

## Luton and District Model Boat Club

### Council Conditions for use of Wardown Park Lake (2021 iss2)

These conditions have been laid out by Luton Borough Council in the licence granting us permission to use the Wardown Park Lake.

1. For safety reasons there MUST be a minimum of 2 members present at any one time to use the lake.
2. Only Sail, Electric and Steam models are permitted. No Internal Combustion powered models are allowed.
3. There is a special parking dispensation for less able-bodied members who are in possession of a BLUE parking badge. Up to four Blue Badge holders may park alongside the lake during normal club activities. Other Club members are allowed to drive to the lakeside for loading and unloading only.
4. A strict 5mph speed limit operates in the park and hazard warning lights must be switched on whilst the vehicle is in motion.
5. The Club has special dispensation to park at the Lakeside several times a year for special events such as Open Days and Evening Sail meetings. All vehicles should be parked in a roped off area.
6. Safety Equipment must be used at the lakeside as in Club Rule 31. (Protective clothing should be worn at all times when entering the lake. Waders and Life Preservers must be worn.)
7. A fire extinguisher must be kept in the Bathing Hut at all times.
8. A condition of use of the lake and the facilities such as the Bathing Hut is that the Club name must remain as Luton & District Model Boat Club.
9. Where appropriate, transmitter radio aerials must have some form of protection at the tip, so as to protect Club members and Public alike. If required the Club Secretary can supply plastic golf balls for this specific purpose.
10. Members MUST carry their membership cards at all times when sailing at the Lake.
11. No vehicles may drive over or past the bridge adjacent to the main compound.
