Dear TranzactCard DBO,

As mentioned in today's Special Corporate Call, thank you for the tremendous work and pioneering spirit you've exhibited during our unprecedented and meteoric growth at TranzactCard. And while TranzactCard continues to pursue social impact initiatives, it is now passing the baton of growth to Finmore with its complementary fintech products and services. As we embark on the next chapter of our journey together, here are some important updates regarding the transition to Finmore as announced in today's call.

**Your TranzactCard Account:**

With the creation of Finmore, please remember that your TranzactCard account is still active and secure. You can continue to use your Z-Bucks in Z-Club, just as you always have. As TranzactCard proceeds with its social impact initiatives, you will continue to receive updates and announcements in your TranzactCard account email.

**Transition from TranzactCard DBO to Finmore Business Owner (FBO):**

We are working to make your transition to Finmore as seamless as possible. We are pleased to inform that a Finmore account is created on your behalf. In short order, you will receive a message from Finmore with instructions on how to activate your account, complete the enrollment process, and undergo Know Your Customer (KYC) verification to become an active Finmore Business Owner (FBO).

**Data Transfer Confirmation:**

We value your privacy and data security. To facilitate a smooth transition, we need to confirm we have your consent to transfer your data from TranzactCard to Finmore. If you withdraw consent for your data transfer, please notify us at [support@tranzactcard.com](mailto:support@tranzactcard.com).

## FAQs

To help answer your questions regarding the transition to Finmore, we will be posting FAQs in your back office shortly.

We are committed to ensuring a seamless transition for you and are excited about the opportunities that await you as a Legacy FBO. Again, be on the lookout for a forthcoming email from Finmore with more instructions regarding your onboarding as a Finmore Business Owner.

Once again, thank you for being a part of our community.

Sincerely,

*Your TranzactCard Team*
