

WILLIAM SKAGGS

Flagstaff, AZ 86001 • (623)296-3075 • wjs77@nau.edu

Professional Summary

As a soon-to-be engineering graduate with a passion for innovation and a strong foundation in core engineering principles, I am eager to embark on my professional journey. With a rigorous academic background and hands-on experience gained through various internships and projects, I am well-prepared to contribute to a dynamic and forward-thinking organization. I especially hope to utilize my keen eye for detail and my dedication for continuous learning.
