Dear Parents / Guardians

SECONDHAND UNIFORM / SPARE UNIFORM FOR EMERGENCIES

We would really appreciate it if, when cleaning out cupboards, any uniform that is too small but still in good condition, especially rugby shorts and tracksuit pants, could be donated to school for our secondhand uniform / spare uniform for emergencies cupboard.

Should you have any other clothing and shoes that is too small but still wearable, you could bring that as well and we will make sure that Mamelodi Drop-In Centre receives the items for their children.

We really appreciate any donations that we receive.

Thanking you in advance.
