Vacancy Description

UI/UX Designer

There's a fantastic opportunity to join "Oho!" Agency team as a UI/UX designer. We are looking for someone to turn our software into easy-to-use products for our customers.

Responsibilities:
- Evaluate UX requirements in collaboration with product managers and engineers;
- Illustrate design ideas using storyboards, process flows, and sitemaps;
- Design graphic user interface elements;
- Develop UI mockups and prototypes that clearly illustrate how sites function and look like;
- Create original graphic designs (e.g., images, sketches, and tables);
- Prepare and present rough drafts to internal teams and key stakeholders;
- Identify and troubleshoot UX problems;
- Conduct layout adjustments based on feedback;
- Adhere to style standards on fonts, colors, and images.

Requirements:
- Proven work experience as a UI/UX Designer or similar role;
- Portfolio of design projects;
- Up-to-date knowledge of design software like Adobe Illustrator and Photoshop, Figma, and Miro;
- Team spirit; strong communication skills to collaborate with various stakeholders;
- Good time-management skills;
- A BSc in Design, Computer Science, or a relevant field is preferable.

Languages:
- English: intermediate and higher.
- Russian: intermediate and higher.

What we offer:
- Official employment;
- Opportunity to play an essential role in a fast-growing Startup with an innovative product;
- Substantial responsibility from the early beginning;
- Competitive salary based on your experience and linked to performance.
