## ABOUT MOZAMBIQUE & VILANKULOS

The Goodwill Orphanage in Vilankulos, Mozambique has been making great strides in ensuring the safety, education, and well-being of orphaned children across the region. Current world statistical data places the number of orphaned children in Mozambique to well over 1.8 million. This number will only continue to rise if nothing is done about this issue. Our hope is that these children may be given the means to build a sustainable and worthwhile future for themselves and their families.
