

16. If you win this award, a short description of your achievements will be posted on the TKSRBA Website and Facebook page. Write what you would like to be printed in 300 to 600 words. Please Note: This is a separate page and does not count toward the page count. Failure to include this question and follow directions will result in a 20 point deduction.

Hello, my name is Lucas Kidd. I am 10 years old and this is my first year competing in royalty. I got my first rabbit in 2022 and have gotten several more since. I raise flemish giants and polish rabbits. I joined our local 4H club Barren County Fur & Feathers and the ARBA in March 2023. I got to show my rabbits for the first time at the rabbit show in Shelbyville, Ky. I really like getting to show my rabbits. I started doing showmanship with my little blue polish rabbit named Peanut and have won 1st place three times.

My family and I started a small animal cage and supply business after I got into rabbits because there was no one local to get cages from. I get to help them make the cages at our shop and help with the vendor booth we set up at local rabbit shows to sell cages and rabbit supplies. When I'm not showing rabbits or working with my rabbits I enjoy getting to play outside, play baseball, play basketball, play on my Nintendo Switch, ride my hoverboard, ride my bike, and camping with my family. We have camped a bunch of different places over the past several summers. We have stayed at a bunch of local State Parks and even camped in Gatlinburg for Thanksgiving a couple of times. It is super fun to get to camp in Gatlinburg because there is lots to do there. While we are camping I enjoy getting to ride my bike, go fishing, ride my hoverboard, play outside, roast marshmallows, play at the playground and make new friends with other kids at the campground. Sometimes we will get a wiffle ball game going with my dad and the kids at the playground. I have also got to bring a couple rabbits with me camping. They get to stay in the camper with us. It's pretty funny to see peoples reactions to us having rabbits with us while camping.
