

# SPONSOR OUR COMMUNITY

Dear Sir/Madam,

We hope this message finds you well. We are writing on behalf of the Greater Ferndale Community Civic Association. Our purpose is promoting the welfare, raising the standards, securing adequate laws and protection, and developing and promoting youth and senior interests and activities for Ferndale residents. We meet the first Thursday at 7pm every month at our community civic building and welcome all to attend.

Currently, we are asking for support to host Ferndale Day, and other community programs to engage our neighbors. We strive to reach out to our entire area and create opportunities for everyone to enjoy. To ensure the successful implementation of these initiatives, we kindly invite you to participate by providing support through donations.

Your contribution will be allocated to:

- Ferndale Day and other association sponsored events
- Downtown Ferndale Streetscape maintenance and beautification
- Ferndale Civic Building repairs and upgrades
- Wagner Park and 3<sup>rd</sup> Ave Field maintenance
- Community Driven Initiative support

We believe that meaningful change is built through collaboration and shared compassion. Any form of support you provide will be deeply appreciated and responsibly managed.
