Terms and Conditions of being treated at our Practice

- Please confirm and honour appointment dates and times.
- Cancellations may be communicated via email to requests@buchananwellness.co.za or liz@buchananwellness.co.za. Please notify us at least a day ahead or before 09h00 on the day of your appointment.
- Please be punctual for your appointment.

- If you arrive more than 15 minutes after your scheduled appointment time, the Doctor may require you, depending on the constraints, to reschedule your appointment for another day.
- Do take particular care of prescriptions you are issued with. Some scripted items are scheduled medication and may under no circumstances be re-scripted due to expiry, loss, damage or theft of prescriptions.
- Prescriptions that are altered or tampered with by a patient will not be re-issued and patients may face consequences.
- Should an appointment need to be rescheduled by the Practice or the Doctor due to unforeseen circumstances, neither the Practice, nor the Doctor will be held accountable for any cost incurred in any travel arrangements.
- All effort will be made to notify patients well ahead of time should this occur.
- It is important to disclose all medical information in its entirety. If a patient does not disclose all medical information, the Doctor has the right to terminate the relationship.
- Dr Galvin and Dr Lochner share premises and practice independently of each other. Should there be any ensuing liability this would lie with the treating Doctor.
- Please note any recording of consultations is strictly prohibited.
- Right of Admission is Reserved

POPIA

Kindly assist us in our effort to enact all conditions of Section 58(2) of POPIA from 1 February 2022 by accepting this notification from Dr Galvin Inc at Buchanan Wellness at A6 Meyrickton Park, 2 Meyrickton Place, Hillcrest 3610.

As a Medical General Practice we hereby request to obtain your prior authorisation to process a specific category of personal information from you as a patient for the sole purpose of processing medical reports, test results, treatment history and treatment planning to specified referred Medical Colleagues, Specialists and Medical Schemes within the reference frame of your treatment and upkeep of general wellbeing. The Practice makes use of electronic communication for sending statements and patient centred data. You hereby consent to having private information communicated via email, text messaging or whatsapp, within the reference relevant to your general health and treatment and that of your family under the age of consent.

As the patient it is your responsibility to ensure that the relevant personal information records remain up to date.

Please date and sign this document to acknowledge that you have read, understand and accept all the terms and conditions in this document.
