

ELECTRICAL & INSTRUMENTATION

COMPANY PROFILE

Corporate Mission

Legasi Selatan is setup to provide the best engineering service for a wide range of industries, including electronic, F&B, automotive, port terminal, WWTP, petrochemicals and O&G. The services offered are

Provision of instrument verification, calibration including SIS function testing ■ Pre-commissioning works & loop checking ■ Electrical and instrument control system design including safety and process system upgrade ■ Maintenance support for industrial needs ■ PRV& Control Valve service

WE DO IT BEST

We fully committed in delivering result for our client with strong support from highly skilled workforce and driven by latest technology in ensuring client satisfaction and profitable business.

We are certified Electrical Contractor issued by Suruhanjaya Tenaga (ST).

We are a CIDB G4 certified company with specialization in category E03 E04 E06 E07 E08 E10 E11 E16 & E17.

Certified contractor with IPA Type D Permit (sewerage) issued by Suruhanjaya Perkhidmatan Air Negara.

Legasi Selatan Sdn Bhd is fully committed to meet requirements with **deliver high quality Service, on time at competitive prices through process management and continual improvement.**

Objective.

1. **Improve Customer Satisfaction** | satisfy new customers, achieve higher levels of satisfaction of loyal customer.
2. **Improve Supplier performance** | through timely supplier corrective action and supplier development activities.
3. **Improve Works Process** | through teamwork aimed at reducing scrap, rework, waste, cycle time variation, etc.
4. **Improve Service Quality** | through teamwork aimed at reducing defect, return, 'Within spec' variation, etc.
5. **Improve On-time Delivery Performance** | through better planning and resource management.

SHE POLICY

It is our policy to ensure that all works are provided with a safe working environment and that all working procedures are in accordance with sound environment principles.

To maintain this policy, the company's objective are.

1. To prevent all occupational illness, accidents and incidents.
2. To ensure staffs at all levels understanding their responsibilities towards HSE.
3. To prepare and keep up to date guidelines on HSE matters in all area's operation.
4. To providing adequate training in-house or through recognized training institutes.
5. To providing the opportunity for staffs to participate in the development of standard safe work practices and in the identification of safety hazards.
6. To ensure that the necessary personal safety equipment is available and properly used to protect employees from those hazards, which cannot be eliminated.
7. To develop and maintain HSE work practices and reporting procedures with statutory guidelines and client's requirement.
8. To be sensitive to the local community concern about the environment.
9. To promote environmental awareness and a sense of responsibility in all staff company, suppliers, and clients.
10. To employ the best environmental standards and procedures to protect land/water resources even in the absences of any requirement to do so.
11. To ensure all staffs and all others who may be affected either directly or indirectly by companies' activities have the opportunity to lead a safe and fulfilling life without disabling injuries.

WHAT WE DO.

Our activities range from supply of basic component design, installation & commissioning of comprehensive packages.

1. Instrument Maintenance Calibration Services.

To get superior service in calibration, all calibration work undertaken by us is carried out according to known national standards or international standards, procedures, methods or to the manufacturer's specifications unless or otherwise requested by the customer. We assure full confidentiality for all the calibration service performed.

We focus on developing service that improve our customers' processes by using Calibration software (**CMX-Professional V2.10**). It's developed to make our job easier, faster and more compliant with quality and regulatory requirements. Beamex CMX calibration software is an advanced, yet easy to use software solution that helps document and manage process plant instrumentation calibration results.

2. Design & Fabrication of control system (Electrical & Instrumentation).

With our technical expertise, we are often involved in various stages of project involving special package; ranging from design, specification, supply installation, testing & commissioning (Inclusive Field-bus, Wireless and Hart protocol devices.)

