton

All Ozias Lodge No. 508 meetings, from December 11, 1912 until September 21, 1954 were held in the Temple Building, 3rd floor, 76-78 Dalhousie Street, which was situated on the north side of Dalhousie Street, between Market and Queen Streets in Brantford, Ontario.

From October 19, 1954 until January 6, 1955 the meetings were held in St. John's Lodge No. 82, Paris, Ontario until the new facilities in Brantford were made available.

The first meeting in the new Masonic Temple, located at 192 Greenwich Street, next to the Brantford Police Station, was held on January 18, 1955. This new Temple was considered to be one of the finest in the jurisdiction, and the meetings have been held in that same building until Ozias moved to Burford Lodge No. 106 in Burford in the 1990's.

From the Grand Lodge Proceedings of 1913, Pages 305 and 306: Report of the Board on Warrants:

We have examined the minute books and records of all the Lodges now under dispensation, which have been submitted to us, and recommend that warrants be granted to the following:

Ozias Lodge No. 508, Brantford, Ontario

A. J. Young, Chairman

Moved by Right Worshipful Brother W. D. McPherson, and seconded by Right Worshipful Brother A. J. Young, and RESOLVED that the Report of the Board of Warrants be received and adopted.

From the Grand Lodge Proceedings of 1914, Page 90:

Warrant for a new Lodge has been issued to Ozias Lodge No. 508, Brantford, Ontario.

W. Bro. Malcolm Duncan was installed W. M. of Ozias Lodge in January 1984 at the age of 82. W. Bro. Duncan was the oldest W. M. in this Grand Jurisdiction during his year in office.

On December 12, 1987 Ozias Lodge celebrated her 75th Anniversary with a reception. The head table included the following Grand Lodge Officers, R. W. Bros. C. John Woodburn, Norman E. Byrne, Reginald E. Jewell, and Edsel C. Steen and V. W. Bro. Larry J. Hostine all members of the Board of General Purposes of The Grand Lodge of Canada in the Province of Ontario. Also present were the following D.D.G.M.S, R. W. Bros. R. John Bennett, Hamilton District A., Robert M. Oliphant, Wilson District, Frank H. Adams, Hamilton District C., George R. Gale, St. Thomas District and our own D.D.G.M. R. W. Bro. William E. Croome, a member of Ozias Lodge. The Grand Senior Warden, R. W. Bro. James R. Gilpin and Grand Junior Warden R. W. Bro. Frank G. Dunn also were present. The Worshipful Master Alan R. Grantham presided over the reception. Anniversary mugs were presented to all present as a token of the Lodge's appreciation on this special occasion.

The Grand Master M. W. Bro. D. Garry Dowling was honoured at a District Reception at Burford Agricultural Hall on Saturday Sept. 15, 2012. The Deputy Grand Master R. W. Bro. Donald A. Campbell was also in attendance. This celebration also marked the 100th Anniversary of Lynden Lodge No. 505 and Ozias Lodge No. 508. The Worshipful Masters of Lynden Lodge No. 505, W. Bro. William McCormack and Ozias Lodge No. 508, W. Bro. Lee Anguish were formally introduced. The Grand Master's speech focused on the impact that 'dreaming' can have on our ability to generate enthusiasm and vitality in our Lodges and in the plans we make for the future.

Membership in Ozias Lodge No. 508 declined over the last few years and there was talk that the Lodge would have to relinquish its charter. In the early nineties many Past Masters and Members became disillusioned as to the future of the Lodge, while other dedicated Past Masters and Members decided to seek support from the Grand Master, M. W. Bro. Byrne. After a short period of dormancy, the Lodge decided to change its meeting time to the third Saturday at 1 pm and become a daylight Lodge. Finances have been a problem recently because of demits and the changing of the Lodge day and time. The Lodge asked the Temple board for special treatment and as none has been forthcoming the Lodge met at Burford Lodge No. 106, Burford for a number of years and in March of 2003 is now meeting in Paris at St. John's Lodge No. 82.

Bro. Alexander Cook was presented with his William Mercer Wilson Medal by M. W. Bro. D. Garry Dowling, Grand Master of the Grand Lodge of Canada in the Province of Ontario, on Saturday Nov. 17/12 at Ozias Lodge in Burford. A large number of District masons and Grand Lodge Officers attended this special presentation.

A 100th Anniversary celebration of Ozias Lodge No. 508 was held at the Burford Agricultural Centre in Burford on Friday February 1, 2013. M. W. Bro. G. Garry Dowling was present along with many grand lodge dignitaries and local masons and their wives.

For the last few years Ozias location has moved around but in 2023 settled in Paris at St. John' s Lodge No. 82.

REBA LODGE, A.F. & A.M., No. 515 G.R.C., BRANTFORD, ONTARIO

Historical

In Brantford, Masonry was served by two lodges for a long period of time, but these two lodges (Brant No. 45 and Doric No. 121) had grown so large that many believed there was room for at least two more lodges in Brantford, and out of that agitation came the Lodges of Ozias No. 508 and Reba No. 515.

Brant Lodge No. 45, Brantford, became a grandmother lodge when Doric Lodge No. 121, Brantford, supplied the nucleus of the members for the formation of Reba Lodge No. 515.

The Warrant of Constitution was dated July 15, 1914 and was signed by the Grand Master, Most Worshipful Brother W. David McPherson.

Reba Lodge No. 515, which now has well over three hundred members, grew from those who constituted its charter members, nine of these agreed to be the first officers with William R. McCormick, the Worshipful Master.

The Charter Members were:

W. Bro. William R. McCormick	Bro. Frank S. Blain
Bro. Thomas J. Kirkby	Bro. George E. Sole
Bro. George K. Wedlake	Bro. Rowland Blacker
Bro. Daniel E. Russell	Bro. Charles G. Dunlop
Bro. William H. Inglis	Bro. G. Frederick Trenwith
Bro. Albert E. Faulkner	Bro. Edward W. Butler
Bro. Hugh S. Atwell	Bro. Ernest D. Moffat
Bro. Robert H. Malloch	Bro. James A. Scott

Membership dues at this time were \$4 per year and the initiation fee was \$40.

