MEMBER PLEDGE

As a member of HSSR, I pledge to produce, promote and market registered Harlequin sheep through candid and honorable representation.

I will strive to produce the best stock possible in accordance with the Breed Standard and not attempt to dilute the breed by cross-breeding other than that which is allowed specifically by the Registry.

I will not disparage the breed, this registry, other breeders in good standing, or individuals via social media, websites, advertisements, marketing materials, emails or verbally.

I understand that failure to comply with this Code of Ethics may result in suspension of membership privileges and possibly suspension from the registry.
