**EXTRAMURAL BEHAVIOUR STRATEGY:**

As per the school behaviour policy, behaviour is encouraged positively. Should further action be required the following steps will be followed:

1. Encouragement and warnings given by extramural teacher; 2. Child sent to Extramural Coordinator where a reminder of appropriate behaviour is given; **IF PROBLEMS PERSIST** 3. Child discusses behaviour with the Extramural Coordinator discussing more appropriate choices of behaviour, a first warning is issued (parents emailed); 4. On continuation of the behaviour to the point that the activity cannot continue in any given session, the Extramural Coordinator will discuss a one week time-out from the extramural and a 2<sup>nd</sup> warning is given; 5. On the 3<sup>rd</sup> intervention by the extramural coordinator, the child is asked to leave extramurals for the remainder of the term (parents emailed). They will be welcomed back in the following term.

Children are asked to wear or bring their takkies and stipulated sport clothing requirements on the days they participate in any sport related activity.