Reba Lodge No. 515 was one of the four Brantford City lodges who worked co-operatively for the construction and equipping of the new Brantford Masonic Temple, on Greenwich Street, Brantford, and which became its "home" continuously from 1955 to the present time.

It must be recorded that the seating in the lodge was renovated and brought from the Dalhousie Street Temple. The front row of seats came out of the red room in the Dalhousie Street Temple; the red room was used by the York Rite lodges.

Other furnishings in the lodge have come as gifts, as follows:

- The secretary's desk was made and presented to the lodges by W. Bro. William C. Moore, Past Master of Reba Lodge, No. 515;
- The Working Tools were presented to Reba Lodge by Bro. Gordon Sims, in memory of his father, W. Bro. Syd Sims;
- The Volume of the Sacred Law was presented to Reba Lodge by Bro. G. K. Higgins, the first Honorary Life Member of Reba Lodge;
- The Emblems of the Master, Senior and Junior Wardens on the Altar, and the Square and Compass at the Inner Guard's door, were presented by Very W. Bro. C. Brown and R. W. Bro. T. Greenaway;
- The Wands for the Deacons were presented by W. Bro. W. Currie;
- Very W. Bro. Harold Lawrence and his father W. Bro. James Lawrence made the tables for the Stones and Working Tools, from money donated by W. Bro. H. Cuff;
- The Organ was purchased out of donations received from the four city lodges;
- The Record of Past Masters, Affiliated Past Masters and Honorary Life Members that is mounted on the wall in the clubroom, was placed in memory of Bro. Tom Barrett, a faithful member of the Sick and Visiting Committee, who left his estate to Reba Lodge, putting the lodge in a comfortable financial position;
- The Wand for the Director of Ceremonies was presented to the lodge by R. W. Bro. Donald L. Sandison.

On April 28, 1980, Reba Lodge No. 515 held a "Night of Appreciation" for R. W. Bro. Thomas E. Greenaway in the Brantford Masonic Temple. At the reception, R. W. Bro. Greenaway was presented with his pin from Grand Lodge for having been a member of the Masonic Order, and of Reba Lodge for 60 years. The presentation was made by the Most Worshipful the Grand Master, Most Worshipful Brother N. Richard Richards, the Grand Master of

the Grand Lodge of Canada in the Province of Ontario, and was witnessed by a large number of Grand Lodge officers and brethren.

On June 13, 1980 Reba Lodge hosted the Wellington District Historical Degree Team who presented a degree, as it would have been conferred approximately 125 years ago, and in the costumes of that time.

The Brantford Masonic Temple was sold in May 2005 so Reba Lodge whose Master at the time was W. Bro. Mark Snell held their last regular meeting on May 13, 2005. As the membership had voted to move to St. George Lodge their first meeting there was on June 10 2005. In 2006 W. Bro. Robert Barr was elected Master of the Lodge and as some members were not happy driving to St. George especially in the winter. W. Bro. Barr found a place in Brantford called the Odd Fellows Hall on Johnson Road and it was agreed by all to move there. A great deal of work had to be done before the Lodge could move into her new Lodge building to make it a Masonic lodge however it was managed and the first meeting was held there in Sept. 2006.

On May 23, 2008 Most Worshipful the Grand Master M. W. Bro. Allan J. Petrisor with a large contingent of Grand Lodge Officers and visitors dedicated the Lodge Hall at 48 Johnson Road in Brantford.

In the fall of 2009 Reba Lodge vacated her Johnson Road location and moved to Paris and is now meeting in St. John No. 82 Lodge Room.

Extinguishing the Lights of Reba Lodge October 24, 2018

On October 24, 2018 Reba Lodge No. 515 surrendered her charter to M. W. Bro. D. Garry Dowling in a ceremony closing the Lodge that was constituted on July 15, 1914 and has been in existence for 104 years. The main reason the Lodge's closure was that they couldn't find members to hold the Offices of the Lodge and secondly the lack of new candidates. It was a sad time for the active members. A Ceremony of the Extinguishing of the Lights of Reba Lodge No. 515 follows:.

At the last meeting of Reba Lodge No.515 the Grand Lodge Officers attending were M. W. Bro. D. Gary Dowling, Past Grand Master of the Grand Lodge of Canada in the Province of Ontario and Grand Secretary, R. W. Bro. Tom Siemiernik member of the Board, R. W. Bro. Kenneth R. Lovett, DDGM of Brant District, V. W. Bro. Ron Rowe Sr. Grand Steward, V. W. Bro. Alistair Robertson Grand Steward Past Grand Lodge Officers of Brant District R. W. Bro. R. William L. Clarke, R. W. - *The Past Grand Master, the District Deputy Grand Master and R.W. Bro. Siemiernik move to the level and approach the Altar from the west. The PGM is in the center, the DDGM on his right and R.W. Bro. Siemiernik on his left.*
- *The District Deputy Grand Master removes the Square and Compasses and closes the Volume of the Sacred Law.*
- *When the Square and Compasses have been removed and the V.o.t.S.L. closed, the Past Grand Master, District Deputy Grand Master and R.W. Bro. Siemiernik return to the East side of the Altar and the W.M. joins them at the altar. From the left facing west, R.W. Bro. Siemiernik, PGM, WM, DDGM.*

passed a resolution to that effect, in accordance with Section 179 of the Constitution, you will also return “all furniture, books and assets of any nature” to Grand Lodge.

In due course, the Grand Secretary will issue a Certificate of Standing to each member of the Lodge, enabling those who wish to affiliate with another lodge to do so.

