

Information Security Policy

We are committed to meet our customers requirement as well as applicable statutory and regulatory requirement for the information security management system through our competent human resource and continual improvement of information security management system.

To achieve our aim, we will:

- Protect the information against unauthorised access;
- Minimize the risk of damage by preventing security incidents and reducing their potential impact;
- Assured the confidentiality, integrity and availability of information;
- Meet all the legislative and regulatory requirements;
- Ensures awareness on information security polices to all our interested parties.

A handwritten signature in purple ink, appearing to read 'Paresh Patel'.
