

All employers are now required by law to provide a workplace pension scheme for staff and pay money into it. TP Select's pension provider is NEST.

We must automatically enrol any of our staff who meet all of the following criteria:

- You earn over £192 per week (or £833 per month)
- You are aged 22 or over and
- You are under state pension age

If you are opted into the pension scheme, you have the right to opt out and details of how to do so will be provided in your Aviva welcome pack. If you do not meet the criteria you will not automatically be enrolled on the pension scheme but can ask to join if you earn over £112 a week.
