

**WHC Annual Symposium - June 4, 2026 - Veterans Memorial Museum - Chehalis, WA**

Sponsoring "Growing Value Across the Landscape" supports critical discussion on the issues shaping Western hardwoods—from regulation, environmental policy, and legislative challenges to the economics of growing hardwoods. Sessions will explore DNR's view of hardwoods across the landscape, from seeds and seedlings to harvesting practices and stand management. Research updates on clones and growth & yield will be paired with industry panels on products, markets, and marketing. Your sponsorship helps bring together landowners, researchers, and manufacturers to strengthen the forest products sector.

Thank you from the WHC commissioners: Steve Witherspoon, Nippon Dynawave Packaging; Bill Bush, Northwest Hardwoods; Colton Cooley, Rayonier; Erik Metcalf, Cascade Hardwood Group; Elaine Oneil, WFFA; Ed Orcutt, Cascade Forest Management; Rick Stonex, Poplar Innovations.
