Mom, Dawn Address is on on the one envelope you have with Kelvins
Medical info Dawn Mailed. Send her a card and do Kelvins hand
writing on it. As Long as she doesn't call donot tell her. Hopefully
I'll get out before she knows! ALSO if you come out here to
see me, call Greg + Charsten, maybe they can watch Kelvin.
You CAN take 27 to Exit 59, I think 27 is better
than LIE. I'm in a 23 hour lock up suicide? watch
I get one hour to wash, phone call if the phone is turned on
and walk around. Other than that, there's nothing else to do.
This place is Hell. Remember, ~~what~~ the number of Days
in here tack on 9 more, that's the total ALL together. Today
MAY 9th makes 18 Days in JAIL SC + NY. ALL I
think about is Kelvin. I Miss him So much. Hes ALL I have
in life. God was Good to me, To give me A second chance
I wish we still had Mommy too. When I come home I want
to take Kelvin upstate so he can be with his cousin. I Feel
this will be good For his health and his mind. I know
this is taken a toll on you, but I know this is Really
doing a number on Kelvin too. I don't want him to end up
like me. I wish I had a picture of him with me. I