R.W. Siemiernik, you will receive the Warrant from the Worshipful Master.
P.G.M.: Brethren, We gather about this sacred Altar of Freemasonry, the place where our forefathers instituted this lodge in **1914**, denominated the **Reba** Lodge, and numbered **515** on the register of Grand Lodge, the place where they and we dedicated our lives to Freemasonry. This is an occasion to pay tribute to them and to remember and celebrate with joy and thanksgiving the inestimable service they performed as good men and as true Masons during the past **104** years in this community.

Brother Chaplain, you will read from the Sacred Writings the words of the Prophet Isaiah.

Chaplain: (Isaiah 61: 1 - 4) The spirit of the Lord God is upon me because

the Lord has anointed me; he has sent me to bring good news to the humble, to bind up the broken-hearted, to proclaim liberty to captives and release to those in prison; to proclaim a year of the Lord's favour and a day of the vengeance of our God; to comfort all who mourn, to give them garlands instead of ashes, oil of gladness instead of mourners' tears, a garment of splendour for the heavy heart. They shall be called Trees of Righteousness, planted by the Lord for his glory. Ancient ruins shall be rebuilt and sites long desolate restored; they shall repair the ruined cities and restore what has long lain desolate.

P.G.M.: Let us first recognize, celebrate, and honour the brethren of **Reba** Lodge who have served as Officers of the Grand Lodge.

We celebrate their long standing commitment and dedication to Freemasonry and their contributions to Reba Lodge

- *The Worshipful Master now extinguishes the Lesser Light in the East representing the Master of the Lodge.*

R.W. Bro. Siemiernik: *(standing to the left of the P.G.M. in the East)*

While this Lesser Light in the East is being extinguished, it is my pleasure to express the gratitude of these Grand Lodge Officers for the opportunities provided by this lodge to accept added responsibilities to serve our Grand Jurisdiction in a wider sphere. May we be inspired by their example of devotion to duty.

P.G.M.: Brethren, we now pay tribute to the **94** Past Masters of **Reba** Lodge No. **515**, (since 1914), of whom **79** have completed their allotted task in this sublunary abode and have ascended to the Grand Lodge Aove.

- *The Senior Warden extinguishes the Lesser Light in the West, representing the Moon.*

R.W. Bro. Siemiernik: *(standing to the left of the P.G.M. in the East)*

On behalf of all the Past Masters of **Reba** Lodge No. **515**, I offer appreciation for the peace, harmony, and brotherly love that have prevailed in this lodge. While this Lesser Light in the West is being extinguished, we

pray that the spirit of Freemasonry so frequently inculcated in this lodge will abide in the heart and mind of every one of us, the centre where we cannot err.

P.G.M.: Brethren, we now honour all the Brethren, initiated in or affiliated with **Reba** Lodge No. **515** numbering **1049** on the Roll of the Lodge, of whom **35** remain.

- *The Junior Warden extinguishes the Lesser Light in the South, representing the Sun.*

D.D.G.M.: *(standing to the right of the W.M. in the East)*

On behalf of all the Brethren initiated in and affiliated with **Reba** Lodge No. **515**, we pay tribute to their faithful service to this lodge in particular and to their devotion to Freemasonry in general over the last **104** years. Throughout all the vicissitudes of Masonic life, the discussions and debates, during good times and bad, the genuine principles and tenets of the fraternity prevailed, the Cardinal Virtues of Temperance, Fortitude, Prudence, and Justice were learned, and the Theological Virtues of Faith, Hope, and Charity were instilled in our hearts. As this Lesser Light in the South is being extinguished, we pray that peace and contentment of spirit may go forth with the Brethren. - *“Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than a known way.”*

P.G.M.: (Brethren, please rise). Brother Director of Ceremonies, you will lead the Brethren in giving the Grand Honours thrice in honour of all the Brethren, past and present, of **Reba** Lodge. The Brethren of **Reba** Lodge were present will stand at the Sign of Fidelity.

- *(All remain standing.)*

Chaplain: They that trust in the Lord shall be as mount Zion, which cannot be removed, but abideth forever. As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever. (Psalm 125: 1 - 2)

Let us pray. *(All assume the Sign of Fidelity)*

Great Architect of the Universe, in whom we put all hope and trust, as these, what we esteem the Great though emblematic Lights of Masonry are removed from the Altar, may we be reminded that all things material and physical must return to dust and ashes, but the Spirit engendered thereby and inspired herein will continue into eternity. May the Most High enable every Brother among us that has made sacred vows and taken solemn obligations upon these Sacred Writings to ever act on the Square and be governed by the principle of the Compasses.

P.G.M.: *(or his representative, the Deputy Grand Master, District Deputy Grand Master)* Brethren, let us go forth from this place imbued with the same spirit, determination, and perseverance that inspired the founding members of **Reba** Lodge. Carry forward the Landmarks of Masonry, take with you the quintessence and substance of the Craft to the several lodges where you will affiliate, there to continue to practice the noble science and royal art. And may the Great Architect of the Universe abide with all of us to direct us, guide us, and inspire us in all places and at all times to act as the dictates of right reason prompt us, now and forever.

P.G.M.: Brethren, before the lodge is closed for the last time, let us observe a moment of silence in grateful remembrance for all those Members of **Reba** Lodge who have gone before, especially those we have loved and lost awhile.

- *During the moment of silence, the lodge will be in darkness. When one knock is given by the WM, the house light will be gradually restored.*

All: So mote it be.

P.G.M.: Worshipful Master, the Warrant of this Lodge that was committed to your care at your Installation, you will now place in the care and keeping of Grand Lodge, there to be preserved in the archives. **Reba** Lodge having

- *The Worshipful Master presents the Warrant to R.W. Bro. Siemiernik.*

R.W. Bro. District Deputy Grand Master, you will assist the Worshipful Master in the discharge of his duties in compliance with Section 179 of the Constitution.

- *The District Deputy Grand Master removes the Volume of the Sacred Law from the Altar and delivers it to the Worshipful Master.*

D.D.G.M.: Worshipful Master, I deliver into your hands the Volume of the Sacred Law to be preserved as a sacred artefact of this Lodge.

