15 April 2024

Dear Parents/Guardians,

OISESA Quality Assurance Process

PPS has been selected by ISASA for a quality assurance evaluation during June this year. The evaluation will be conducted by the Office of Independent Schools Evaluations, Southern Africa (OISESA), an independent organization which specialises in evaluating ISASA member schools.

The evaluation process is guided by a set of globally aligned Standards Indicators, covering the school's mission, governance and leadership, sustainability, culture and climate, communication, the education programme, staffing, student wellbeing, safeguarding, health and safety as well as facilities and infrastructure.

We are in the process of compiling a self-study report ahead of the onsite school visit, examining each of these areas to celebrate what we do well, and to identify areas in which we can improve. Part of the data collection process involves the administration of surveys for parents. Links to the surveys will be shared by email on 22 April. The survey can easily be completed on cell phones or on laptops. No login is required to ensure that your responses are completely confidential. The surveys will only be available from 22 to 26 April and will closed on the 26 April at 12:00.

We appreciate you taking the time to complete the parent survey – your feedback will help us focus our attention on growth opportunities, ensuring that PPS continues to act in the best interest of our learners. If you have any questions regarding the parent survey, please do not hesitate to contact our school office.

Kind regards,

Tessa Harmse
