Dial-A-Ride is a pre-bookable service operating throughout the Ely & Soham Area five days a week. You must be a member of ESACT to use this service.

Just like any other bus service, Dial-A-Ride has to charge fares, but these are kept as low as possible. Members with a valid bus pass that has been issued by Cambridgeshire County Council can travel on our Dial-A-Ride service for £4.50 and non-bus pass users are £9.00. Our minibuses are fully accessible and equipped with clamps and fittings to secure you and your wheelchair in safely. If preferred the driver can assist you with transferring to a seat.

This is a door to door service and will take you to the designated destinations shown on the timetable. The drivers offer assistance to individual passengers in boarding and leaving the vehicle and makes sure you are transported safely during the journey, but we are not able to offer support once your destination is reached, however you can take an escort with you.

The bus will pick up other members on route and the time of your journey will vary depending on how many people are travelling. Please note that all our times listed on the timetables are **approximate**. You can call the office up to 7 days in advance to book your seat.

Please make sure you have booked before 12pm the day before you wish to travel.