P.G.M.: Brethren, as we are now about to quit this retreat of friendship and brotherly love, nothing remains but, according to ancient custom, to lock up our secrets in the safe and sacred repository of our hearts, with Fidelity, Fidelity, Fidelity; and may God be with us.

The Royal Anthem and Canadian anthem were sung and the members exited to the banquet room.

The first building in which Lodge meetings were held was destroyed by fire on November 13, 1914. Lodge continued to meet in rented quarters through to 1919 when a building site was purchased from N. McPhredron for the sum of one dollar per foot. Construction on the new building was completed by late summer 1920. A new Lodge Room was dedicated on September 24, 1920.

- Lodge supported by donation from time to time John Ross Hospital for Sick Children in Toronto
- dues were waved for Lodge members who had joined the military in W.W.I , until peace was declared

In 1984 the Onondaga Social Club was founded and chaired by Bro. Garnet Shaver. At this time a beautiful hand crafted rug depicting the Masonic Tools and emblem was presented to the Lodge. In 1985 a bookcase was purchased to start our Library, it was dedicated in the memory of V. W. Bro. Randall Langs.

A new roof was installed on the Lodge room in 1990. In 1991 water and sewage systems were installed.

When V. W. Bro. Ross Mannen retired as Secretary of 25 years in 1993, a beautiful desk set was presented to him by the Lodge. Bro. Mark Campbell presented to the Lodge travelling lapel pins to be worn by the senior officers and passed on to their successors. A new parking lot was created on the south side of the building.

Bro. G. Goldspink presented to the Lodge a three piece Masters scroll listing the founding members, Past Masters for the first 50 years and space for future masters to be added. W. Bro. John Steer acquired for the Lodge two flags, the Union Jack and The Canadian Maple Leaf.

The first annual Summer Community Brunch was held in June 1994, the first annual Turkey Shoot was held at the farm of W. Bro. Reginald Glass and the Social Committee began delivering Christmas poinsettias to the Widows of the Lodge.

An appeal was made to the members in 1996 to raise funds to put vertical siding on the Lodge Building. This project was completed in the spring of 1997 by the members. An air-conditioning unit was donated in 1997 to the Lodge by W. Bro. Allan Durnford.

Historic Evening

On Tuesday January 23, 2001 Bro. Scott Cranston was installed and placed in the Chair of King Solomon by his father W. Bro. Roy Cranston who was installed master of Onondaga Lodge on January 22, 1951. After the installation W. Bro. Scott Cranston called his father to the East and presented him with his 50 year Past Master pin from Grand Lodge and the DDGM R. W. Bro. Jack E. Shaver presented him with his card. The Worshipful Master invited his Father to sit in the East with him.

Present Lodge Building

In the spring of 2004, the former United Church property at 19 Tuscorora Street in the village of Onondaga, was listed for sale. In a General Purposes meeting in June 2004, Lodge members decided to make an offer to purchase that property. Worshipful Master Allan Dunford was authorized to be signing authority. In December 2004, the Onondaga Lodge offer was accepted and the deal was closed. From January to April 2005, the interior renovations of the Lodge Room was completed by a skilled group of members. Theater seats acquired from Simcoe Little Theater in 2003 were transferred from the former lodge. W. Bro. Booth of Vittoria Lodge presented a Master's chair and two Warden's chairs as a gift from Vittoria Lodge as their Lodge was being closed into darkness in May 2005. A final Lodge meeting was held in the old building in April, and the first meeting was held in the new Lodge in May 2005 under the direction of W. Bro. Allan Durnford. The former Lodge property was sold in August 2005. A Dedication Ceremony by the Grand Lodge was held April 25, 2006. It was led by MW the Grand Master Gary L. Atkinson and W. Bro. John Corner, Worshipful Master of the Onondaga Lodge. In early May 2008 Lodge members were able to pay off the mortgage in a mere three and a half years, a testament to the team work and dedication of the growing membership.

Lynden Lodge No. 505 has continued to install the Masters of Onondaga Lodge each January and Onondaga has reciprocated each year since the 1950's.

Since the Onondaga Men's Social club was formed in 1984, various fund raising events are being held throughout the year. The Summer Brunch, first held in 1994, continues to be held the first Sunday in June. It has proven to be very popular, as have the spring fish fry and fall barbeque held every September. Another enjoyable event held every fall is the Ladies Appreciation Night.

Onondaga Lodge continues to support various local community projects and events as well as participating in the ChIP initiative.

Onondaga Lodge is most fortunate to have such an ambitious membership, led by many of our younger brethren, as we have gone from an old lodge hall in 2004, to purchasing a new facility. The truly admirable part of this story is merely one word..... Masonry. Everyone with a talent stepped forward and gave of their time, finances and expertise. Today we stand the envy of many lodges and fully intend to continue our momentum helping others as we can- as we were taught at initiation.

Presentations to the New Lodge Room

2005 In remembrance of his father W. Bro Bert Howden, W. Bro. Ron Howden presented to the Lodge six window shades.

2010 W. Bro. Roy Cranston and his wife Bea presented a new altar and three pedestals, in memory of their son W. Bro. Scott Cranston

2010. Bro. George McMaster presented a new Bible (VOSL) to the Lodge.

INDIAN DEGREE TEAM (Scotland Lodge No. 193)

The Six Nations Indian Degree Team started in 1967 with Worshipful Brother Arthur W. Anderson as its Master (W. Bro. Anderson at that time was the Worshipful Master of Scotland Lodge No. 193, Scotland, Ontario) and W. Bro. William W. Bradley of Hiram Lodge as organizers..

