

2025

**Waterville Area Art Society  
Membership Form**

**Join the Fun!**

Are you looking for a group where you can find answers to questions about art, share your creative ideas with others in your field, participate in educational and artist programs, and have fun doing it? Then the Waterville Area Art Society is the group for you!

Established in 1986, we are an active and growing group. Dues from membership help with organizing art workshops and events, fund programs such as the Maine Open Juried Art Show (MOJAS) and art scholarships for area high school students, and invite guests to speak and demonstrate at our meetings. A monthly newsletter keeps members informed.

We meet at the **Winslow Congregational Church, 12 Lithgow St, Winslow, ME** at **6pm** on the **first Thursday** of the month, between **March and November**. Guests are always welcome to come to our meetings. We have a variety of committees, members' shows and volunteer opportunities — we would love to tell you about them!
