

The Martin Chronicles

Our Team Members

Dear Ministry Partner,

We are thankful you faithfully pray for us. We know it is your prayers that sustain us.

We would also ask that you pray for our team members. Their faithful service allows this ministry to function. Each of them is a unique creation of God with different gifts.

updating the church database.

Rungsiri is from the Karen tribe and is our expert book maker. She has worked with us for nine years. She also helps in translating materials from the Karen language to Thai and

Nancy has also worked for us nine years. She is skilled in many computer related tasks. She is getting married soon and will be leaving us shortly. Pray for her as she is not a believer even though she has been exposed to the gospel for many years.

Phichai is responsible for updating the church database. He is well known among Thai pastors which helps tremendously when he calls them for the latest church data. He also helps us with visas and government relationship activities.

Kath is our office manager. She is from the Mien tribe and the only Christian in her family. She is very detailed and diligent and we are very blessed to have her working with us. She is also responsible for mentoring those

who visit our evangelistic websites and Facebook pages.

Busaba is our newest team member. She is a graphic designer which is a skill set we have needed since we started printing books. She is also from the Karen tribe.

Nur keeps us neat and tidy. She comes to the office twice a week to clean the office. She is a great blessing to us and has a sweet servant heart. She is always willing to help when there is a need.

Crystal, our daughter, has helped us this past year in getting the Print on Demand system organized and functioning efficiently. We will miss her as she returns to Minnesota next month.

EJ is from Holland. He has worked with us for three years. During this time he developed the Harvest database which allows us to update the growth of the Thai Church in "real time". It is the only system of its kind in the world.

Please pray that God will richly bless each of their lives and ministry.

May God Bless You,

Dwight & Mary Kay Martin

Projects

The following are our ministry needs

Thailand Resource Center

As you are probably aware we are purchasing the property where our office is located. From the initial \$180,000 purchase agreement, \$130,000 remains to be paid over the next 3 years. The next \$50,000 payment is due January 2016. Will you consider joining us in purchasing this property?

Exposing the Dark Areas

Most of our work is providing resources to Pastors and Missionaries to expose the many dark areas in Thailand. The overhead expenses including salaries and technology is \$25,000 a year. Would you consider supporting this project?