On December 4, 1967, the first time that this group worked as a team, it consisted of the following members:

Worshipful Master	W. Bro. Arthur W. Anderson	Tuscarora
Senior Warden	Bro. William W. Bradley	Upper Mohawk
Junior Warden	Bro. Clifford Lickers	Big Foot Onondaga
Chaplain	Bro. W. Roy Longboat	Lower Cayuga
Senior Deacon	Bro. Earl Isaacs	Walker Mohawk
Junior Deacon	Bro. John Burnham	Oneida
Inner Guard	Bro. William H. White	Bear Foot Onondaga
Senior Steward	Bro. Glen Porter	Tuscarora
Junior Steward	Bro. Leslie Isaacs	Walker Mohawk

The first time the team operated as a unit, they conferred the Entered Apprentice degree on another Indian Brother, William E. Burnham. So keen was the interest shown in this unique group that many Brethren, who had hoped to attend this first conferral, could not find room for their admittance into the Lodge Room.

Over the years due to various reasons new members were called upon to occupy vacant offices in the Team and these were also Blood Brothers of the Six Nations Indian Confederacy.

This team came under the direction of Scotland Lodge No. 193, and Very Worshipful Brother Keith Poss, who was the Secretary of Scotland Lodge and became the pivot point for all of its activities.

It originally did not perform in the Indian Dress, but finally Grand Lodge did sanction the wearing of this unique dress, and from then on the Indian Dress, or "the skins", has been the traditional dress of the team.

The team has travelled to many points in Ontario and U.S.A. to put on degrees. On October 16 and 17, 1971 It travelled to Vermont Lodge No. 18, A.F. & A.M., Windsor, Vermont. The brethren from that lodge made a return fraternal visit on May 19 and 20, 1973.

The team members are members of Scotland Lodge No. 193, Scotland, Ontario; Hiram Lodge No. 319, Hagersville, Ontario; Onondaga Lodge No. 519 Onondaga, Ontario; and Brant Lodge No. 45, Brantford, Ontario.

The members are excellent ritualists and they are often called upon to change offices and take other parts In the degree work, which they do without any difficulty as each of the members is very versatile in the Work. All of the members are members of the various tribes of the Six Nations Indian Reservation. Over the time of its existence it has had quite a number who have taken part. These names are listed with the names of their tribe, and the name of the lodge of which each is a member.

Mohawk Chapel

In 1784, Brant and some of the Iroquois formed a community known as Mohawk Village, a short distance down the Grand River from the present City of Brantford. It was this that he saw the need for religious affiliations, and so in 1785 instigated and completed the construction of what is now known as St. Paul's, Her Majesty's Chapel of the Mohawks. The cost of the erection of this chapel was a gift from King George III of England. Over the years the Chapel has undergone extensive renovations including a fire, and it should serve as a reminder of the relationship that exists between the Monarchy and the Indian people.

Brant being a Mason himself, saw the need also for a Masonic Lodge to be formed in the Mohawk Village. Through his efforts, Lodge No. 11 was established there on February 12, 1798. Brant was its first Worshipful Master. Thomas Horner was the Senior Warden and William K. Smith was the Junior Warden.

Joseph Brant was the first native Mason in the area, and the first Indian to become Worshipful Master of a Masonic Lodge. It was the intention of the Masonic Foundation of Ontario and in particular the Masons of the Brant Masonic District to preserve the memory of this unique Masons for many years to come. With this in mind the Masonic Foundation of Ontario has seen fit to present 100 Prayer and Hymn books for use in the Mohawk Chapel. It has also erected a descriptive plaque on the fence that surrounds the grave of Joseph Brant.

The Brant Masonic District raised \$20,000 in 1985 to procure and install a replica of the original organ.

The Indian Degree Team over the years became very sparse as members died or moved. In 1985 to help in the raising of funds for the chapel organ

V. W. Bro. Arthur Anderson and W. Bro. William Bradley went about recruiting old and new Blood Indian Brothers to present the Third Degree as a fund raising event sponsored by Chapel Organ Committee. This committee was chaired by W. Bro. Albert A. Barker of Reba Lodge No. 515.

At the Scottish Rite Cathedral in Hamilton on April 26, 1985 the members of the Six Nations 1985 Indian Degree Team were:

LAYING OF THE CORNERSTONE AT THE ONTARIO SCHOOL FOR THE BLIND

Brantford, Ontario

On Wednesday, May 24, 1871, the Grand Master of the Grand Lodge of Canada in the Province of Ontario, Most W. Bro. A. A. Stevenson, laid the cornerstone of the Ontario School for the Blind, which is located in the west end of Brantford, Ontario. The name of this school was later changed to "The W. Ross Macdonald School".

The architect for the Ontario School for the Blind was Kivas Tully who was the chief architect for the Public Works of Ontario at that time.

Most Worshipful Brother Kivas Tully was granted the rank of Past Grand Master (Honorary) in 1897, after being recommended for this rank by the Grand Master, Most Worshipful Brother William Gibson, who spoke of him as "a Brother who has spent a long and honourable life in the cause of Masonry, and who is one of the very few members now living who worked long and faithfully in establishing the Grand Lodge of Canada, and even now, no brother takes a deeper interest in the welfare of the Craft in the city where he resides".

The honorary rank of Past Grand Master acknowledges a brother who has performed extraordinary service to the Craft. Most Worshipful Brother Kivas Tully worked for Canadian autonomy in Masonry, as he was definitely a leader in the struggle for independence in both the English Provincial Grand Lodges and the Irish Lodges.

Whether it was because of Most Worshipful Brother Tully's associations directly with Grand Lodge, or whether it was at the request of a Brantford Lodge that the Grand Master was asked to lay the cornerstone of this Ontario School for the Blind, is not revealed at the present time.

WORSHIPFUL BROTHER JOSEPH BRANT (Thayendanegea)

by Bro. William W. Mitchell, B.A. , M.Sc.. Ed., D. Bus. Admin.

There have been a number of great men who, history has informed us, have begun their lives on this earth in a very 'lowly' manner, and have risen to great heights of achievements. Worshipful Brother Joseph Brant was one of these who have a very insignificant beginning in this world. He was a native Indian, who achieved greatness, and whose name has been passed down through the years. His name is kept alive in our midst by his name being used to designate a County, and Township, a City, Streets, Avenues, a Hospital, a Museum, a Masonic District, and a Masonic Lodge.

