

## Electronic Press Kit (EPK) for Pete and the RePeters

### **About Pete and the RePeters**

Pete and the RePeters is a captivating one-man-band experience, blending the live energy of a solo performance with the full-band sound of a backing track. Pete, an accomplished guitarist and vocalist, adds a creative twist by featuring live video of himself playing every instrument. This creates the unique illusion of an entire band performing alongside him in perfect harmony.

Specializing in hit songs from the 1980s to today, Pete delivers a dynamic and engaging performance that appeals to audiences of all ages. Whether you're looking for high-energy entertainment or smooth acoustic vibes, Pete and the RePeters has you covered.

## Performance Highlights

- **Genre:** Pop, Rock, and Top 40 hits from the 1980s to current day.
- **Instruments:** Live guitar and vocals accompanied by professionally recorded backing tracks and video performances.
- **Vibe:** High-energy, immersive experience suitable for private parties, bars, festivals, corporate events, and more.

## Sample Song List

### 80s Hits:

- "Centerfold"-J. Girls Band
- "Sultans of Swing" - Dire Straits
- "White Wedding" - Billy Idol

### 90s Favorites:
