

Getting to Central Hall MCR By Car

Whilst we encourage visitors to use environmentally friendly ways to get to us, we realise that isn't always possible. We'd love to try to direct you into the City Centre, but there are too many ways in, and you never know what might happen on the roads as you travel to us, so we're sorry, but you'll have to rely on your SatNav of choice to get you into the City Centre. What we can do though is recommend where you park, how to make sure you get the best value from your parking, and how to get from the car park to Central Hall MCR!

Walking To Central Hall

Use either of the staircases to exit the car park.

If you exit and come out under a walkway, turn right.

If you exit facing painted hoardings, turn left.

At the road (Church Street) turn left. Pass the entrance to Afflecks on your right, and once you reach the crossroads look to the right and the main entrance is between 'Julia Cosmetics' and 'Nice Things'.
