Why we earnt badges & why it's important to get them sewn on

The aim behind Scouting is to learn skills for life. We show that they have learnt the skills by presenting badges. It means a lot to youth members that the badges they have earnt get sewn on in a prompt manner.

Badge Sewing

We do have people available to sew your youths badges on for a fee. $10 for investment badges and $2 each per Achievement Pathways badges. Enquire with a leader for further information if you require this services.
