

NEIGHBORHOOD NEWS

February 2023

Modernism Week

As you may know, our neighborhood is being featured on this year's Modernism Week schedule.

We have six homes on the tour this year and we sold out all 400 available tickets in no time whatsoever.

Please note that our tour is set for **Saturday, February 18 from Noon to 4p**. We'll have a large number of visitors in the neighborhood and cars parked on the streets, so plan accordingly.

We hope to secure a spot on next year's tour as well and feature more of the fantastic homes in our neighborhood. The Board intends to make a donation to the Prescott Preserve from the proceeds.

Special thanks to Randi Merel for spearheading this, all of the volunteer docents, as well as the Davis, Elliott, Gallagher/Koerner, Laufer/Dadario, Aker/Wakefield/Hatch/Tate, and Merel/LeHew homes for opening their doors.

Two of the homes in LBH that will be open during our Modernism Week tour.

Neighborhood Garage Sale

If you need a little motivation for spring cleaning, perhaps this will do it! The date is **Saturday, March 11 from 9a to 1p**. If you're interested in participating, please email Randi Merel at 4randi@att.net.

Annual Meeting – Save the Date

Our neighborhood Annual Meeting will take place on **Saturday, April 29 from 10:30a - 12p**. We'll be in the same spot as last year which is the Sunrise Plaza Community Room. For reference, this is in the building across the way from where the Farmer's Market takes place during the summer season.

Similar to last year, we'll have updates from the city, Prescott Preserve, and elect officers for the coming year. More details to follow.

Spring Fling Social Event – Save the Date

Given the encouraging feedback from our Fall Harvest Party, we'd like to bring the neighborhood together again this Spring. Details will follow, but for now, please save **Saturday, April 29** on your calendar - yes, this is the same day as our Annual Meeting. The fall party was truly enjoyable and a great forum to meet neighbors. Please feel free to share this newsletter with your neighbors, as we are still trying to capture everyone's info for communications.

Neighborhood Merchandise

We still have LBH shirts, hats, and bags if you're interested and will have those available at the Annual Meeting and Spring Fling.
