ABOUT ME

I'm Bintang Pratama, an ordinary, chill, and professional yapping guy called Tama and have been living in Yogyakarta since 2014. By that time, I developed my skills, especially in graphics designing and photography, especially in landscape photography. At this time, I have so many unposted of my images that still in my draft, but I'd like to share it soon:)

SKILLS

- Basic design graphics editing in Canva and another apps (excluding Figma, but I want to learn it)
- Photography, especially in landscape photography.
- Simple video editing with Capcut and another mobile video editing apps.
- Copywriting and caption generating ability.
- Social media management

- Division of Publication and Media at Action Plan PIONIR Gadjah Mada (2025)
- Coordinator of Publication and Media at Komunitas Pustakawan Taruna (KOMPUSTA) SMAN 1 Jetis (2023–2024)
- Storywriting at short film project (2023–2024)
- Division of Design, Decoration, and Documentation at Komunitas Pustakawan Taruna (KOMPUSTA) SMAN 1 Jetis (2022–2023)
- Coordinator of theater projects in SMAN 1 Jetis (2023)

EXPERIENCE

MY PROJECTS

Here is my project, especially in digital editing and design. I usually use Canva for designing because it's really easy to use and portable.

Most of them are posted in Instagram for reasons.

My leaflet project that contain environmental awareness. Designed in Canva (2024)

MY OTHER PROJECTS

I've done so many things in my high school, especially in designing and photography. Not just that, I also do some copywriting and script writing for short movie projects.

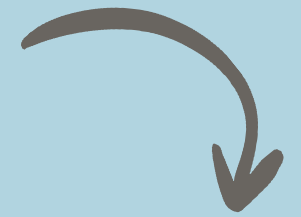

I've been writing for over 3 stories for different short movie projects. And yet it gave the best result.

Beside that, there's bunch of my posters and infographics that I've been created in past 3 years.

My latest infographics about drug abuse prevention. Placing in 2nd award
