## WHY CRACKER BITES

- Dollar sales in the cracker category in the 52 weeks ended July 16 totaled \$9.41 billion, up 13% from the same period a year ago, according to Circana.
- Unit sales, though, fell 4.1% to 2.61 billion.
- Of note, Campbell Soup Co. is investing \$160 million in their manufacturing facility to ramp up the output of Goldfish crackers by 50%- indicating that they see the cracker segment as worth growing.
