

Ideal English School , RAK
Child protection and safeguarding: e-
safety Parent/Carer Acceptable Use
Agreement

We have an Acceptable Use Agreement in place to safeguard children in their use of technologies such as the internet, mobile phones, digital devices, etc. We want to ensure that:

- children will be responsible users and stay safe while using the internet and other communication technologies (for educational, personal and recreational use)
- school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk
- parents/carers are aware of the importance of e-safety and are involved in the education and guidance of their children with regard to their online behaviour.

The school will ensure that our students have good access to ICT to enhance their learning and expect that they agree to be responsible users. A copy of the Child Acceptable Use Agreement is attached, so that you as a parent/carer are aware of the school expectations of the children in our care.

As the parent/carer of a student at Ideal English School I:

- know that my child has signed an Acceptable Use Agreement and receives e-safety education to help them understand the importance of safe use of ICT – both in and out of school
- understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that children will be safe when they use the internet and ICT systems.
- understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies
- understand that my child's activity on the ICT systems will be monitored and that the school will contact me if they have any concerns about possible breaches of the Acceptable Use Agreement
- encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.
- Got involved with their children in regular discussions regarding different challenges they might face through surfing the internet.

Child's name.
Parent/carer name.
