

ABOUT US

We take great pleasure in introducing **MM ENTERPRISES (MME)** as one of the leading trading company engaged in developing various projects in Bangladesh. We specialise in promoting, consulting, developing and implementing turnkey projects and trading contracts on behalf of foreign principals, across various sectors in Bangladesh.

Our parent company, PANASIA GROUP established in 2010, is a reputable, top-tier ready made garments manufacturer & exporter of Bangladesh. We are exporting our garments products to Europe and North America for more than a decade.

The Group provides employment to more than 2000 people and earned accolades for creating an equal opportunity for the employees.

OUR SERVICES (MM Enterprises)

We provide all logistic supports and cooperation to our principals from the beginning of the projects and up to its execution. We assist our principals to prepare their strongest technical bid and to quote the competitive rates for the financial bid. We pursue every stage of the tendering process including technical bid evaluation and put our utmost efforts to award the contracts for our foreign principals.

We guide our principals by providing actual and latest information specially the names and details of the strong competitors of the projects and tenderers for supply tender. We provide DPP (Development Project Proposal) of the projects and advanced documents including qualification criteria, specification and other available documents. We arrange meeting for principals with the concerned officials of the client office and help to get clarifications of the queries from the client office. We provide services for the principals during the execution of the projects and supply tenders and we assist to get payment on time from the client office. We cooperate our principals for making joint venture (JV) with local reliable and strong companies if we feel its advantages to win in the contracts. We seek and arrange sub-contractors to participate in the construction works for the foreign principals/ contractors. We work for our principals to get money from the client offices as well as local JV partners.

We also assist to our principals for submitting income tax for its employees and company tax including work permit , security clearance and branch office permission etc.

Principals in Many Countries

We have been working with the principals from the countries of Korea, China, Japan, USA, Canada, India, Europe and Middeast etc.

Financing (Donors) Agencies

We have been promoting projects and trading business from the financing of the ADB, World Bank, JICA, AIIB, NDB, AFD, EIB, G to G China, EDCF of Korea and Government of Bangladesh (GOB).

Consultancy Projects

We have been cooperating international reputable consulting Firms in securing contracts in the fields of Road, Bridge, Water, Port, Sanitation (All Infrastructure Works) and Power Projects for Feasibility Study, Preparation of Design, Tender Document and Construction Supervision Services.

Trading Business

We have been also cooperating and providing our services to our principals to Supply Materials, Equipments, Chemicals to the Govt Organizations of Bangladesh through international tender bidding.

STRENGTHS

MME maintains a distinct reputation as an effective and experienced partner to work with an infrastructural turnkey projects, power projects and trading business across the country. Along with our foreign partners, we work closely with the GOB & its various associated ministries, departments and organisations in conjunction with a host of associated international & national lending & doner agencies as well as a wide range of local contractors & vendors to implement turnkey projects and trading business. It may be noted here that some experts of the ex-top Government officials are working in MM Enterprises specially ex-advisor of BAPEX (an organization of petrobangla) who is guiding in the business of Oil and Gas Sector in Bangladesh.

We have supported many foreign principals and awarded a large numbers of projects in various sectors including trading business and consultancy contracts.

Our Achievements

We have awarded at least 12 Roads contracts in RHD. Two bridge and a flyover project in RHD and BBA, Port Development (Jetty and Berth) and Dredging projects in CPA, Sewage Treatment Plants in Dhaka WASA, Wireline Logging Services and Supply of Line Pipes to BAPEX, SGFL, BGFCL, GTCL (These are the subsidiary companies of Bangladesh Oil Gas & Mineral Corporation). Supply Rails to Bangladesh Railway, Power Plants in BPDB, Substation and Transmission Line projects in PGCB, supply of Colter, Primer and Wrapping materials to Petrobangla from Kopper Industries Inc. in USA.

Besides, the above we have cooperated with many foreign principals in participating in the tenders bidding for infrastructure, power projects and Trading business (for supply of materials, equipment, chemicals) as well as consultancy projects. We have also cooperated with foreign principals in promoting projects in Rupantarita Prakritik Gas Company Ltd (RPGCL) the LNG arms of Petrobangla and established a strong contact and relationship with the client. RPGCL is also subsidiary company of Bangladesh Oil Gas & Mineral Corp and responsible of all LNG related business in Bangladesh.

MME's North American Representative

Mr. Faisal Farid, who is looking after our business interest in North America, tasked with the marketing, sales and distribution of LNG in Bangladesh from both sopt market and other available souches. He will also pursue international contractors/investors for construction of Offshore FSRU and land based terminal in Bangladesh.
