

IDEAL ENGLISH SCHOOL, RAK.

Vision: To achieve academic excellence through an inclusive education and to develop our students into versatile, competent and lifelong learners & responsible global citizens.

Acceptable Use Policy for Young Children (eg for those aged 8 or younger)

This is how we stay safe when we use computers:

I will ask a teacher / an adult if I want to use the computer

I will only use activities that the teacher /an adult has told or allowed me to use.

I will take care of the computer and other equipment

I will tell my parent / teacher if someone contacts me online to whom I don't know .

I will not give out my personal information to any stranger online.

I will ask for help from the teacher / an adult if I am not sure what to do or if I think I have done something wrong.

I know excessive use which may impact on my social and emotional development and learning.

I will tell the teacher / an adult if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer.

M

Don't Meet Up

Never arrange to meet an online friend because it can be dangerous. No matter how well you think you know people, they might be pretending.

A

Accepting Emails can be Dangerous

If you receive junk mail (called Spam) or messages which make you feel uncomfortable, tell an adult that you trust and delete them. Don't reply to them!

R

Reliable?

The Internet is full of friendly people and amazing information. However, sometimes people might say or write things which are untrue, so you should always think carefully before trusting what you see or hear.

T

Tell Someone!

Most of the time that you are online, you will have lots of fun. However, if you see something that makes you feel uncomfortable or worried, make sure that you tell an adult who you trust.