3. Electrical & Instrument maintenance and repair works.

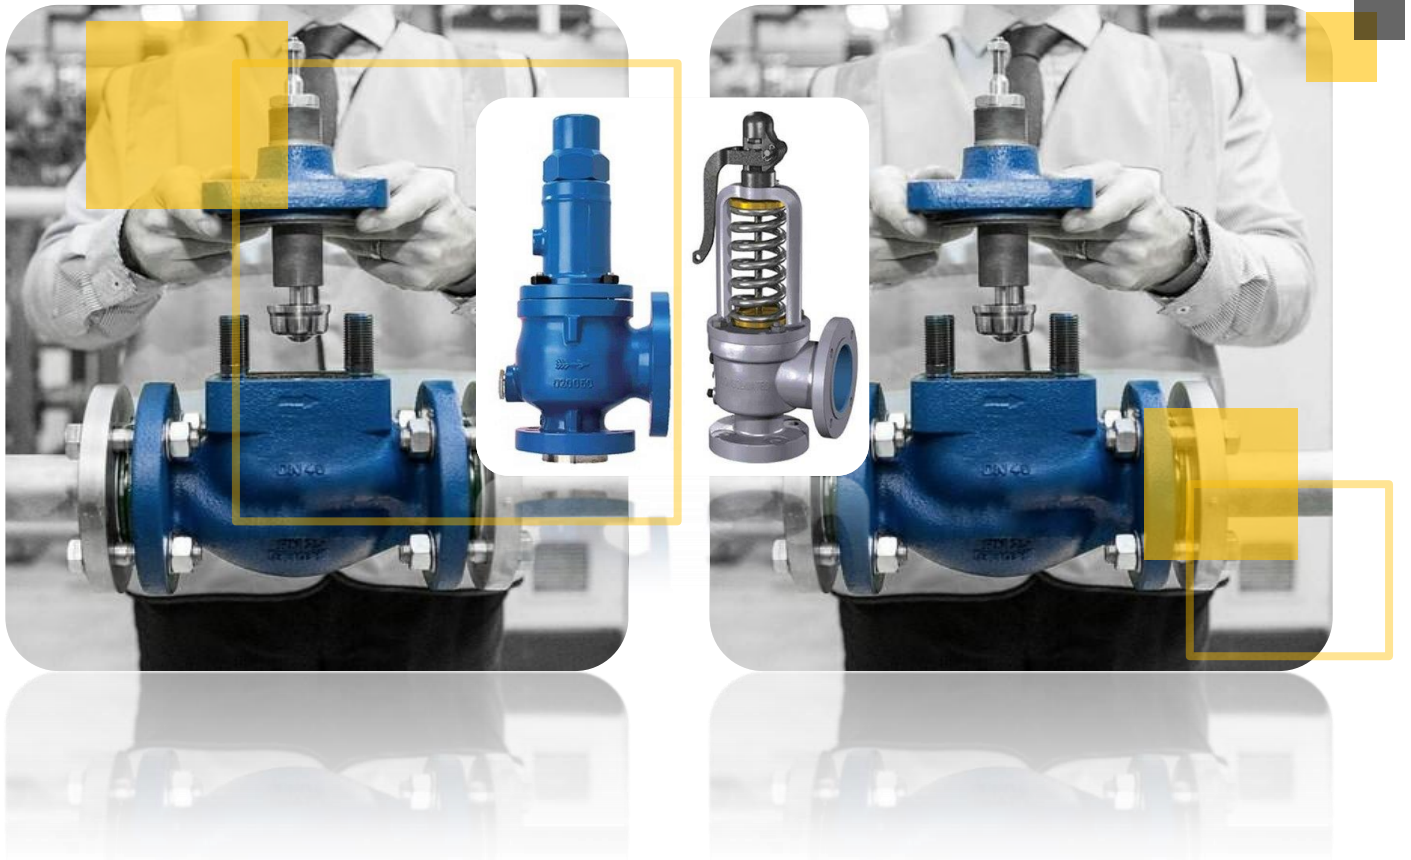

We broaden our offering of diverse service in maintenance works in multiple industries: -

- Safety Instrumented System (SIS) Proof Test
- ATEX/Explosion Proof Plant Inspection
- Vessel Electrical & Instrument maintenance and repair works

4. Valves.

Control valve & Safety valve refurbish complete with calibration works, leak and passing test.