Between 1700 and 1760, the home of the Iroquois Confederacy was in an area of what is now known as New York State west from the Hudson River, and south from Lake Ontario to Tioga Point, and the Mohawk Valley was one of its principle features.

This paper was presented at the Regular Meeting of The Heritage Lodge held in the Brantford Masonic Temple, Brantford , Wednesday March 11, 1987.

The prized hunting lands of the Iroquois were in what is now the State of Ohio. It was the custom to station hunters there to keep a supply of meat and skins flowing back to their home land, to be used for food and clothing; and to also act as an advance 'warning system' of any enemy approaching from that direction. Many adventurous couples in their early married life, went there for a few years before they settled down in the tribal lands in the Mohawk Valley. Worshipful Brother Joseph Brant's young parents were in Ohio when his sister, Molley or Deyonwadonte was born in 1737, and they were still there on November 24, 1742 when Joseph, or Thayendanegea was born. This Indian name given to Joseph had the meaning 'two sticks of wood bound together', which was a Mohawk symbol of strength.

While growing up in Ohio, Joseph was educated in the traditional manner of an Iroquois brave. As a Mohawk, a member of the proudest tribe in the powerful Iroquois Confederacy, he learned the rich heritage of his ancestors. He learned the practical lessons of hunting, wood lore, and the skills of war, on which his future life would depend.

Brant returned to the Mohawk Valley with his family when he was 8 years of age, only to find that many Europeans had settled on the land that

had previously been occupied by members of the Iroquois Confederacy, and this was a most provoking condition to the Indians, as they considered this was their land.

After Joseph's father died, his mother married an Indian with the Christian name of Brant, and so Joseph became known as 'Brant's Joseph' hence 'Joseph Brant.' Joseph learned to read and write in a settler's school which had been started at Canajoharie, and later attended school at Fort Hunter.

Naturally Joseph's life had first of all been influenced by his immediate family, but his Masonic activities were influenced by a number of people with whom he became associated with during his lifetime. The most influential person appears to have been Sir William Johnson, an Irishman, who became the superintendent of Indian Affairs. Sir William was highly respected by the Indians, and he studied their language, and became quite eloquent in the Indian tongue. So high was the estimation of Sir William by the Indians, that they made him a Chief, and he was given the Indian name of 'Warraghiyageh' , said to mean 'Chief of Affairs', or 'Man of Business'. Sir William Johnson was influential having his nephew Guy Johnson come from Ireland to this New World. Guy and Joseph attended the same school, where they became great friends.

Later, it was quite probable that Sir William Johnson went to Union Lodge #1, at Albany, and became a member there, on April 10, 1766, with the ulterior purpose of being able to establish a Lodge at Johnson Hall in Johnstown, and that Guy Johnson, Col. Claus, and John Butler also became members of Union Lodge #1 on this same date, likely to insure the success of this project. The first Charter or Warrant of Constitution of St Patrick's Lodge #8, to be held at Johnson Hall, Johnstown, in the County of Albany, in the Province of New York in America, was issued on May 23, 1766 by the Provincial Grand Master of the Province of New York in America, R. W. Bro. George Harrison. Named in this warrant as the first Officers of the Lodge were: Sir William Johnson, as Master; Guy Johnson, Esq. as Junior Warden; Daniel Claus, Esq. as the Junior Warden and John Butler, Esq. as the Secretary.

Samuel Kirkland was another close associate of Joseph Brant. He was a New England youth, who was a fellow student of Joseph Brant while attending Moor's Mission School. Later he became a Congregational Missionary to the Oneidas. Gilbert Tice, entered as Member #5 on the Bylaws of St. Patrick's Lodge on May 23, 1766, was one of those who accompanied Brant and Guy Johnson on their visit to England in 1776. It

should be also noted here that Sir William Johnson's third wife was Joseph Brant's sister 'Molly', and they were married in 1760.

In 1755, the conflict between the French and English expanded into North America, and many engagements took place on Iroquois Confederacy lands. A large number of Indians took up arms on the side of the English in an attempt to protect their lands. At the age of thirteen, Brant accompanied Sir William Johnson to Lake George, where he took part in the Battle of Crown Point. The Indians and the British continued the war to the successful conclusion for them, defeating the French in 1763, and so secured their claims to North America. At the age of nineteen, and influenced no doubt by Sir William Johnson, Brant enrolled in Moor's Indian Charity Mission School at New Lebanon in Connecticut, U.S.A., which was operated by Reverend Eleazar Wheelock, (Moor's School was the forerunner of the present Dartmouth College). Brant was older than most of the other students, but he studied hard, and at the time that he left this school, he was assisting with the instruction of other students. After leaving school, he settled at Canajoharie, where he divided his time between farming, and leading his Indian followers in assisting the British cause in the struggle against the French, which was still persisting to some extent.

Joseph married Christine (or Owase), the daughter of Sauquoit (or Antone, as the Dutch at Albany called him). Sauquoit was a Chief of the Oneidas, and acted as their interpreter. The marriage ceremony of Christine and Joseph was first carried out in the customary manner of the Indian, which was followed by an Anglican Church wedding ceremony. In the peace that followed the final struggles against the French in 1763, Brant turned to full time farming, enjoying the home life with his wife Owase, and their two children, Isaac and Christina. Owase died of tuberculosis when their son was only seven years of age. Brant in 1773 married Owase's sister, Onogola, (or Susannah as she was also called), who succumbed to the same disease a year later.

On July 11, 1774 Sir William Johnson passed to the Grand Lodge above, at which time Brant's life was again altered. After the church service for Sir William and the Masonic services that followed, the solemn rites of the Condolence Council of the Confederacy ended with the laying of six strings of wampum on the grave of their Chief, Warraghiyageh. In that same year of 1774, Colonel Guy Johnson was appointed Superintendent of

Indian Affairs, succeeding Sir William Johnson, and Joseph Brant became his Secretary.

