WASHINGTON
HARDWOODS
COMMISSION

ANNUAL SYMPOSIUM

June 6, 2024
Veterans Memorial Museum
Chehalis, WA

Get set for an action-packed day at the Washington Hardwoods Commission's (WHC) 33rd Annual Symposium! Dive into the theme "Hardwoods Make it" with topics from Soil Enrichment to Silviculture and Seedlings, Biodiversity, Carbon Sequestration, Markets, and Forest Industry Legislation. Wrap up the day with a hands-on eye-opening field tour to a 19-year-old Alder stand, where we'll forecast growth using Growth & Yield charts, comparing them to Douglas fir stands. Plus, by backing the WHC, you're supporting a greener future, partnering with the softwood industry to revolutionize logging practices. Don't miss out—sponsor today and join the movement for a sustainable hardwood industry!

Thank you from the WHC commissioners: Steve Witherspoon, Nippon Dynawave Packaging; Bill Bush, Northwest Hardwoods; Colton Cooley, Rayonier; Erik Metcalf, Cascade Hardwood Group; Ed Orcutt, Cascade Forest Management; Rick Stonex, Xenots Solutions, LLC; Rich Weiss, DH Buse Enterprises