5. Supply, service, installation, testing & commissioning and troubleshooting of ELV - Extra Low Voltage.

■ Fiber Optic (Splicing & OTDR) ■ Card Access System ■ Close Circuit Television-CCTV ■ Barrier Gate System ■ LAN and communication System.

6. Electrical HV/LV Services.

■ VCB/ACV service and inspection ■ OCR/EFR calibration/verification test ■ Capacitor Bank Maintenance ■ Earth System inspection and improvement ■ Infrared Thermography.

7. Packages & Partnership.

Effective on Mar 2017 "Legasi Selatan Sdn Bhd" has been appointed as System Integrator Partner by **"Phoenix Contact Malaysia Sdn Bhd"**. Our main scope as System Integrator for Automation and Networking (PxC Smart Relay + PLCs + HMI).

KEY MANAGEMENT

Md. Rizal Bin Masri | Director cum Operation Coordinator.

Rizal Masri is a Founding of Legasi Selatan Sdn Bhd. He has 21 years of working experience in the field of electrical engineering, instrumentation, industrial control and automation. His background is in Polytechnics studies, and he has Chargeman Certificate (LV) from the Energy Commission Of Malaysia , Certify Of Qualified Person as Grid-Connected Photovoltaic System (GCPV-Chargeman) form SEDA and Certified of Proficiency Fiber Optic (1C & 2C) from Telekom Malaysia Berhad.

Rizalzaihan Bin Mohd Shah | Director cum Project Coordinator.

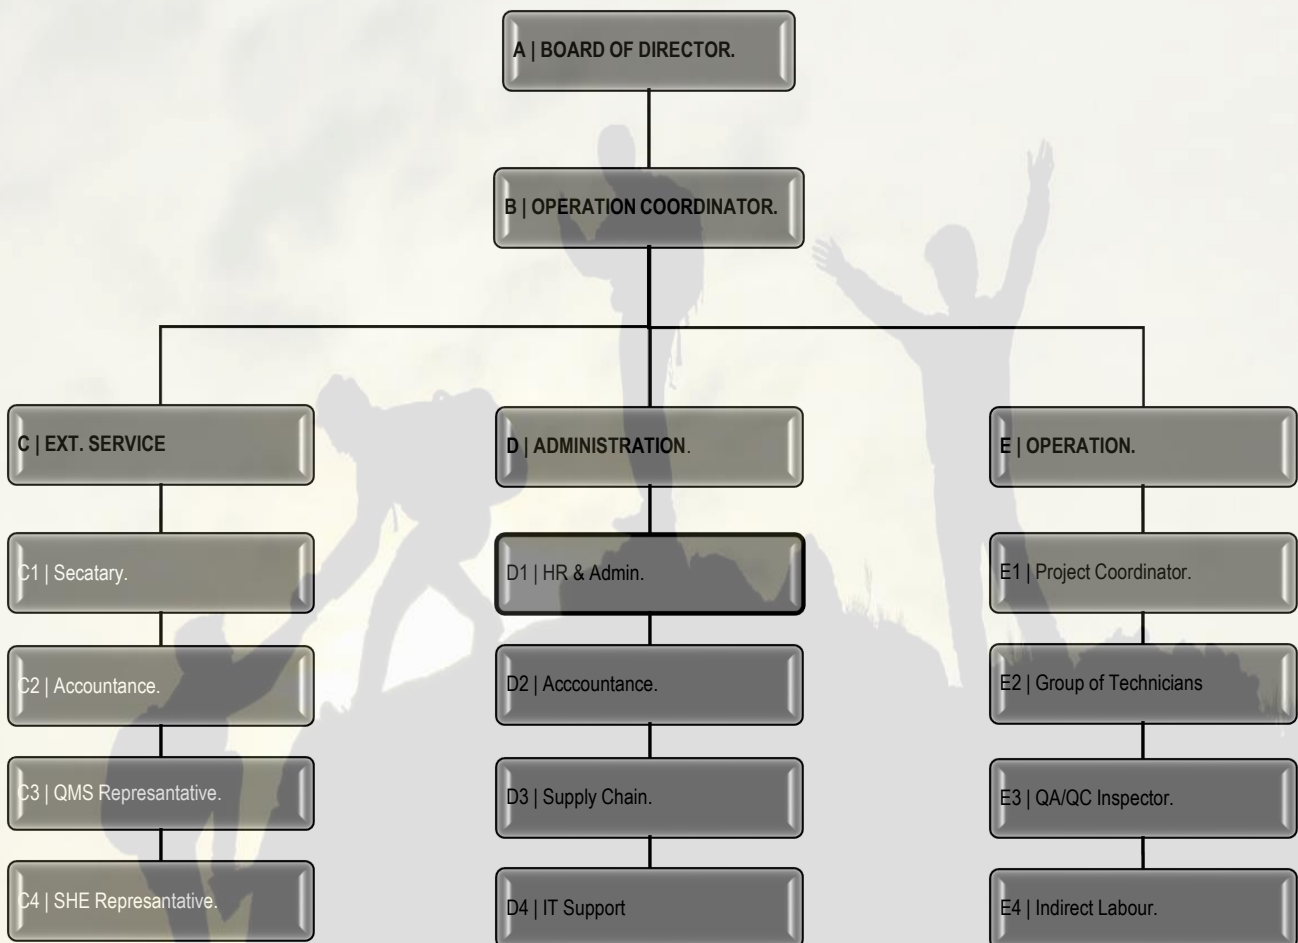

Rizalzaihan is a Partners of Legasi Selatan Sdn Bhd. He has 20 years of working experience in the field of Instrumentations and Process Control His background is in Technical University studies in Electronic Engineering

Rasedi Bin Ibrahim | Director cum Project Coordinator.

Rasedi Ibrahim is a Partners of Legasi Selatan Sdn Bhd. He has 25 years of working experience in the field of electrical engineering, instrumentation, industrial control and automation. His background is in Polytechnics studies in Electrical engineering

Mohd Uzair Bin Mohd Fuad | Technical Manager.

Uzair Fuad has more than 12 years of working experience and worked on a number of automation & instrumentation projects in different industries domestically & internationally. He leads and oversees the business development activities of the various business units for LSSB. He holds a Bachelor's Degree in Electrical & Electronics from University Technology of Petronas. Prior to joining LSSB, he was the Senior DCS Lead Engineer at Vopak Terminal Singapore Pte Ltd for 2 years.

CERTIFICATION

COMPANIES ACT 2016
(ACT 777)

CERTIFICATE OF INCORPORATION OF PRIVATE COMPANY

This is to certify that

LEGASI SELATAN SDN. BHD.
201101026004 (954140-X)

is, on and from the 25th day of July 2011, incorporated under the Companies Act 1965, and that the company is a company limited by shares and that the company is a private company.

Filed at **SHAH ALAM** this 25th day of July 2011.

Nor Azimah Binti Abdul Aziz
NOR AZIMAH BINTI ABDUL AZIZ
REGISTRAR OF COMPANIES
MALAYSIA

A copy or extract issued pursuant to section 601(2).

ATTESTATION OF COMPANY GOOD STANDING
LEGASI SELATAN SDN. BHD.
(954140-X)

This is to confirm that the above company was incorporated on 25 Jul 2011 as a private company. The company has complied with the requirements for the issuance of this attestation and in compliance with the Companies Act 2016.

Based on documents lodged with the Companies Commission of Malaysia:

- The company is not in the process of being wound up or dissolved;
- The company has lodged its latest annual return and financial statements or certificate relating to an exempt private company accordingly; and
- The registered address of the company is at No. 28-9A, Jalan Loke Yew, 55200, Kuala Lumpur, Wilayah Persekutuan.

The above particulars are extracted from documents registered as at 12 November 2017.

Registrar of Companies
Malaysia

This attestation is issued based on the latest information lodged by the company with the Registrar that has met the required criteria for the issuance of this attestation. Although every effort has been made to ensure that the information provided is accurate and up to date, the Registrar shall not be liable for any losses arising from any inaccurate or omitted information.

The information is computer generated. No signature is required.

CRITERIA FOR THE ISSUANCE OF ATTESTATION OF COMPANY GOOD STANDING

Attestation of Company Good Standing (ACGS) is a confirmation that a company has met the criteria that was set in the issuance of this ACGS.

Product Overview
ACGS will state the company name, registration number, incorporation date, whether the company is a private or public company and the registered address of the company. As an added feature, recipient can scan the QR Code from the print-out and able to view the stored copy of the ACGS as well as make comparison to verify the contents and ensure that there is no alteration made to the print-out.

ACGS Product Criteria
The company must meet the criteria as listed below:

- The company has been incorporated for at least 18 months from the date of the ACGS;
- The company has lodged its latest annual return and audited financial statements or certificate relating to an exempt private company;
- The company is in existence and not in the process of being wound up or struck off or dissolved;
- The company is not dormant as per nature of business;
- The company has a registered address;
- The company or its directors do not have any outstanding prosecution; and
- The company or its directors do not have any pending prosecution case.

This attestation is issued based on the latest information lodged by the company with the Registrar that has met the required criteria for the issuance of this attestation. Although every effort has been made to ensure that the information provided is accurate and up to date, the Registrar shall not be liable for any losses arising from any inaccurate or omitted information.

The information is computer generated. No signature is required.

OUR EXPERIENCE

SYNTHETIC LATEX PLANT AT KLUANG AND PASIR GUDANG.

Engineering, procurement, construction, and commissioning (EPCC) of electrical and instrumentation (E&I) works for Synthetic Latex plant at Kluang and Pasir Gudang Johor.

BIODIESEL PLANT AT PULAU ENDAH, KUANTAN TERMINAL & PASIR GUDANG.

DCS/PLC system trouble shooting, modification and electrical & instrumentation works.

CHEMICAL PLANT AT KLUANG, PASIR GUDANG, SHAH ALAM, KLANG, KEMAMAN, GEBENG AND SENAWANG.

Field Instrument verification and calibration including Safety Instrument System (SIS) function test.

FOOD INDUSTRY PROCESSING PLANT AT PASIR GUDANG.

Electrical & instrumentation works.

PALM OIL FACTORY AT PENISULAR AND LAHAD DATU.

Electrical & instrumentation works for boiler system.

WASTE GAS & WATER SYSTEM

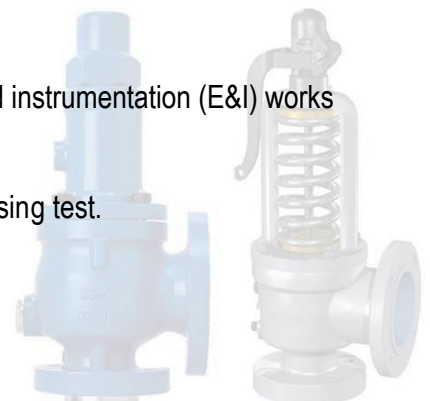

Engineering, procurement, construction and commissioning (EPCC) of electrical and instrumentation (E&I) works

PRV & CONTROL VALVE SERVICED.

Control valve & Safety valve refurbish complete with calibration works, leak and passing test.

MARINE REPAIR AT MALAYSIA MARINE AND HEAVY ENGINEERING (MMHE).

Manpower supply for electrical & instrumentation works.

OTHERS ACTIVITIES.

1. Condition Monitoring.

Infrared Thermography ■ Vibration Analysis ■ Ultrasound Inspection ■ Power Quality ■ NDT ■ Visual Inspection.

2. Maintenance – Mechanical Support.

Laser Shaft Alignment ■ In-Situ Balancing ■ Fabrication ■ Overhaul specialist ■ Motor Rewinding.