Soon after these appointments, a visit to England was arranged, and it was while on this visit that Joseph Brant joined the Masonic Order. It is felt that Guy Johnson and Gilbert Tice could have been very instrumental in having Brant become a Mason. The date on Brant's masonic Certificate is April 26 A.L. 5776, A.D. 1776. The certificate was signed by Jas. Heseltine, who was the Grand Secretary of the moderns from 1769 to 1780. It states that Brother Joseph Thayendanega, was made a Mason and admitted to the Third Degree of Masonry at the Lodge meeting at the Falcon, Prince's Street, Leicester Fields, London.

It was on February 28th, while on this trip to England, that Brant was presented at Court. During this stay it appears that he received attention from various people of note, including the King of England. So intimate did this friendship become, that it was King George III who supposedly presented Brant with his Masonic apron. It was at the request of James Boswell that Joseph Brant sat at Romney, for the painting of the famous portrait which is now in the National Gallery of Canada at Ottawa.

It was after Brother Brant's return to America, and during the American War, in the fighting around Quebec, and later in the Schoharie Valley, that we hear stories of Bro. Brant rescuing from torture and death, prisoners who gave the masonic signs. These stories, whether well founded or not, concerns most notably a Col. McKinstry of Claverack manor on the Hudson, who was said to have been rescued after the Battle of the Cedars, on the St. Lawrence River in 1776, Lieut. Jonathan Maynard, a prominent resident of Framingham, Mass., on May 30, 1778, and Major Wood, at the Battle of Minisink in 1779.

Colonel John McKinstry was a member of Hudson Lodge No. 13, New York. He was a veteran of the French War, and at the commencement of the American Revolution joined the American Army. He saw action in many of the battles that took place in the Northern Areas. After being rescued from death by Brant, at the Battle of the Cedars, he and Brant became very close friends for the remainder of their lives. Whenever Brant was in the vicinity of the home of Col. McKinstry, he never failed to visit the friend whose life he had saved. In 1805, Bro. Brant and Col. McKinstry visited the Hudson Masonic Lodge, where Brother Brant was handsomely received. The war had been a long, bloody, and for the British, a futile War, and it was finally settled with the Treaty of Versailles,

being signed in 1783 in Paris. The British lost the Thirteen Colonies, and America was an Independent Nation. The lands of the Iroquois Confederacy had been the location of a considerable amount of the hostilities and these lands were left in American hands, and in a very desolate state.

It was at this time that the Loyalists of the Iroquois Confederacy decided to move to Canada, where the British Governor, Sir Frederick Haldimand, had arranged with the British Government to provide lands for them. Some settled in the Bay of Quinte area under the leadership of Desoronto, but the majority of them followed Brant, to settle on reserved lands along the wooded banks, on both sides of the Grand River. These lands were granted to the Indians in recognition of the service that they had given to the British cause during the wars in North America.

With the religious teachings that Joseph Brant had received at Moor's School, he gave great assistance to various missionaries, and at one time he acted as an interpreter to one named Rev. Jeffrey Smith. Later he assisted Rev. Stewart, who had been sent out in 1770 by the Society for the Propagation of the Gospel to preach among the Mohawks, in translating the Acts of the Apostles into the Mohawk tongue. A very short distance down river from the present City of Brantford, a new Indian Village began to take form under Brother Brant's direction and encouragement. Here the famous St. Paul's Her Majesty's Chapel of the Mohawks, was built in 1785, under contract with two United Empire Loyalists, John Smith and John Thomas. Timber for this Chapel was cut in the neighbourhood of the present Town of Paris, and was floated down the Grand River to the Mohawk Village. This Chapel is the oldest Protestant place of worship in Ontario, and it still stands on Mohawk Street in Brantford.

Brother Brant and his family lived in a frame house not far to the south from the Church, and nearby were clustered about twenty other log or frame houses. A saw mill, a grist mill, a school, and other buildings were shortly afterwards erected in this newly established Indian Village. The Village was named Mohawk Castle or Mohawk Village, and was something like the outpost of civilization at that time, to be passed through by those pioneers who first settled in the inland portions of the Province. From here there was an ancient Indian foot trail, known as the Detroit Path, leading into the wilderness and which became the main route into the newly inhabited Home and Western Districts, now known as Brant, Oxford, Middlesex and Wellington Counties.

Among the great treasures of the Iroquois Confederacy, and which were buried for ten years on the farm of Boyd Hunter, overlooking the Mohawk River, were the Bible, and Silver Communion Service given by Queen Anne in 1712 to 'Her Majesty's Chapel of the Mohawks'. These lay hidden during hostilities in New York State, but were brought to Canada by the Indian Loyalists the Bible and four pieces of the Silver were taken to Brantford, while the remaining pieces of Silver were taken to Desoronto, on the north shore of Lake Ontario.

Records show that Brant was present at Barton Lodge #10 (now #6, Hamilton) at its organizational meeting on January 31, 1796. Brant was not noted as one of the Charter Members. He did not sign the 'Rules and Regulations', nor is it recorded that he revisited the Lodge at any time between 1796 and 1803. There is no record of Brant ever being 'fined' as others were, for nonattendance, thus it appears that he must have occupied a very privileged position in that Lodge.

R.W. Bro. William Jarvis was the Provincial Grand Master of Upper Canada, and in 1797 there were twelve lodges on the roll of this First Provincial Grand Lodge of Upper Canada. One of these was Lodge No. 11, at Mohawk Village, which was warranted in 1797 by R.W. Bro. Jarvis. The first Master of this newly Warranted Lodge # 11 was none other than Worshipful Brother Joseph Brant, the Senior Warden was Brother Thomas Horner, and the Junior Warden was Brother William Kennedy Smith. It appears as if Lodge #11, for some unknown reason, later was moved to Burford, and while at this new location it joined with five other Lodges in forming the Schismatic Grand Lodge of Niagara. In 1822, the Second Provincial Grand Lodge of Upper Canada was formed, and all of the Lodges that were then under the government of the Schismatic Grand Lodge of Niagara, including Lodge #11, were received into the newlyformed Grand Lodge without questions, which formed solidity among Masons in Upper Canada.

