

PRETORIA PREPARATORY SCHOOL

28 May 2024

Dear Parents/Guardians

Our term 2 parent meetings are due to take place on:

- **TUESDAY, 11 JUNE 2024: GRADE 0-7**

To aid you when booking times when you are available, each teacher and therapy team have set up an online booking page. You will receive links via email on 30 May – please use these links to book appointments. One link will be from the class teacher and one from your child's therapy team. The therapy appointments will be with both therapists at the same time. Should your child have only Speech or OT, the other therapist will step out during that meeting.

We trust that the online booking system will ensure the smooth running of parent meeting appointments.

Please note:

- Teachers are only available for appointments from 14h00 or 15h00 (depending on their extramural commitments)
- Therapists are available both during the mornings and afternoons.
- The last appointment time is at 17:40.

Yours sincerely

Mrs S Wagenaar
