

Getting to Central Hall MCR From Manchester Piccadilly Train Station

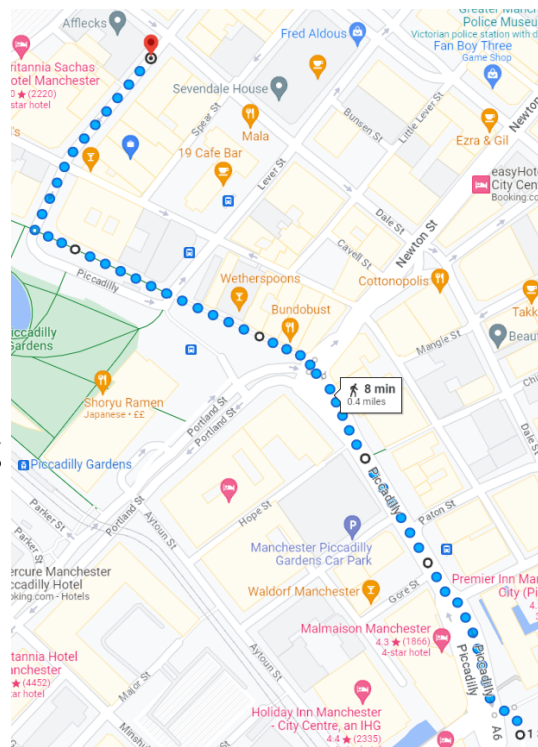

The easiest way to get to us from Piccadilly Train Station is by walking, however taking the tram is also an option. We do not recommend getting the bus.

Walking

From platforms 1-4, the main exit is in front of you. From platforms 5-14, once through the gates, head to the right and bear left as the ticket office sweeps round. From platforms 13 & 14, head up the stairs or in the lift, following the exit signs, go down the travelator and then head to the right.

Once out of the station, follow Station Approach as it leads you slightly downhill to the right. From here, continue walking along Piccadilly until you reach a set of traffic lights. Cross over and bear slightly left. Continue walking until you have Morrison on your right, and turn right onto Oldham Street. Keep walking until you see the shops 'Nice Things' and 'Julia' and the main entrance is between the two.

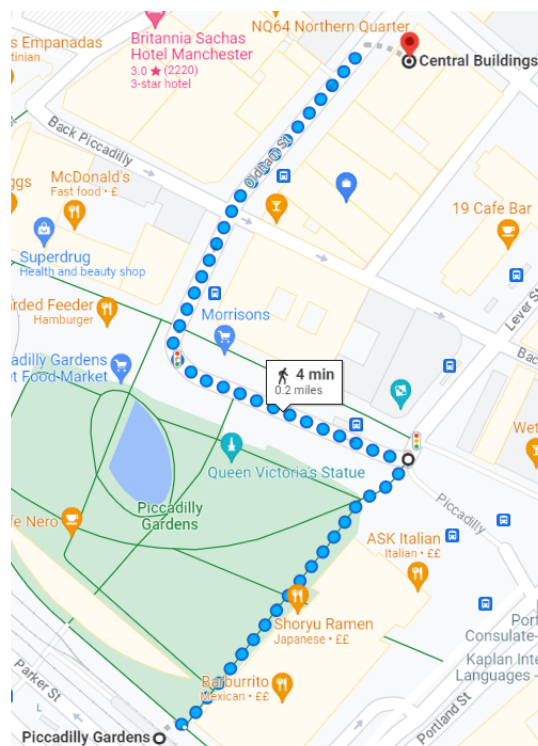

By Tram

From your platform, follow the signs for the Metrolink. From here get a Pale Blue, Purple or Yellow line tram to Piccadilly Gardens.

Once off the tram walk through the gap between the end of the concrete wall and Barburrito, and walk with Piccadilly Gardens to your left. When you reach the road turn left onto Piccadilly.

From either direction continue walking until you have Morrison on your right, and turn right onto Oldham Street. Keep walking until you see the shops 'Nice Things' and 'Julia Cosmetics' on the righthand side of the Road.