King George III granted 3,450 acres of land at the western end of Lake Ontario and known as 'Wellington Square' (now Burlington) to Joseph Brant, and it was at this location that Brant built a large twostory white frame house, and where he lived out the closing years of his life in the style of a colonial English Country gentleman. In 1937 a replica of the original house in Burlington, was erected on the same site, and opened two years later as the Joseph Brant Museum to honour the memory of Burlington's first citizen.

Brant died on November 24, 1807, and was buried in St. Luke's Churchyard, Burlington. Fortythree years later, his remains were exhumed and removed to Brantford to be reinterred beside those of his Son, John, in a stone tomb, in the little Churchyard adjoining the Mohawk Chapel, with which he had been so closely associated in his earlier years. This reinterment of Joseph Brant was carried out with no small degree of pageantry. According to local tradition, the coffin had been carried from Wellington Square to Brantford by relays of Indians. Many people assembled and went from Brantford for the ceremony, and Brantford members of the Masonic Order took part in the ceremony. Addresses were delivered by Rev. A. Nelles, Rev. P. Jones, Sir A. McNab, J.D. Thornburn, and other wellknown figures of the day. After the speeches were concluded, the interment took place and three volleys were fired over the grave of the brave and faithful Indian Soldier, Joseph Brant. Thus Joseph Brant, Thayendanegea, came to his final resting place.

As a youth he had attracted the most favourable notice from British officials and was destined to play an outstanding part in the fortunes of the British Empire in America. For many years, he was intimately associated with the highest governing classes, among whom he found many an occasion to exercise his skill and diplomatic gifts. With his death ended a distinguished career as a warrior, statesman, and diplomat, who practised the principles of valour in warfare, tolerance and devotion to his people and to the British Crown. Brant's honour and fame can be to some extent attributed to the education and training, both as an administrator and as a soldier, which he received through and from Sir William Johnson during the years that they worked together.

Soon after the death of Joseph Brant, his wife returned to the Mohawk Village on the Grand River. She died at Brantford on November 24, 1838, exactly thirty years after her husband.

Brant died after witnessing one of the most crucial periods in North American History, and he helped in his own way to shape the destiny of Ontario. The focal point of the lovely Victoria Park in Brantford is a monument in memory of this great Indian, and in whose honour the City of Brantford was named. The municipality was originally established at Brant's Ford on the Grand River, and hence the name at its present location. The bronze figure on the top of this monument is of Joseph Brant, while figures on the sides of the monument are representative of the Indians of the Iroquois Confederacy.

Upon Brant's death in 1807, his Masonic Apron was given to his Son, John, and on the death of John it was bequeathed to Joseph Brant's soninlaw, William Johnston Kerr, the husband of Elizabeth. Colonel Kerr became a member of Barton Lodge and in 1842 became its Worshipful Master. His friend, Hamilton O'Reilly also became a member of Barton Lodge, and he was bequeathed Brant's Apron upon Kerr's death. The Apron remained in the O'Reilly family until 1964 when it was donated to the Barton Lodge. At the 1,625th Regular Meeting of Barton Lodge No. 6, Hamilton, on October 20, 1971, the Barton Lodge presented the Brant Apron to the Joseph Brant Museum on 'Permanent Loan'. The Apron due to its age required some restoration work, and this was accomplished by the Art Conservation Department of Queen's University, Kingston, Ontario, during the School Term 1984-1985.

In 1916, the twentythird Masonic District was formed in the Grand Lodge of Canada in the Province of Ontario. It was formed because the districts were becoming so large, that the District Deputy Grand Masters were reporting that they could not satisfactorily serve them under their present very large number of lodges. This new Masonic District #23 took the name of Brant, because it seemed a most logical name at the time. Joseph Brant, or Thayendanagea, was the first recorded native Mason in this area, and he was the first Worshipful Master of Masonic Lodge #11, at Mohawk Village, near the present City of Brantford, in the Township of Brantford, and in the County of Brant. It was in 1923 that all of the Districts in the Grand Lodge of Canada in the Province of Ontario, had the number dropped from their names, and thereafter they were listed in alphabetical order.

The first Masonic Lodge constituted in the City of Brantford carried the name of Brant Brant Lodge No. 45. This Lodge was originally constituted in 1853 as #323 under the jurisdiction of the Grand Lodge of Ireland. Upon the formation of the Grand Lodge of Canada on October 10, 1855, it was given the number '22', but when the present Grand Lodge had completed its organizational procedures on July 14, 1858, all Lodges that were then under its jurisdiction were renumbered according to their seniority, and Brant Lodge then received the number '45', which it retains today.

Many people over the years have visited the grave of Joseph Brant, and a number of these, wishing a souvenir, would chip pieces from the cement vault in which the body of Joseph Brant was enclosed. In order to stop this vandalism, an iron fence was erected around the outside of the vault. Over

a period of time the inscription on the vault became less visible, and in order to preserve the information, the Masonic Foundation of Ontario had a bronze plaque made, with a duplication on it of the faded inscription on the vault. This was erected on the side of the iron fence for the information of the general public of the great person who was interred there.

The Masonic Foundation of Ontario also donated 100 Bibles and 100 Prayer Books for use in the historic church. In 1984, a group of Masons from the Brant Masonic District formed a Committee to work within the District to acquire funds for the obtaining and installing of an organ in St. Paul's, Her Majesty's Chapel of the Mohawks, at Brantford. The fundraising was completed, and the organ was paid for and was installed during July, 1986, at a cost of \$20,800.

In these various ways it is hoped that the public would recognize the close affiliation of the Indians, and especially Worshipful Brother Joseph Brant, with the Principles of the Masonic Order.
