

ARQ LEGAL

UNLEASHING LEGAL PASSION

We are what we repeatedly do.
Excellence, then, is not an act,
but a habit.

A new vision

The evolution of our world is accelerating, requiring businesses and professionals to balance agility with the maintenance of core values. In today's complex environment, no company is solely influenced by local policies or practices.

We believe that fostering resilient human connections with our partners is the key to harnessing the energy of these new times. Whether we are leveraging today's virtual technologies or exploring the future of space, successful businesses are built on strong and passionate teams who understand the significance of core values and actively voice them.

Our team of legal professionals demonstrates the high performance and exemplary track record necessary to address important business decisions, emphasizing a personal and committed approach to human interactions. We aspire to be the team you can confidently turn to when exciting opportunities arise or difficult decisions must be made.

Let's embark on this journey
together!

Delivering
legal
services that
matter

Our core values

Working with us

Trust

We believe that outstanding service is rooted in building strong, trusting relationships. We value our clients and the businesses they have created, and we work diligently to establish partnerships that endure over time.

Excellence

Our work is driven by passion and a commitment to excellence. When collaborating with our clients, we dedicate ourselves fully to every project. By partnering with us, you can expect a reliable and devoted team that is completely focused on delivering exceptional services tailored to your needs.

Swiftness

Our enthusiasm lies in the field of law. Our team of skilled and experienced lawyers ensures that clients can navigate a fast-paced environment while adhering to the highest legal standards.

Our mission

Our team of highly skilled and dedicated lawyers has been providing exceptional legal services for over two decades. With an unwavering commitment to our clients, we approach each case with the highest level of professionalism and care.

Together, we can anticipate and address the legal challenges of the future. Let's collaborate to create innovative solutions that meet your needs today and tomorrow.

We are here to support you every step of the way.

Our services

Transactional law

We provide end-to-end management of transactional deals, including inception and due diligence processes, structuring & negotiation, closing, and post-closing services.

Technology & IT law

We develop contractual frameworks to facilitate the development and monetization of any software solution, including JDA, SaaS, open-source licensing, and any other licensing structure.

Intellectual Property

We provide a wide range of IP services, such as complex assessments of IP holding structures and management, trade secrets and know-how protection, as well as trademark and patent compliance.

Blockchain & AI

We provide legal assistance for businesses in the cryptocurrency industry, including contracts with exchanges, NFTs, and scaling through STOs and ICOs.

High-quality legal services are one of the driving forces behind successful businesses and industries.

Our day-to-day services

Corporate

We offer everyday corporate compliance and excellent guidance on delicate matters, such as Shareholder Agreements, corporate succession planning, and management.

Dispute & resolution

We offer integrated legal assistance on a diverse range of disputes, including fiscal, administrative and general business.

Contracts

We deliver outstanding drafting, negotiating and post-closing services for general and complex contractual structures.

Employment law

We provide comprehensive employment services, covering everything from basic documentation to complex restructurings, business transfers, and internal regulations.

Stock Option Plans

We structure group-level contractual frameworks that enable the incentivization of employees and valuable partners.

Consumer protection

We ensure conformity with consumer protection regulations, including labeling, pre-contractual information, and notices.

Our day-to-day services

Media & Telecom

We offer assistance in the design and implementation of contracts with CMOs, marketing agencies, and other social media providers, as well as during regulatory authorizations and conformity assessments.

Online marketplaces

We provide a comprehensive legal solution for your digital presence, including drafting of contracts and compliance with mandatory provisions.

Data Privacy

We provide assistance with personal data regulatory compliance checks and assessments, data transfers, and day-to-day conformity, including website conformity and cookies.

Public procurement & authorities

We assist our clients with structuring and reviewing any public procurement procedure.
