Minutes for meeting held January 10, 2024 were read into the record and accepted.

No Tech Talk this month.

Old Business:

Continued discussion on the establishment of a Club Station for club members use. Radio to be used for this type of station would be a Flex Radio coupled with a dipole antenna and tuner. Approximate cost for this type of configuration would be in the neighborhood of \$2000.00. Suggestion was made to send an e-mail to all club members and possible new members to have their input as to whether or not the establishment of a club station would be worth while. It was deemed that this would be a good idea and to proceed with this endeavor.

New Business: No new business.

7:20 Motion to adjourn.
