

Change a Radios Name

This guide provides a straightforward approach to renaming a radio within a user management system, ensuring that users can easily personalize their devices. By following the outlined steps, individuals can efficiently update the radio's name, enhancing organization and usability. This resource is particularly useful for administrators or users looking to manage multiple radios effectively.

1 Click "Department Management"

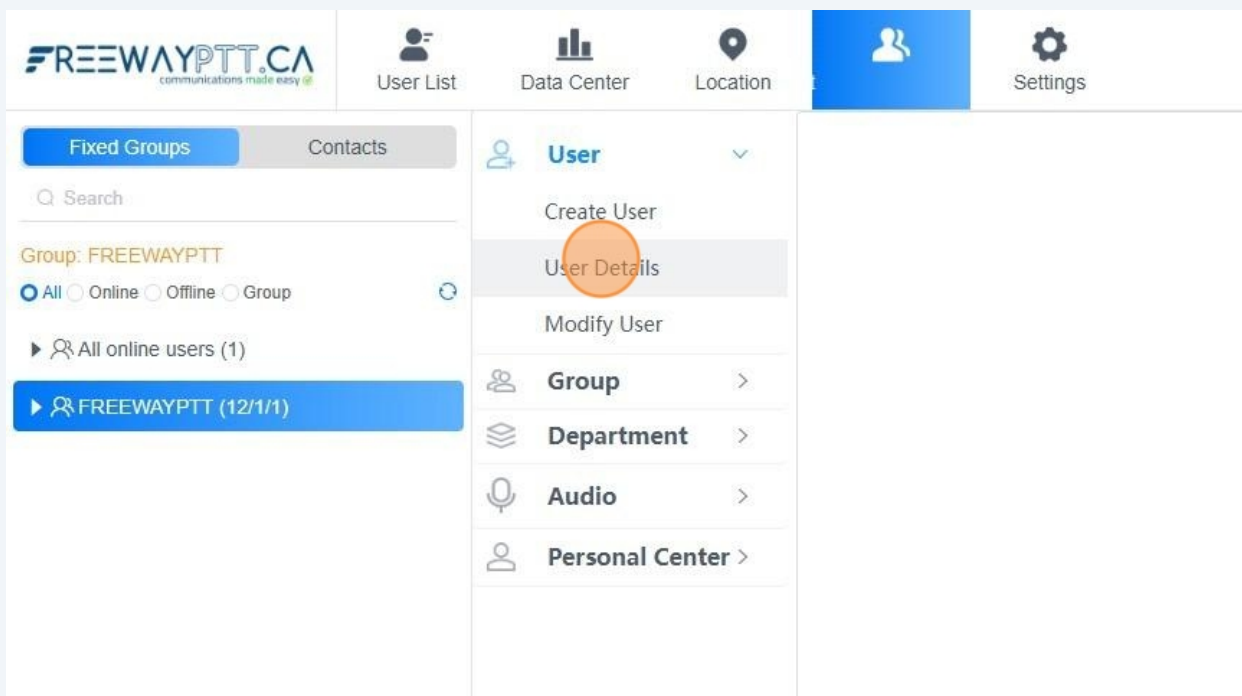

2 Click "User"

The screenshot shows the FreewayPTT.ca user management interface. The top navigation bar includes the logo, 'User List', 'Data Center', 'Location', 'Department Manager', and 'Settings'. The 'Department Manager' tab is active. On the left, there are tabs for 'Fixed Groups' and 'Contacts', with a search bar below. The main content area shows a list of groups, with 'FREEWAYPTT (12/1/1)' selected. On the right, a dropdown menu is open, showing options: 'User', 'Group', 'Department', 'Audio', and 'Personal Center'. The 'User' option is highlighted with an orange circle.

3 Click "User Details"

The screenshot shows the same FreewayPTT.ca user management interface. The 'User' option in the dropdown menu is now expanded, showing sub-options: 'Create User', 'User Details', and 'Modify User'. The 'User Details' option is highlighted with an orange circle. The rest of the interface remains the same as in the previous screenshot.

4 Click 'Query all (positive order)'

The screenshot shows a navigation bar with 'Location', 'Department Management', and 'Settings'. Below it is the 'User Details->' section. There are input fields for 'User Name', 'User Account', and 'Group ID', each with a 'View' button. Below these is an 'Order ID' field with a 'View' button. At the bottom of this section are two buttons: 'Query all (reverse order)' and 'Query all (positive order)'. The 'Query all (positive order)' button is circled in orange.

5 Click the user account (in blue) for the radio you wish to change.

The screenshot shows a 'Personal Center' sidebar on the left and a table of user accounts on the right. The table has columns for checkboxes, account IDs, names, roles, and status. The account ID '868753033520003' is circled in orange.
